INDEPENDENT AUDITORS' REPORT

To the Participants and Management of
Universal Windows 401(K) Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Universal Windows 401(K) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

UNIVERSAL WINDOWS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Universal Windows 401(K) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan and covers all employees of Universal Windows Direct, Inc. ("Plan Sponsor" or "Company"). The Company's owners serve as the Plan's administrators. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

On December 1, 2021, the Plan sponsor was acquired by Great Day Improvements.

Plan Merger

On December 31, 2022, account balances of \$3,029,787 were transferred from the Plan to the Great Day Improvements 401k Plan, effectively merging the plans.

Eligibility

In accordance with the terms of the Plan document, employees of the Company become eligible to contribute to the Plan upon completion 90 days of service. Participants are eligible to receive employer matching and profit-sharing contributions when they have completed at least 1,000 hours of service during the Plan year and are employed as of the last day of the Plan year.

Contributions

Participants may, subject to certain limitations set by the Internal Revenue Code ("IRC"), elect to contribute one to 100% of their compensation to the Plan. Participant contributions may be made as pre-tax contributions only. During any calendar year in which a participant attains age 50 or older, he or she may elect to make additional pre-tax contributions and/or Roth 401(k) contributions, called "catch-up" contributions.

The Company contributes a safe harbor matching contribution of 100% on the first 4% of the participant's contribution to the Plan. The Company may also contribute an additional profit-sharing contribution in excess of the matching amount, at the discretion of the Company. These additional contributions are allocated to each participant's account as determined by the Company. During the year ended December 31, 2022, no profit-sharing contributions were made to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings and (c) administrative expenses. Allocations are based on participant compensation or account balance, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

UNIVERSAL WINDOWS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Vesting

Participants are immediately vested in their contributions, safe harbor match contributions, and rollover contributions, plus actual earnings thereon. A participant is vested in employer non-safe harbor matching contributions and profit-sharing contributions as follows:

<u>Years of Service</u>	<u>Vesting %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Participants, or their beneficiaries, may elect to receive the amount as a lump-sum or designated sums from time to time. Upon the age of 59 ½, a participant may elect to receive a lump-sum amount or installment payments. All distributions are in the form of cash.

Notes Receivable from Participants

The Plan allows for loans to participants from their individual account balances that are limited to the lesser of \$50,000 reduced by the excess (if any) of the highest outstanding loan balance of loans during the one year period ending on the day before the loan is made, over the outstanding balance of loans from the Plan on the date the loan is made, or one-half of the vested portion of his or her account. The participant loans have repayment terms of 5 years, except for loans taken for the purchase of a primary residence, which may be repaid over a period not to exceed ten years. The loans are secured by the balance in the participant's account and bear an interest rate equal to the prime interest rate at the date of inception of the loan plus 1%.

Forfeitures

Any forfeitures during the Plan year are used to pay administrative expenses of the Plan. Remaining forfeitures occurring in any Plan year can be utilized to reduce employer contributions. During the year ended December 31, 2022, there were no forfeitures used to pay administrative expenses and reduce employer contributions of the Plan respectively. As of December 31, 2022 and 2021, there were no forfeited non-vested accounts balances.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis of accounting.

UNIVERSAL WINDOWS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and the accompanying notes. Actual results may differ from those estimates.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Valuation of Investments and Income Recognition

The Plan's investments are valued at fair market value.

The change in the difference between fair value and the cost of the investments, along with gains (losses) from sales of investments, is reflected in the statements of changes in net assets available for benefits as net appreciation (depreciation) in the fair value of investments. Purchases and sales of investments are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions are reported based on historical cost.

Fair Value of Financial Assets and Liabilities

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

A portion of the administrative fees are paid by the Plan. Other administrative fees, including legal and professional fees, are paid by the Plan Sponsor.

Subsequent Events

The Plan has evaluated subsequent events through October 4, 2023, the date the financial statements were available to be issued.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by Transamerica Life Insurance Company, Inc., the Custodian, as of and for the year ended December 31, 2022 and 2021 and furnished to the Plan Sponsor. The Plan Sponsor has obtained certifications from the Custodian as of December 31, 2022 and 2021 and for the year ended December 31, 2022, that such information is complete and accurate.

	2022	2021
Investments, at fair value	\$ -	\$ 3,836,425
Notes receivable from participants	\$ -	\$ 63,652
Interest on notes receivable from participants	\$ 2,282	N/A
Net depreciation in fair value of investments	\$ (647,643)	N/A

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are participant-directed accounts that are held by the Custodian.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Investments that were measured at net asset value ("NAV") per share as a practical expedient are not classified in the fair value hierarchy. The fair value amounts presented in the below tables are intended to permit reconciliation of the fair value hierarchy to total investments at fair value. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

Mutual funds: Valued at fair value as determined by quoted market prices on active markets.

Self-directed accounts: Valued based on prices in public exchanges of the shares held by the Plan at year end.

UNIVERSAL WINDOWS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Common collective trusts: Valued at NAV of the underlying investments held by the funds, less their liabilities. NAV is used as a practical expedient to estimate fair value.

The investment strategies for the common collective trusts are to invest in international funds, bonds, mid cap funds, and large cap funds.

Assets measured at fair value on a recurring basis at December 31, 2021 are as follows:

	2021	
	Level 1	Total
Mutual Funds	\$ 3,538,080	\$ 3,538,080
Self Directed Accounts	265,255	265,255
Total Investments in the Fair Value Hierarchy	<u>\$ 3,803,335</u>	3,803,335
Investments Measured at Net Asset Value:		
Common Collective Trust Funds		33,090
Total Investments		<u>\$ 3,836,425</u>

NOTE 5 – TAX STATUS

The Plan is a volume-submitter plan which has received an opinion letter, dated March 31, 2014, from the IRS. The opinion letter states that the volume-submitter plan is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. Subsequently, the Plan has been amended. Plan management believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and therefore operates as tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan Sponsor has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include the purchases and sales of investments through the Plan's Custodian and the payment of services and expenses. There are also indirect fees deducted directly from investment earnings of the Plan.

NOTE 7- RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
