INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Sequoia Financial Group, LLC 401(k) Plan
Mayfield Heights, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed our audits of the accompanying financial statements of Sequoia Financial Group, LLC 401(k) Plan Employee Benefit Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing our audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H; Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Sequoia Financial Group, LLC 401(k) Plan (the “Plan”) provides general information only. Participants should refer to the Plan document for a more comprehensive description of the Plan’s provisions.

Description

The Plan was formed on January 1, 2020 as a defined contribution plan adopted by Sequoia Financial Group, LLC (the “Plan Sponsor” and the “Company”). The Plan is administered by Sequoia Financial Group, LLC (the “Administrator”). The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974, as amended (“ERISA”).

Eligibility

All employees of the Company, except for employees covered by a collective bargaining agreement, non-resident or leased employees, are eligible to participate in the Plan upon date of hire and attaining 21 years of age.

Contributions

The Plan provides for pre-tax and post-tax contributions by participants and Roth elective deferrals, through payroll deductions, and for matching and discretionary contributions by the Company. A participant may contribute between 1% and 100% of their pre-tax and/or post-tax annual compensation, as defined by the Plan, limited by the Internal Revenue Service (“IRS”) dollar limit. Effective January 1, 2022, The Plan was restated and newly hired employees are automatically enrolled in the Plan the first of the month after their date of hire, unless they elect otherwise, at an automatic enrollment rate of 6%. The Plan provides for automatic increases in active participant’s deferral contributions, unless affirmatively elected otherwise, by 1% annually (limited to 15% of eligible compensation). The Company matches 75% up to 7% of the participant’s elective deferrals for a maximum company match contribution of 5.25% of pay.

Vesting

Participants are immediately and fully vested in all participant contributions and earnings thereon. Vesting in the Company’s employer matching and non-elective employer contributions plus actual earnings thereon are 100% vested after one year of eligible service.

Participant Accounts

Each participant’s account is increased, or decreased as appropriate, with (a) the participant’s contribution, (b) the Company’s matching contribution, (c) net investment earnings based on the participant’s account balance and composition, (d) administrative expenses, (e) loan disbursements and repayments, and (f) distributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options

Participants direct the investment of their contributions in various investment options offered by the Plan.

SEQUOIA FINANCIAL GROUP, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Rollovers

Participants may transfer eligible cash distributions from eligible qualified plans attributable to eligible rollover distributions. This amount shall be credited to the participant's rollover contributions account within the Plan.

Participant Notes Receivable

The Plan allows participants to apply for and obtain, from the balance of the participant's account, notes in an amount of no less than \$1,000 and limited to 50 percent of the participant's vested account balance provided such notes do not exceed \$50,000. The notes are secured by the balance in the participant's account and bear interest at Prime plus one percent at the time of the note. Payments of principal and interest are paid through payroll deductions and credited to the participant's account.

Payments of Benefits

Upon termination of service due to death, disability, or retirement, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Distributions may be made in the form of a direct rollover or lump-sum cash distribution. Participants may also withdraw amounts from their accounts under certain hardship conditions as defined in the Plan Document.

Administrative Expenses

The Plan pays expenses incurred in the administration of the Plan, unless paid by the Company. Expenses paid to Charles Schwab (the "Custodian") are accounted for as a reduction in investment earnings. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Allocation of Forfeitures

The non-vested portion of employer contributions for all terminated employees are used to reduce Company contributions or to pay Plan expenses. There were no forfeitures used by the Plan during the year ended December 31, 2022. Forfeited non-vested accounts to be used to reduce Company obligations to the Plan in future years as of December 31, 2022 and 2021, were and \$13,535 and \$3,073, respectively.

Plan Termination

Although it has not expressed any intent to terminate the Plan, the Company has the right to do so at any time subject to the provisions of ERISA. In the event of termination, the accounts of the participants will be distributed in a manner determined by the Plan Administrator and in accordance with the provisions of the Plan.

SEQUOIA FINANCIAL GROUP, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2022 and 2021.

Investment income consists of interest and dividend income. The net appreciation (depreciation) in the fair value of investments consists of realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Income Taxes

Under the Income Taxes Topic of the Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC"), the Sponsors are required to identify potential uncertain tax positions taken, assess and quantify those positions and record reserves. As of and for the years ended December 31, 2022 and 2021, the Sponsors have identified no uncertain tax positions. The Plan files the United States Federal Form 5500 annually.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.

NOTE 3 – SUMMARY OF FINANCIAL DATA CERTIFIED BY CUSTODIAN (UNAUDITED)

The following is a summary of unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by the Custodian as of and for the years ended December 31, 2022 and 2021, and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the Custodian as of December 31, 2022 and 2021 and for the year ended December 31, 2022, that such information is complete and accurate:

	2022	2021
Investments, at fair value	\$ 17,265,082	\$ 15,401,322
Notes receivable from participants	\$ 176,787	\$ 157,029
Interest on notes receivable from participants	\$ 7,045	N/A
Interest and dividend income	\$ 521,210	N/A
Net depreciation in fair value of investments.	\$ (3,216,178)	N/A

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are participant-directed accounts that are held by the Custodian.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

Assets measured at fair value on a recurring basis as of December 31, 2022 and 2021 are as follows:

- Money market funds: Valued at the closing price reported on the active market on which the individual funds are traded and at the accumulated unit value of shares (amortized cost) held by the Plan at year end.
- Mutual funds: Valued at the closing price reported on the active market on which the individual funds are traded.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

The methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

		December 31, 2022	
		Level 1	Total
Money market funds		\$ 226,889	\$ 226,889
Mutual funds		\$ 17,038,193	\$ 17,038,193
		<u>\$ 17,265,082</u>	<u>\$ 17,265,082</u>

		December 31, 2021	
		Level 1	Total
Money market funds		\$ 429,798	\$ 429,798
Mutual funds		\$ 14,971,524	\$ 14,971,524
		<u>\$ 15,401,322</u>	<u>\$ 15,401,322</u>

NOTE 5 – TAX STATUS OF THE PLAN

The Plan, an adopted prototype plan, obtained its determination letter dated September 21, 2020, in which the Internal Revenue Service stated that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Internal Revenue Code ("IRC"). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan Administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Custodian serves as the fund manager for a portion of the Plan assets. Custodian's administrative expenses paid by the Plan amounted to \$58,449 for the year ended December 31, 2022, respectively. These transactions are considered party-in-interest transactions.
