INDEPENDENT AUDITORS' REPORT

To the Participants of
Donelan's Savings & Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Donelan's Savings & Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Donelan's Savings & Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Donelan's Savings & Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Donelan's Savings & Investment Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Donelan's Savings & Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Donelan's Savings & Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DONELAN'S SAVINGS & INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Donelan's Savings & Investment Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions:

General

Donelan's Supermarkets, Inc. (the Company/Plan Sponsor) established the Plan, a 401(k) profit sharing plan, for the benefit of its eligible employees and their beneficiaries. Donelan's Supermarkets, Inc. is the Plan Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan adopted the Great-West Trust Company Defined Contribution Prototype Plan and Trust. Great-West Trust Company, LLC (Great-West Trust) serves as Custodian, Great-West Life & Annuity Insurance Company (Great-West) serves as record keeper and Custodian. Great-West Trust serves as nondiscretionary Trustee of the Plan.

The Plan Sponsor adopted the Participant Advisory Services program (PAS). PAS is facilitated by Advised Assets Group, LLC (AAG), an affiliate of Great-West. PAS is a suite of services including online investment guidance, online investment advice and a discretionary managed account service. There are no fees for the online investment guidance and a flat fee is assessed for the online investment advice. For the managed account program an asset based fee is assessed. Participants are automatically enrolled in the managed account program and must opt out to invest in any of the active accounts, and may change such investment election at any time during the plan year.

Participation

The Plan includes all employees of the Company who have attained age twenty-one and have completed one year of service. The Plan entry dates are monthly. Eligible employees electing to be participants contribute to the Plan through payroll deductions at a specified percentage of their compensation as defined in the Plan.

The Plan permits catch-up contributions for eligible participants who are 50 years or older by the end of the calendar year and who are currently making deferral contributions.

The Plan has a qualified after-tax Roth contribution program. Under the program, participants may elect to treat all or a portion of compensation that would otherwise be eligible to defer as pretax contributions, as designated after-tax Roth contributions as defined in Section 402A(c)(1) of the Internal Revenue Code.

1. DESCRIPTION OF PLAN (Continued)

Contributions

Company contributions to the Plan are based on participants' pretax contribution percentages, at a rate determined at the discretion of the Company. There was no employer match during the year ended December 31, 2022.

Other Income

In 2022, the Plan received other income from Great-West of \$5,691 that was deposited into a plan expense account and held as an asset of the Plan. Other income is excess revenue generated by the Plan through fund revenue or plan fees.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution (b) an allocation of the Company's contribution and (c) plan earnings based on participant's account balances. Investment fund management fees are also charged and reduce participant investment return.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant is 100% vested after six years of credited service. Credited service is defined as a participant completing at least 1,000 hours of service in the plan year.

Forfeitures

Upon termination, any portion of a participant's account which is less than 100% vested is forfeited. Forfeitures are used to either (a) pay plan expenses or (b) reduce future employer contributions to the Plan. For the year ended December 31, 2022, no forfeitures were used to reduce employer contributions.

Payment of Benefits

Benefits are payable to eligible participants upon disability, death, early retirement, normal retirement at or after age 65, or termination of employment.

Benefit payments are made in a single lump sum payment, except for required minimum distributions which must commence no later than the attainment of age 72 and are made in installments.

In-Service Withdrawals

Participants may withdraw funds upon certain hardship situations defined in the Plan or upon attainment of age 59-1/2.

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to the lesser of (a) 50% of their vested balance or (b) \$50,000. In addition, the amount available to the participant will be reduced by the greatest outstanding loan balance within the previous 12 months. Loans are secured by the balance in the participant's account and due over a maximum of five years and bear a reasonable interest rate. Loans used to purchase a principal residence may extend beyond five years but not beyond a repayment period consistent with commercial practices.

Plan Administration

Certain administrative functions are performed by officers and employees of the Plan Sponsor; none of whom receives any compensation from the Plan for these services.

Administrative Expenses

Administrative expenses consist of (a) managed account fees charged to participants and (b) administrative fees paid from the plan expense account held within the Plan. In the event the plan expense account is not sufficient to cover these fees, the Plan Sponsor will absorb such fees. For the year ended December 31, 2022, managed account fees were \$38,241 and administrative fees were \$21,589.

All other administrative costs not paid by the Plan are absorbed by the Plan Sponsor.

Plan Amendment and Termination

The Plan may be amended at any time by the Board of Directors of the Company, provided that no such amendment may deprive participants of their vested benefits.

In the event of termination of the Plan, the participant accounts would become fully vested and the assets would be distributed to participants in accordance with the terms set forth in the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events Review

In preparing the Plan's financial statements, the plan administrator has evaluated events and transactions for potential recognition or disclosure through September 26, 2023, the date the financial statements were available to be issued.

