INDEPENDENT AUDITOR'S REPORT

October 6, 2023

To the Corewell Health Finance and Audit Committee
Corewell Health

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Botsford Hospital Defined Contribution Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, as well as the related notes to the financial statements.

The Plan's management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

The Plan's management has obtained certifications from a qualified institution as of, and for the years ended, December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Opinion (continued)

- The information in the accompanying financial statements related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that the Plan's management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.
- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.
- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for the purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Supplemental Schedules Required by ERISA (continued)

The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BOTSFORD HOSPITAL DEFINED CONTRIBUTION PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A — DESCRIPTION OF THE PLAN

The following description of the Botsford Hospital Defined Contribution Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information, including information regarding vesting and benefit provisions. Copies of this document are available from the Human Resources Department of Botsford Hospital (“Botsford”).

General

The Plan, which was adopted January 1, 2003 and restated January 1, 2017, is a defined contribution profit sharing pension plan established to provide retirement benefits for substantially all employees of Botsford General Hospital, Botsford Continuing Care Corporation, and Community Emergency Medical Service, Inc., excluding leased employees, interns, residents, and members of the Board of Trustees. Beaumont Health is the sole corporate member of Botsford, and Corewell Health is the sole corporate member of Beaumont Health. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Fidelity Management Trust Company (“Fidelity”) serves as the custodian and recordkeeper of the Plan. Botsford serves as the Plan sponsor and the Plan administrator.

Eligibility

An employee of Botsford is eligible to become a participant of the Plan upon hire.

Contributions

Botsford contributes three percent of participants’ compensation for the Plan year as a non-elective contribution. To be eligible for the employer contribution, participants must be employed on the last day of the Plan year and must have completed at least 900 hours of service during the Plan year. There is no provision for participant contributions to the Plan.

Participant Accounts

Each participant’s account is credited with Botsford’s contributions and an allocation of Plan earnings. Allocations are based on each participant’s account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants have no vested interest in employer contributions until they have completed three years of service, at which time they become 100 percent vested.

Distributions

All distributions from the Plan are made in one lump-sum payment in cash. If the vested benefit under the Plan exceeds \$1,000, then the participant must consent to the distribution before it is made. If the vested benefit under the Plan does not exceed \$1,000, then the benefit will be distributed as soon as possible following the qualifying distribution event. A participant may defer receipt of the distribution in accordance with Plan provisions. Distributions are allowed upon retirement, disability, death, or termination of service.

Investment Options

Upon enrollment in the Plan, participants may direct contributions in any of several investment options.

Notes Receivable from Participants

Participants may not borrow from their accounts.

Forfeitures

Forfeitures are applied against future employer contributions. As of December 31, 2022 and 2021, total forfeitures equal \$80,725 and \$74,759, respectively, which will be applied against future employer contributions.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments (continued)

The Plan's investments are valued as follows:

- Shares of registered investment companies and units of the BrokerageLink fund and money market funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan as of the end of the year.
- Units of insurance company general accounts are valued at fair value; the underlying investments consist primarily of securities that are valued at quoted market prices.

Purchases and sales of investments are reflected on a trade-date basis. Gains and losses on sales of securities are based on average costs. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements

The Plan uses fair value measurements in the preparation of its financial statements, which utilize various inputs, including those that can be readily observable, corroborated, or are generally unobservable. The Plan utilizes market-based data and valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Additionally, the Plan applies assumptions that market participants would use in pricing an asset or liability, including assumptions about risk.

The measurement of fair value includes a hierarchy based on the quality of inputs used to measure fair value. Financial assets and liabilities are categorized into this three-level fair value hierarchy based on the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The various levels of the fair value hierarchy are described as follows:

- Level 1 — Financial assets and liabilities whose values are based on unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access
- Level 2 — Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable for substantially the full term of the asset or liability

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (continued)

- Level 3 — Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement

The use of observable market data, when available, is required in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

Contributions

Contributions are recorded as earned, in accordance with the Plan document.

Payment of Distributions

Distributions to Plan participants are recorded when paid.

Administrative Expenses

All administrative expenses, professional fees, and costs and expenses incurred in connection with investment transactions and other assets used in the operation of the Plan are paid or accrued for by the Plan, with the exception of certain expenses paid by Botsford.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, as well as disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various securities, including registered investment companies, insurance company general accounts, and money market funds. Investment securities in general are exposed to various risks, such as interest rate, credit, and overall market volatility.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties (continued)

Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Subsequent Events

The Plan's management has evaluated subsequent events through October 6, 2023, the date that the accompanying financial statements were available to be issued.

NOTE C — INVESTMENTS AND FAIR VALUE

The following is a summary of information regarding the Plan, included in the Plan's financial statements, that was obtained or derived from information provided to the Plan administrator, and was certified as complete and accurate, by Fidelity, the custodian. Information included in the supplemental schedule of assets (held at end of year) was also obtained from, and certified as complete and accurate by, Fidelity.

Assets certified by Fidelity, as well as the Plan's fair value hierarchy for those assets that are measured at fair value on a recurring basis, as of December 31, 2022 and 2021 are summarized as follows:

NOTE D — PLAN TERMINATION

Although it has expressed no intention to do so, Botsford has the right to discontinue its contributions at any time and to terminate the Plan, subject to the requirements of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts, and the assets of the Plan will be distributed to the participants in an order of priority determined in accordance with ERISA and its applicable regulations, and in accordance with the Plan document.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE E — INCOME TAX STATUS

The Plan obtained its latest determination letter on February 8, 2013, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the “IRC”). The Plan has been amended since receiving the determination letter. However, Botsford and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. In addition, the Plan administrator is not aware of any uncertain tax positions or unrecognized tax benefits as of December 31, 2022 or 2021. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

NOTE F — PARTY-IN-INTEREST TRANSACTIONS

Certain investments are shares of registered investment companies and units of money market funds managed by the Plan’s custodian. Therefore, these transactions qualify as party-in-interest transactions.
