INDEPENDENT AUDITORS' REPORT

**To the Plan Administrator of
Rowman & Littlefield Publishing Group, Inc. 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rowman & Littlefield Publishing Group, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Rowman & Littlefield Publishing Group, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Rowman & Littlefield Publishing Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Rowman & Littlefield Publishing Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Rowman & Littlefield Publishing Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2022 and 2021**

1. Description of Plan

The following description of Rowman & Littlefield Publishing Group, Inc. (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan was established June 1, 1985, and was most recently amended and restated effective February 1, 2021 without significant changes to plan provisions. The Plan is a defined contribution plan covering all employees of the Company who have met the service requirements and are age 21 or older. A committee, composed of members from the Company's management team, is responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment options and monitoring investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees who have reached the age of 21 may contribute to the Plan beginning on the first day of the quarter following six months of service. However, participants must meet a one-year service requirement before becoming eligible for discretionary or employer matching contributions. Further, to be eligible to receive employer discretionary contributions, participants must be employed by Rowman as of the last day of the plan year.

Participant Contributions

The maximum participant contribution is the amount that is imposed as a limit by the Internal Revenue Code (the IRC). The annual compensation of each employee taken into account under the Plan cannot exceed the annual compensation limit, which is adjusted annually for the cost of living in compliance with the IRC. Qualified distributions from other qualified retirement plans can also be contributed to the Plan and are retained as rollover contributions.

Employer Contributions

The Company contributes to the Plan through matching contributions and may also make discretionary nonelective contributions. The Company's matching contribution is 50 cents for each dollar contributed by the participant, up to 6% of compensation. The employer may make a discretionary matching contribution equal to a uniform percentage or dollar amount of participants' elective deferrals. For the 2022 and 2021 plan years, no discretionary contributions were made by the Company.

Participant Accounts

Individual accounts are maintained for each participant of the Plan. Each participant account is credited with the participant's contribution and Plan's earnings. Participant accounts are also charged with withdrawals and any allocation of plan losses and administrative expenses. Allocations are based on the participant's earnings or account balances. Earnings are

1. Description of Plan (continued)

Participant Accounts (continued)

allocated by fund based on the ratio of a participant's account balance in a particular fund to all participants' account balances in that fund. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Participants may change their investment elections and their total contribution percentage at any time.

Investment Elections

The Plan allows participants to direct their contributions among different types of mutual funds and a common/collective trust. The Plan also offers a self-directed brokerage option that allows participants to invest their account balance in any investment desired, within certain limitations.

Vesting

Participants are immediately 100% vested in their salary deferral and rollover contributions. Vesting in the Company's contributions is based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Forfeitures

Terminating participants forfeit nonvested Company contributions. Forfeitures either are used to reduce the employer matching contribution or are added to the employer's discretionary contribution. Forfeitures are first used to pay plan administrative expenses, and the remaining forfeitures will be used to offset any employer contributions. The amounts forfeited were \$9,887 and \$1,041 during 2022 and 2021, respectively. Forfeitures totaling \$8,630 were used to reduce employer matching contributions for the year ended December 31, 2022. The forfeiture account had a balance of \$2,687 and \$1,041 as of December 31, 2022 and 2021.

Distributions to Participants

Amounts credited to an individual participant's account are eligible for distribution upon termination of employment, retirement, death or disability – generally as a lump sum or in installments – and are recorded as benefits paid to participants in the accompanying statements of changes in net assets available for benefits. The normal retirement age is 62;

Distributions to Participants (continued)

however, distributions may be deferred to the participant's last day of employment or may be withdrawn from any account that is 100% vested at the early retirement age of 59½. If the value of the distribution exceeds \$5,000, the distribution due to termination or disability may be deferred until the participant reaches normal retirement age.

The Plan adopted the provisions of the CARES Act, impacting the default provisions of the Plan. The key CARES Act provisions adopted by the Plan, which are available to participants impacted by COVID-19, include COVID-19 related hardship distributions up to \$100,000, which exclude federal withholding and are taxable over a three-year period, unless repaid by the participant over that period.

Notes Receivable from Participants

The Plan allows participants to borrow against their account balances, subject to limitations. The Plan allows only one outstanding loan per participant up to a maximum of the lesser of \$50,000 or 50% of the participant's vested balance. The Plan adopted the provisions of the CARES Act, impacting the default provisions of the Plan. The key CARES Act provisions adopted by the Plan, which are available to participants impacted by COVID-19, include an increased participant loan threshold of the lesser of \$100,000 or 100% of the value of the participant's vested account, as well as a one-year deferral of certain loan repayments. Participant loans require periodic payments and have terms of up to 60 months. Interest rate on the loan will be a reasonable rate of interest to be determined based on current interest rates charged by persons in the business of lending money for similar loans at the time the loan is made. At December 31, 2022 and 2021, all loans bore interest ranging from 4.25% to 8.00%. Loan fees paid by participants include a loan application fee and an annual processing fee.

Administrative Expenses

The Company may pay the Plan's expenses at its discretion. Any expenses not paid by the Company will be paid from the Plan's assets.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded in the period earned. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

2. Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

Payment of Benefits

Benefits and other distributions are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

3. Investment Information Certified by the Plan's Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net (depreciation) appreciation in fair value of investments, interest and dividends, and interest income from participant notes receivable for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank (Charles Schwab) (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

The following table summarizes the information included in the Plan's financial statements, which was prepared and certified by the trustee as of and for the years ended December 31, 2022 and 2021, and furnished to the plan administrator.

