INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Absolute Business Solutions, Inc.
McLean, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Absolute Business Solutions 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Absolute Business Solutions 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Absolute Business Solutions 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Absolute Business Solutions 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Absolute Business Solutions 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Absolute Business Solutions 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial

statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ABSOLUTE BUSINESS SOLUTIONS 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Absolute Business Solutions 401(k) Profit Sharing Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan is a defined contribution plan covering substantially all employees of Absolute Business Solutions, Inc. (the Company). Employees who are more than 21 years of age are eligible to participate in the Plan on the day eligibility requirements are satisfied.

The Company is the administrator of the Plan. As administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan (including the authority and responsibility to invest, manage and control the assets of the Plan specifically allocated to Transamerica Life Insurance Company ("Transamerica"). Transamerica acts at the direction of the Plan's administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Contributions

Participants may elect to contribute up to 100% of eligible compensation not to exceed the limits of the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans.

Following the completion of six months of service with the Company, the Company makes matching contributions based on a participant's deferrals into the plan up to a maximum of 4% of the participant's compensation. The Company may also make discretionary contributions into the Plan as determined each year by the Company's Stockholder. For the years ended December 31, 2022 and 2021, no discretionary contributions were made to the plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contributions and allocations of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, the Company's contributions, plus actual earnings thereon.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

The Plan's forfeiture account is comprised of forfeited excess employer contributions and unclaimed benefit payments. Forfeitures are used to reduce the Company's contributions or administrative expenses of the plan. During 2022 and 2021, \$20,656 and \$0 of unclaimed benefits were transferred into the forfeiture account. At December 31, 2022 and 2021, there were \$19,939 and \$2,456 of funds available in the Plan's forfeiture account.

Participant Loans

Participants may borrow from their fund accounts a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, except for home loans, which are a maximum 10 years. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of 1% above the prime interest rate as published by the Wall Street Journal. Principal and interest are paid ratably through payroll deductions. If a participant terminates employment with the Company, the loan becomes due and payable in full immediately. If the loan is not repaid, it will automatically be treated as a distribution to the participant on the last day of the calendar quarter following the calendar quarter in which the participant missed the scheduled payment.

Payment of Benefits

Distributions from the plan are permitted upon termination of service due to retirement, disability or death or attainment of age 59 ½. Participants may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or partial withdrawals provided each withdrawal exceeds \$1,000. Upon termination, all vested account balances not exceeding \$5,000 may be distributed as a lump-sum. Participants may elect to rollover monies to another qualified plan at any time.

Plan Fees and Administrative Expenses

The Company pays certain administrative expenses of the Plan such as legal fees and audit fees.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid. Amounts allocated to accounts of participants who have elected to withdraw from the Plan, but have not yet been paid (excluding unclaimed benefits transferred to forfeitures), were \$0 and \$0 at December 31, 2022 and 2021, respectively.

ABSOLUTE BUSINESS SOLUTIONS 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are charged to the participant and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Use of Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Any unrealized appreciation and depreciation, as well as realized gains or losses for the year, are reflected in statements of changes in net assets available for benefits. Dividends are recorded on the ex-dividend date. Interest is accrued on a daily basis. Purchases and sales are recorded on a trade-date basis.

Subsequent Events

The Plan has evaluated subsequent events through October 3, 2023, which is the date the financial statements were available to be issued. See Note 11.

NOTE 3 - INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule of assets held including investments held and notes receivable from participants at December 31, 2022 and 2021 and net appreciation or depreciation in fair value of investments, interest income and interest on notes receivable from participants for the years ended December 31, 2022 and 2021 was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Transamerica Life Insurance Company.

ABSOLUTE BUSINESS SOLUTIONS 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

Transamerica offers a stable value fund that the participant may elect to transfer all or part of their funds into. The stable value fund is considered to be a fully benefit-responsive investment contract. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits. Contract value, as reported by Transamerica, is the beginning balance plus any deposit and credited interest, less any withdrawals, charges, or expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of Transamerica or otherwise. The contract value of the investment contract at December 31, 2022 and 2021 was \$204,265 and \$237,898, respectively. This investment seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis, and with no set maturity. The guaranteed effective credited interest rate is set on a semi-annual basis and announced at least 45 days in advance of the date the new rate becomes effective. The guaranteed rate of interest shall not change during the six month period for which it is effective.

