Independent Auditors' Report

The Plan Administrator
DASCO HME, LLC Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the DASCO HME, LLC Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 1, 2022 (date of merger) and December 31, 2021, and the related statements of changes in net assets available for benefits for the period from January 1, 2022 through September 1, 2022 (date of merger) and for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 1, 2022 (date of merger) and for the period from January 1, 2022 through September 1, 2022 (date of merger) and as of December 31, 2021 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

DASCO HME, LLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

September 1, 2022 (date of merger) and December 31, 2021

(1) Description of plan

The following description of the DASCO HME, LLC Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was a multiple-employer defined contribution plan which provided retirement benefits for employees of DASCO HME, LLC and participating employers (collectively, the "Plan Sponsor" or the "Company"). The Plan covered substantially all employees age eighteen or older with three months of service ("participants"). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective September 1, 2022, the Plan merged into the Pooled Employer Plan of America, \$4,749,784 of the Plan's net assets were transferred into the Pooled Employer Plan of America as presented on the statements of changes in net assets available for benefits as of September 27, 2022.

(b) Contributions

Participants could voluntarily make qualified retirement contributions to the Plan which were deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") and after-tax in the form of a Roth 401(k) contribution. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants directed the investment of their contributions into various investment options offered by the Plan. Participant contributions were permitted up to 100% of compensation subject to certain IRC limitations, and participants could choose to suspend elections at any time. Participants who attained age 50 by the end of the Plan year were eligible to make additional catch-up contributions to the Plan.

The Plan Sponsor made safe harbor matching contributions as an amount equal to 100% of each participant's elective deferrals up to 3% of eligible compensation, and 50%, of the next 2%, of a participant's elective deferrals. For the period ending September 27, 2022 and in the year ending December 31, 2021, the Plan Sponsor made total safe harbor matching contributions of \$218,797 and \$302,478 respectively. The Plan allowed for discretionary matching and profit sharing contributions. The Company did not elect to make any discretionary matching or profit sharing contributions during the period ending September 27, 2022 or for the year ending December 31, 2021. Plan Sponsor and participant contributions could not exceed the maximum amount allowable for federal income tax purposes.

DASCO HME, LLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

September 1, 2022 (date of merger) and December 31, 2021

(c) Participant accounts

Each participant's account was credited (charged) with the participant's and Plan Sponsor contributions, investment earnings (losses), and administrative expenses. Allocations were based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants were immediately vested in their elective salary deferral and safe harbor matching contributions plus actual earnings (losses) thereon. Vesting in the Company's profit sharing contribution portion of their accounts plus actual earnings thereon was based on years of continuous service. A participant was 20% vested after two years of service and vesting increases 20% each year until the participant was fully vested after six years of credited service.

(e) Investment options

Participants could direct contributions in any of the investment funds offered by the Plan. Participants could change their investment options at any time.

(f) Participant notes receivable

Participants could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The participant notes receivable were secured by the balances in the respective participants' account and bear interest at fixed rates ranging from 5.25% to 7.50%, which were commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest were paid through payroll deductions.

(g) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant could elect to receive a lump-sum payment equal to his or her entire account balance. For termination of service due to other reasons, a participant was entitled to receive only the vested interest in his or her account as a lump-sum distribution.

(h) Hardship withdrawals

The Plan permitted distributions in the event of a hardship, as defined in the plan agreement. These distributions were taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant was younger than age 59½. Hardship withdrawals were limited to the participant's elective account balance.

DASCO HME, LLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

September 1, 2022 (date of merger) and December 31, 2021

(i) Administrative expenses

Certain expenses of maintaining the Plan were paid directly by the Plan Sponsor and have been excluded from these financial statements. Fees related to the processing of distributions and administrative fees were charged directly to the applicable participants' accounts and have been included in administrative expenses. Investment related expenses have been included in net appreciation (depreciation) in fair value of investments.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan were prepared on the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments were stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determined the Plan's valuation policies utilizing information provided by Charles Schwab Trust Bank ("Charles Schwab"). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Interest income was recorded on the accrual basis. Net appreciation (depreciation) included the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Participant notes receivable

Participant notes receivable were measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes were reclassified as distributions based upon the terms of the plan document.

(d) Payment of benefits

Benefits were recorded when paid.

(e) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") required management to make estimates and assumptions that affected the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

DASCO HME, LLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

September 1, 2022 (date of merger) and December 31, 2021

(f) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between September 27, 2022 and October 11, 2023, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments from participants reported and disclosed in the accompanying financial statements, including the fair value of investments held and interest-bearing cash held at December 31, 2021, and the net appreciation (depreciation) in fair value of investments, dividend and interest income for the period ended September 1, 2022 and for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab.

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

DASCO HME, LLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

September 1, 2022 (date of merger) and December 31, 2021

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021.

- (i) *Mutual funds*: Valued based on the funds' reported closing NAV of shares held by the Plan as of the last business day of the plan year. The mutual funds are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level the Plan's assets within the fair value hierarchy as of December 31, 2021:

**Fair Value Measurements as of
December 31, 2021 Using the Following Inputs**

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest-bearing cash	\$ 19,515	\$ -	\$ -	\$ 19,515
Mutual funds	<u>5,118,865</u>	<u>-</u>	<u>-</u>	<u>5,118,865</u>
Investments at fair value	<u>\$ 5,138,380</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,138,380</u>

(5) Income tax status

The Plan Sponsor adopted a non-standardized pre-approved profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the pre-approved plan was designed in accordance with the applicable sections of the IRC. The Plan itself had not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believed that the adopted pre-approved plan was designed and was being operated in compliance with the applicable requirements of the IRC and was therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there were no uncertain positions taken or expected taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
