INDEPENDENT AUDITOR'S REPORT

To the Participants and Investment Committee of
C.G. Roxane 401(k) Plan:

Scope and Nature of the ERISA Section 103(A)(3)(C) Audit

We have performed audits of the financial statements of C.G. Roxane 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of C.G. Roxane 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of C.G. Roxane 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about C.G. Roxane 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of C.G. Roxane 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about C.G. Roxane 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

C.G. Roxane 401(k) Plan
Notes to Financial Statements
December 31 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The accompanying financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

General

Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of C.G. Roxane 401(k) Plan (the "Plan"). Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods

In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below.

Mutual Funds: The fair value of mutual funds is generally based on quoted prices in active markets (Level 1).

Common/collective Trust Funds: The fair value of the units in common/collective trust funds is estimated based on the net asset value per unit of the investments, which is calculated based on quoted market prices or other observable inputs. The Wells Fargo Stable Value Fund M is valued utilizing the net asset valuation, which approximates contract value. Net asset value is being used as a practical expedient to estimate fair value.

Valuation Methods, Consistency

The valuation techniques used in the accompanying financial statements have been consistently applied.

C.G. Roxane 401(k) Plan
Notes to Financial Statements
December 31 2022 and 2021

Transactions and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Participant and employer contributions receivable are based on participant and employer contributions due and not paid prior to year-end. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Participant withdrawals and termination payments are recorded when paid.

Administrative Expenses

Certain expenses incurred for administering the Plan are paid by the Plan's sponsor, C.G. Roxane LLC (the "Company").

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

CARES Act

On March 27, 2020, in response to the COVID-19 pandemic, the Plan agreed to certain changes under the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. Specifically, the Plan has adopted temporary emergency distribution provisions to allow Plan participants to access the money in their individual accounts up to \$100,000 for qualifying participants. Participants must meet certain requirements to qualify for these emergency distribution provisions. Participants were notified of these temporary relief provisions and should review the notifications for further information. The Coronavirus Aid, Relief, and Economic Security Act was extended through December 31, 2021.

Risks and Uncertainties

The Plan invests in mutual funds and common/collective trust funds. Such investments are exposed to various risks, such as interest rate, market fluctuations and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

2. DESCRIPTION OF THE PLAN

The following description of C.G. Roxane 401(k) Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

C.G. Roxane 401(k) Plan
Notes to Financial Statements
December 31 2022 and 2021

General

The Plan is a defined contribution plan covering all eligible employees of the Company not covered by a collective bargaining agreement. An eligible employee is defined as one who has completed one year of service and has worked at least 1,000 hours in a consecutive 12-month period. Participants may enter the Plan on the first day of the month coinciding with or next following the date they satisfy the eligibility requirements. Employees who meet the aforementioned requirements are also eligible for employer matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Participant Contributions

The Plan allows participants to contribute up to 90% of pre-tax annual compensation, as defined in the Plan, not to exceed the limit established by law. The limit for Plan years 2022 and 2021 was \$20,500 and \$19,500, respectively. A participant who attains age 50 or older by the end of the Plan year may elect to defer additional amounts, called "catch-up contributions," to the Plan. The catch-up contribution limit for 2022 and 2021 was \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Employer Contributions

The Company will contribute for each participant a matching contribution equal to the first 3% of the participant's eligible contributions. In addition, the Company may, at its discretion, make a profit-sharing contribution, which will be proportionally shared among participants. No profit-sharing contributions were made for the years ended December 31, 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, rollover, the Company's contribution and earnings, and is charged with an allocation of administrative expenses based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portions of their accounts plus actual earnings is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participant notes are secured by the participant's account balance. Participant note terms range from 1-5 years or up to 30 years for the purchase of a principal residence. Borrowings bear interest at the prime interest rate, at the date the participant note is effective, plus two percentage points. Interest rates ranged from 5.25% to 7.50% at December 31, 2022 and 2021. Principal and interest is paid ratably through payroll deductions. The Plan allows only one outstanding loan at a time.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions and employer contributions to any of the investment options offered by the Plan. Participants may also reallocate contributions among investment options at any time.

C.G. Roxane 401(k) Plan
Notes to Financial Statements
December 31 2022 and 2021

Benefits

On retirement, disability, death or termination of service, a participant will receive either a lump sum or a rollover amount equal to the value of the vested portion of their account. Distributions are subject to the applicable provisions of the Plan agreement. The Plan allows in-service withdrawals under certain conditions.

Forfeited Accounts

Forfeitures are retained by the Plan and used to pay administrative expenses and reduce future employer contributions. In 2022 and 2021, employer matching contributions were reduced by \$14,466 and \$10,300, respectively, from forfeited non-vested accounts. As of December 31, 2022 and 2021, the balance in the Plan's forfeiture account totaled \$0 for \$10, respectively.

3. PRIORITIES UPON TERMINATION

It is the intent of the Company to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved by the Company. Termination shall not permit any part of the Plan assets to be used for, or diverted to, purposes other than the exclusive benefit of the participants and beneficiaries. In the event of termination, participants will become 100% vested in their accounts, and the Company will direct the trustee to distribute each participant's account in a single sum, as soon as administratively practicable after the termination of the Plan, irrespective of the present value of the participant's account and whether or not the participant consents to that distribution.

4. TAX STATUS

The Company has adopted a non-standardized prototype plan document that received an opinion letter from the Internal Revenue Service, dated October 6, 2020, indicating that the prototype plan is designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended, the Company and the Plan's administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The Plan's administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2022 and 2021, are as follows:

Description	December 31, 2022	Fair Value Measurements at Reporting Date Using Quoted Prices in Active Markets for Identical Assets (Level 1)
Assets in the fair value hierarchy		
Mutual funds	\$ 19,184,066	<u>\$ 19,184,066</u>

Total investments at fair value	<u>\$ 25,582,663</u>	

6. INVESTMENTS IN CERTAIN ENTITIES THAT CALCULATE NET ASSET VALUE

The fair value and redemption information for investments that calculate net asset value per share as of December 31, 2022 and 2021, are as follows:

Investment Type	Fair Value as of December 31,		Redemption Frequency (if currently eligible)	Redemption Notice Period
	2022	2021		
Common/collective trust funds				
Invesco	<u>\$ 3,273,733</u>	<u>\$ 2,957,008</u> {a}	Daily	10 Days

There were no unfunded commitments for the years ended December 31, 2022 and 2021.

{a} The trust's primary investment objectives are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a 24-month redemption notice to liquidate its entire share in the Invesco Stable Asset Trust at the lesser of the market value or the contract value of the redeemed units.

Accordingly, as permitted under such election, the Plan's administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified by Reliance Trust Company, the trustee of the Plan, for the years ending December 31, 2022 and 2021, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule, as follows:

The information included in Note 5 and the supplemental schedule was derived from information certified by the trustee.

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in mutual funds and common/collective trust funds, which were held by Reliance Trust Company, the trustee of the Plan, for the Plan years ending December 31, 2022 and 2021. Transactions in investments which qualify as party-in-interest transactions are exempt from prohibited transaction rules.

9. SUBSEQUENT EVENTS

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2022, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 9, 2023, the date the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.