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include the following: (1) the Plan is changed so as to significantly affect Transamerica's obligations to the contract, (2) the contract can no longer be treated as a pension plan contract, (3) the Plan is terminated, (4) failure to comply with the contract's requirements, (5) failure to provide information, (6) the sum of the contract account values at any time equals \$20,000 or less, or (7) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator is not aware of any events which would limit the Plan's ability to transact at contract value with participants that are probable of occurring.

NOTE 5 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1 - Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 - Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - quoted prices for similar assets and liabilities in active markets

ABSOLUTE BUSINESS SOLUTIONS 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

- quoted prices for identical or similar assets or liabilities in markets that are not active observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 - Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based the lowest level input that is significant to the fair value measure in its entirety.

All of the plan's fair value investments are valued using net asset value as a practical expedient and therefore, are not required to be categorized in the fair value hierarchy levels described above.

Following is a description of the valuation methodologies used for instruments measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Pooled separate accounts

Pooled separate accounts are privately managed and are not publicly quoted. Pooled separate accounts are comprised, primarily, of shares of registered investment companies held through sub-accounts of Transamerica Life Insurance Company. The pooled separate accounts are valued using net asset value ("NAV") as a practical expedient to estimate fair value where NAV is based on the value of the underlying investment assets held through sub-accounts of a separate account of an insurance company. The pooled separate accounts calculate NAV per share in a manner consistent with the measurement principles in FASB Accounting Standards Codification Topic 946 *Financial Services — Investment Companies*. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. The pooled separate accounts held by the Plan provide for daily redemptions by the Plan at reported net asset value with no advance notice requirement. There are no significant redemption restrictions on the pooled separate accounts.

The following table sets forth additional disclosures of the Plan's investment whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2022 and 2021:

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

	Fair Value		Unfunded Commitments
	December 31, 2022	December 31, 2021	
Pooled separate accounts	\$8,491,182	\$10,195,833	None

NOTE 6 - RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across all participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments. As of December 31, 2022 and 2021, approximately 11% of the plan's net assets was invested in Vanguard Total Stock Market Index.

NOTE 7 - TAX STATUS

On January 1, 2018, the Plan adopted a volume submitter 401(k) plan sponsored by Dixon Hughes Goodman. The plan received a favorable opinion letter from the IRS dated March 31, 2014. On January 1, 2022, the Plan adopted a non-standardized pre-approved profit sharing plan to comply with the latest IRS legislation and regulations. The plan received a favorable opinion letter from the IRS dated June 30, 2020. As part of the restatement, the provision for a discretionary employer match was removed and the maximum term for a participant loan used for a home purchase was set to ten years. There were no changes to the Plan's mandatory safe-harbor matching contributions.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan allows for transactions with certain parties who may perform services or have

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST (CONTINUED)

fiduciary responsibilities to the Plan. Plan investments are managed by Transamerica Life Insurance Company, the issuer of the Plan's investments and record-keeper of the Plan. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company paid certain administrative expenses of the Plan, including legal and audit fees. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

NOTE 9 - PROHIBITED TRANSACTIONS – DELINQUENT CONTRIBUTIONS

During the years ended December 31, 2022 and 2021, there were no late employee contributions remitted to Transamerica Life Insurance Company.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Income, expenses, net assets, and changes in net assets per Schedule H of Form 5500 for 2022 and 2021 agree to the 2022 and 2021 audited financial statements of the Plan.

NOTE 11 - SUBSEQUENT EVENT

In November 2022, the Plan was amended and restated with an effective date of January 1, 2023 to comply with the latest IRS legislation and regulations. As part of the restatement, the service requirement to be eligible for safe harbor match and discretionary profit sharing contributions was removed.