Investment Valuation, Methodologies and Income Recognition

The Key Guaranteed Portfolio Fund with Great-West is a fixed annuity and is valued at fair market value. Fair market value is calculated using a discounted cash flow valuation methodology where the interest rate is reset at least as frequently as annually. The average yield earned by the fund in 2022 and 2021 was .93% and .90%, respectively.

The common/collective trust funds are valued at fair value using the net asset value (NAV) practical expedient which in turn is based on the NAV of the underlying Portfolios in which the funds will invest. The NAV is determined by the total value of its assets, less liabilities, divided by the number of outstanding units. The Portfolios value its investments for which market quotations are readily available at fair value and value its short-term investments that will mature within 60 days at amortized cost, which approximates fair value. Redemptions will be accepted on a daily basis and units will be credited upon the NAV per unit as of close of business. Withdrawals will be permitted daily for the funds and underlying Portfolios at a redemption price equal to the NAV per unit redeemed.

The common/collective trust funds are as follows:

The Putnam Retirement Advantage Trust Maturity Fund invests 94% in Putnam GAA Multi-Asset Income Portfolio and 6% in Putnam Stable Value Fund. The Income Portfolio invests in a combination of bonds and common stocks of U.S. and non-U.S. companies. The Income Portfolio buys fixed-income investments, including U.S. and foreign government obligation, corporate obligations and securitized debt instruments, with short-to-long term maturities that are either investment grade or below investment grade in quality. It invests in stocks that are believed to offer the potential for current income and capital growth. The strategic fixed-income allocation ranges from 50% to 95%, with the balance invested in equity investments. The Income Portfolio may also select other investments that do not fall within these asset classes. The Stable Value Fund's goal is to preserve principal and achieve high current income through a diversified portfolio of high-quality investment contracts. The Fund invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions. The Stable Fund invests up to 75% of its assets in security-backed investment contracts and at least 5% of its assets in high-quality money market instruments, cash, cash equivalents and stable value funds.

The Putnam Retirement Advantage 2035 Fund invests in 10.6% of the Putnam GAA Growth Portfolio, 85.2% of the Putnam GAA Balanced Portfolio and 4.2% of the Putnam Stable Fund. The Growth Portfolio invests in U.S. and International stocks and bonds, the Balance Portfolio invests in stocks and bonds and the Stable Fund invests in high quality investment contracts and similar contracts issued by insurance companies, banks and other financial institutions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The mutual funds are valued at fair value. Shares are valued based on quoted market prices in an active market, which represent the net asset values of shares held by the Plan at year end. Unrealized appreciation or depreciation resulting from market changes is added to, or subtracted from, net assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis as earned. Dividend income is recorded on the ex-dividend date.

Fair Value Measurements

The Plan adopted the provisions of accounting standards regarding fair value measurement. The standard defines fair value, establishes a framework for measuring fair value under current accounting pronouncements that require or permit fair value measurement and enhances disclosures about fair value measurements. Under the standard, fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

In accordance with the standard, the fair value measurements are classified and disclosed in one of the following three categories:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical assets or liabilities as of the reporting date;

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes Receivable from Participants

Notes receivable from participants are loans valued at their unpaid principal balances plus any accrued but unpaid interest.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risk and Uncertainties

The Plan invests in various securities including Separate Accounts and a Guaranteed Interest Account. Investment securities are exposed to various risks, such as interest rate and credit risks and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect the amounts reported in the financial statements.

Benefit Payments

Benefit payments are recorded when paid.

3. FAIR VALUE MEASUREMENT

The Plan's investments, carried at fair value on a recurring basis by the fair value hierarchy levels described in Note 2, consisted of the following at December 31, 2022 and 2021, with the exception of the common/collective trust funds measured at fair value using the NAV practical expedient. The fair value for the common/collective trust funds are provided below to permit reconciliation of the fair value hierarchy to the amount presented in the Statement of Net Assets Available for Benefits.

	<u>Total Fair Value</u>	
	<u>2022</u>	<u>2021</u>
Mutual funds (Level 1)	\$6,777,517	\$ 8,150,595
Guaranteed interest account (Level 2)	893,116	1,934,923
Common/collective trust funds (measured at net asset value)	<u>14,569</u>	<u>23,976</u>
Total investments	<u>\$7,685,202</u>	<u>\$10,109,494</u>

4. INCOME TAX STATUS

The Plan was adopted in the form of a prototype plan sponsored by Great-West Trust Company, LLC that received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the Plan is qualified in accordance with applicable sections of the Internal Revenue Code (IRC). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications.

Accounting standards require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments represent funds managed by Great-West and Great-West Trust, the Custodians of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions.

6. INFORMATION CERTIFIED BY CUSTODIAN (Unaudited)

The following is a summary of the unaudited information included in the Plan's financial statements that was prepared by Great-West Trust and Great-West, Custodians of the Plan, and furnished to the plan administrator. The plan administrator has obtained certification from the Custodians that such information is complete and accurate:
