INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
DynaFire, LLC 401(k) P/S Plan (Formerly DynaFire, Inc. 401(k) P/S Plan):

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DynaFire, LLC 401(k) P/S Plan (formerly DynaFire, Inc. 401(k) P/S Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DynaFire, LLC 401(k) P/S Plan's (formerly DynaFire, Inc. 401(k) P/S Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on the audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DynaFire, LLC 401(k) P/S Plan (formerly DynaFire, Inc. 401(k) P/S Plan) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management of the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the DynaFire, LLC 401(k) P/S Plan's (formerly DynaFire, Inc. 401(k) P/S Plan) ability to continue as a going concern within one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DynaFire, LLC 401(k) P/S Plan's (formerly DynaFire, Inc. 401(k) P/S Plan) internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the DynaFire, LLC 401(K) P/S Plan's (formerly DynaFire, Inc. 401(k) P/S Plan) ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

General

DynaFire, LLC 401(k) P/S Plan (formerly DynaFire, Inc. 401(k) P/S Plan) (the "Plan") was established as of January 1, 2016. It is a defined contribution plan, established in accordance with the provisions of the Internal Revenue Code ("IRC"). Effective September 22, 2022, the Plan was amended and restated, and the name of the Plan changed to DynaFire, LLC 401(k) P/S Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The purpose of the Plan is to enable eligible employees to save for retirement. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Administration of the Plan

DynaFire, LLC (formerly DynaFire, Inc.) (the "Company" or "Plan Administrator") is responsible for providing the participants and their beneficiaries with information about their rights and benefits under the Plan.

Eligibility

The Plan covers all eligible employees of the Company. Employees can enter the Plan after completion of one year of service and attaining 18 years of age. Participants may enter the Plan on the first day of the quarter following meeting the eligibility requirements.

Contributions

Participants may contribute to the Plan a percentage of their annual pre-tax compensation, up to the Internal Revenue Service ("IRS") maximum allowance of \$20,500 in 2022. Certain eligible participants (age 50 and older) can contribute an additional \$6,500, as a catch-up contribution, resulting in total pre-tax contributions of \$27,000 for 2022. Participants may also contribute after-tax Roth contributions, and amounts representing distributions from other qualified plans, as defined in the Plan's provisions (rollover contributions).

The Company may provide a matching contribution of a discretionary percentage of the employee deferrals as determined by the Company each year. The Plan also allows for the Company to make a discretionary profit-sharing contribution. The Company elected to provide matching contributions at 100% of employee deferrals up to 1% of employee compensation plus 50% of employee deferrals from 2% to 6% of employee compensation for the year ended December 31, 2022. The Company elected not to provide a discretionary profit-sharing contribution for the year ended December 31, 2022.

Investment Options

Participants direct the investment of their contributions and employer contributions into the investment options offered by the Plan. Participants may change their investment options at any time.

Vesting

Participants are vested immediately in their salary deferrals, including Roth deferrals and catch-up contributions. Company contributions vest according to the following:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than two	0%
Two but less than Three	20%
Three but less than Four	40%
Four but less than Five	60%
Five but less than Six	80%
Six or more	100%

Upon death, disability or normal retirement, participants become 100% vested in all employer contributions.

(Formerly DynaFire, Inc. 401(k) P/S Plan)
Notes to Financial Statements
December 31, 2022 and 2021**

Notes Receivable from Participants

Participants are allowed to borrow up to one loan at a time from their accounts in an amount equal to but no less than \$1,000 and no greater than \$50,000, or 50% of the participant's vested balance, reduced by the highest outstanding loan balance in the previous 12 months. The loans bear interest, and principal and interest are repaid ratably through payroll deductions. The loans generally bear interest at the prime rate at the time of the loan plus one percentage point. General purpose loans must be repaid within five years, and loans used to purchase a primary residence may be paid over a longer period of time subject to the provisions of the Internal Revenue Code. There were no outstanding notes receivables as of December 31, 2022.