	<u>2022</u>	<u>2021</u>

4. Fair Value Measurement

In accordance with the accounting standards for fair value measurement for those assets and liabilities that are measured at fair value on a recurring basis, the Plan has categorized its applicable financial instruments into a required fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest-level input that is significant to the fair value measurement of the instrument.

Applicable financial assets and liabilities are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Inputs based on quoted prices (unadjusted) in active markets for identical assets or liabilities accessible at the measurement date.

Level 2 – Inputs based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly, for substantially the full term of the asset or liability, such as quoted prices for similar assets or liabilities in active markets.

Level 3 – Unobservable inputs for the asset or liability, including the reporting entity's own assumptions in determining the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2022 and 2021:

<u>2022</u>	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	<u>\$ 20,436,786</u>	<u>\$ 20,436,786</u>	<u>\$ -</u>	<u>\$ -</u>
Total Assets in the Fair Value Hierarchy	20,436,786	<u><u>\$ 20,436,786</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>
Investments measured at net asset value	<u>999,264</u>

4. Fair Value Measurement (continued)

2021	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	<u>\$27,584,971</u>	<u>\$27,584,971</u>	<u>\$ -</u>	<u>\$ -</u>
Total Assets in the Fair Value Hierarchy	27,584,971	<u>\$27,584,971</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value	<u>1,069,458</u>			
Investments at Fair Value	<u>\$28,654,429</u>			

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds – Valued at the daily closing price as reported by the mutual fund. These funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These mutual funds held by the Plan are deemed to be actively traded.

Common collective trust – The fair value of participation units held in the Capital Preservation Fund (the Fund), a common collective trust, is based on NAV, as reported by the manager of the common collective trust and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date.

The fair value of investments within the scope of Financial Accounting Services Board Accounting Standards Update 2009-12, *Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, can be determined using the NAV per share as a practical expedient when the fair value is not readily determinable, unless it is probable that the investment will be sold at something other than NAV.

The table below details the Plan's ability to redeem investments valued at NAV, or its equivalent, as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

PUBLISHING GROUP, INC. 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2022 and 2021**

4. Fair Value Measurement (continued)

	<u>Fair Value</u>		<u>Unfunded Commitments</u>	<u>Redemption Frequency If Currently Eligible</u>	<u>Redemption Notice Period</u>
	<u>2022</u>	<u>2021</u>			
Common/ Collective Trust	\$ 999,264	\$ 1,069,458	\$ -	Daily	12 months

The Fund is a common collective trust that seeks stability of principal and high current income. The Fund invests primarily in stable value products, including guaranteed investment contracts (traditional GICs), separate account guaranteed investment contracts (separate account GICs) and synthetic guaranteed investment contracts (synthetic GICs) issued by major insurance companies.

5. Income Tax Status

The plan administrator is currently not required to submit the plan to the Internal Revenue Service (IRS) for determination as it is a Non-standardized Pre-Approved Profit Sharing Plan per opinion letter dated September 21, 2020. The plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there was no uncertainty in income taxes taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. As of December 31, 2022, the statute of limitations remained open with the U.S. federal jurisdiction in which the Plan files tax returns; however, there are currently no examinations in progress. It is the Plan's policy to recognize interest and/or penalties related to uncertainty in income taxes, if any, in income tax expense. As of December 31, 2022 and 2021, the Plan had no accruals for interest and/or penalties.

6. Plan Termination

The Company has the right under the Plan to discontinue its employer contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts. However, there is no present intention to terminate the Plan.

**ROWMAN & LITTLEFIELD
PUBLISHING GROUP, INC. 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2022 and 2021**

7. Party-in-Interest Transactions

During 2022 and 2021, the Plan paid investment management fees in the amounts of \$34,483 and \$23,062, respectively. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan for performing these functions. The Plan's investment options are composed of funds sponsored by the trustee. Transactions involving these investments are considered party-in-interest transactions for which a statutory exemption exists. The Plan extends loans to participants who are considered parties-in-interest, therefore, these transactions qualify as party-in-interest transactions.

8. Delinquent Participant Contributions

The Company determined that certain remittances of employee deferrals and loan repayments made during 2019 and 2018 of \$39,639 and \$41,549, respectively, were not made timely in accordance with DOL guidelines. The Company has decided to categorize the remittances in question as delinquent participant contributions. All remittances that required correction subsequent to year end are included on the schedule of delinquent participant contributions in the supplemental schedule to the financial statements. The plan administrator is in the process of correcting the delinquent participant contributions for the years ended December 31, 2019 and 2018, respectively, in accordance with applicable correction procedures.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Subsequent Events

In preparing the financial statements, the Plan has evaluated for potential recognition or disclosure, events and transactions, through October 11, 2023, the date the financial statements were available to be issued. In March 2023, the Company made correcting contributions related to the delinquent participant contributions from Note 8, and the correction was accepted by the Department of Labor on May 17, 2023. Except for the matter noted above, there were no subsequent events that require recognition or disclosure in these financial statements.