Forfeited Accounts

Forfeitures of nonvested employer contributions of terminated participants can be used to reduce employer contributions or to pay administrative expenses of the Plan. As of December 31, 2022 and 2021, there were forfeited non-vested accounts totaling \$19,568 and \$11,001 respectively. The Company used \$300 of forfeitures to pay administrative expenses for Plan year ended December 31, 2022.

Payment of Benefits

Upon termination of employment, death, retirement, or disability, a participant or his or her beneficiary is entitled to receive the vested amount allocated to the participant's account as a lump sum. If the value of a participant's vested benefit is \$5,000 or less, the balance will be distributed automatically to the participant. In-service withdrawals are permitted for participants who have attained the age of 59½ years or for financial hardship.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments.

Participant Accounts

Each participant's account is credited with the participant's contributions, their respective share of the Company's contributions and Plan earnings and is charged with an allocation of administrative expenses and Plan losses, and the participant's distributions, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities, and additions and deductions to net assets available for benefits as of the date of the financial statements. Actual results may differ from those estimates.

Notes to Financial Statements
December 31, 2022 and 2021**

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value.

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded when earned. Net appreciation and depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits paid to Plan participants are recorded when paid.

Subsequent Events

Plan management has evaluated subsequent events through October 6, 2023, the date which the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred, which require adjustment to or disclosure in the financial statements.

3. SUMMARY OF INFORMATION CERTIFIED BY THE PLAN TRUSTEES

No auditing procedures were performed by the independent auditor with respect to the information certified as complete and accurate by Empower Trust Company, LLC and empower Annuity Insurance Company of America (collectively "Empower"), the Plan trustees, except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the trustees, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectable, as defined by ERISA as of December 31, 2022 and 2021. Accordingly, the trustees of the Plan assets have certified the completeness and accuracy of:

- Investments on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 as well as the supplemental schedule of assets (held at end of year) as of December 31, 2022.
- Net depreciation and dividends and interest reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**DynaFire, LLC 401(k) P/S Plan
(Formerly DynaFire, Inc. 401(k) P/S Plan)
Notes to Financial Statements
December 31, 2022 and 2021**

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used during the years ended December 31, 2022 and 2021:

Registered investment companies: Valued at the daily closing price. Funds held by the Plan are registered with the Securities and Exchange Commission and are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investment assets measured at fair value as of December 31, 2022 and 2021, are comprised of registered investment companies and are valued using Level 1 inputs.

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan has a fully benefit-responsive investment contract in the form of a group annuity contract with Empower Annuity Insurance Company of America that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The group annuity contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the insurance company but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the product will be established based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions.

**DynaFire, LLC 401(k) P/S Plan
(Formerly DynaFire, Inc. 401(k) P/S Plan)
Notes to Financial Statements
December 31, 2022 and 2021**

The Plan's ability to receive amounts due in accordance with the group annuity contract is dependent on the insurance company's ability to meet its financial obligations. The insurance company's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the Plan's ability to transact at contract value. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance company may not terminate the contract at any amount less than contract value.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are issued and/or managed by Empower, who also acts as the trustee of the Plan. These transactions qualify as party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all employer contributions.

8. TAX STATUS

The Plan adopted the non-standardized prototype profit sharing plan of Great-West Trust Company, LLC for which the Internal Revenue Service determined and informed the sponsoring organization by a letter dated June 30, 2020, that the Plan and related trust are designed in compliance with applicable sections of the Internal Revenue Code ("IRC"), and that employers adopting the non-standardized prototype profit sharing plan could rely on such determination. Although the Plan has been amended since receiving the advisory letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management has evaluated tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Furthermore, there are no tax related interest or penalties for the periods presented in these financial statements.

9. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which are exposed to various risks such as interest rate, overall market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. PROHIBITED TRANSACTIONS

During 2022 and 2021, the Company inadvertently failed to deposit \$109,137 and \$560,856, respectively, of participant deferrals within the required timeframe as stated by the United States Department of Labor ("DOL"). The DOL considers late deposits to be prohibited transactions. The Plan Sponsor contributed the 2021 lost earnings during the 2022 Plan year and the 2022 lost earnings during the 2023 Plan year.
