Independent Auditor's Report

To the Participants and Administrative Committee of the
Kaydon Employee Earnings Plan
Canton, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kaydon Employee Earnings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kaydon Employee Earnings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kaydon Employee Earnings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kaydon Employee Earnings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kaydon Employee Earnings Plan Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kaydon Employee Earnings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of year is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KAYDON EMPLOYEE EARNINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note A: PLAN DESCRIPTION

The following description of Kaydon Employee Earnings Plan (the "Plan") provides only general information. Participants should refer to the Plan document and trust agreements for a more complete description of the Plan's provisions.

General: The Plan originated in January, 2006 and is a defined contribution plan which incorporates the provision of Section 401(K) of the Internal Revenue Code. The Plan covers all employees who meet the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for more complete information. On April 29, 2010, the Board of Directors voted to change the name of the Plan from Florence Electric, LLC 401(K) Plan to Kaydon Employee Earnings Plan effective June 1, 2010.

Contributions: Each year, participants may elect to defer pretax annual compensation, as defined in the Plan, up to the maximum allowed by the Internal Revenue Service. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distribution from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may elect to make matching contributions equal to 50% of the lesser of the participant's elective deferrals or 5% of the participant's eligible salary for employees who have signed a contract to remain with the Company, 4% of the participant's eligible salary for licensed electricians or 3% of the participant's eligible salary for unlicensed electricians. In addition, the Company may elect to make discretionary profit-sharing and qualified non-elective contributions. The qualified non-elective contributions may represent an amount necessary to meet the Company's requirements under an applicable prevailing wage statute. The matching and discretionary contributions are invested according to the participant's elected investment options.

KAYDON EMPLOYEE EARNINGS PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022 AND 2021

Note A: PLAN DESCRIPTION - CONTINUED

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of a) the Company's contributions, b) Plan earnings, and c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Vesting: Participants are immediately vested in their contributions and qualified non-elective contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants vest 20% after one year of service and 20% each subsequent year until 100% vested.

Investment Options: Upon enrollment in the Plan, a participant may direct employee contributions in any one of various investment options chosen by the committee, as listed in the financial statements.

Notes Receivable from Participants: Eligible employees are allowed to apply for loans against a portion of their vested interest in the Plan. A participant may not request a loan for less than \$1,000. Loans are limited to the lesser of \$50,000 or 50% of the participant's vested account balance. A participant may not have more than one loan outstanding at any time and must obtain consent of their spouse, if any, in order to obtain a loan. Interest is charged to the participant's outstanding loan balance at a market rate adjusted annually.

Principal and interest are paid ratably through monthly payroll deductions. All loans must be repaid over a period not extending beyond five years from the date of the loan, unless used to acquire the participant's principal residence.

KAYDON EMPLOYEE EARNINGS PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022 AND 2021

Note A: PLAN DESCRIPTION – CONTINUED

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Plan Termination: The Company expects to continue the Plan indefinitely but reserves the right to amend or terminate the Plan at any time. In the event of a partial or complete termination of the Plan, each participant's account becomes fully vested.

Forfeited Accounts: Forfeited participant balances were \$8,765 and \$8,122 at December 31, 2022 and 2021, respectively. Each Plan year, the administrator may elect to first use all or any portion of the forfeiture account to pay administrative costs of the Plan or to restore previously forfeited account balances. Any forfeitures not used to pay administrative costs or restore previously forfeited accounts, will be used to reduce Company contributions.

Note B: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting in conformity with generally accepted accounting principles.

Net Change in Fair Value of Investments: The Plan presents in the statement of changes in net assets available for benefits, the net change in the fair value of the investments, which consists of the realized gains or losses and the net unrealized increase (decrease) on those investments.

New Accounting Pronouncements: The Plan has considered all new accounting pronouncements issued by the Financial Accounting Standards Board or other standards setting bodies that do not require adoption until a future date and concluded that such pronouncements are not expected to have a material impact on the Plan's financial statements.

Note B: SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The pooled separate accounts and shares of registered investment companies are valued using the methodology described in Note D.

Purchases and sales of shares of mutual funds are recorded on the trade-date basis. The net appreciation (depreciation) in fair value of investment securities consists of the net change in unrealized appreciation (depreciation) and realized gains (losses) upon sale of investments. The net change in unrealized appreciation (depreciation) and realized gains (losses) upon sale are determined using the fair values as of the beginning of the year or the purchase price, if acquired since that date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Cash Investments: At December 31, 2022 and 2021, cash is comprised of a Money Market Trust and is accounted for at fair market value.

Notes Receivable from Participants: Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Expenses of the Plan: Expenses incurred in the administration of the Plan are paid by the Plan administrator or from Plan assets.

Reclassification: Certain amounts in the Plan year 2021 financial statements have been reclassified to conform to the Plan year 2022 presentation, with no effect on the net assets available for benefits.

Note B: SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risk and Uncertainties: The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Market values of investments could decline for several reasons including changes in prevailing markets and interest rates, increases in defaults, and credit rating downgrades.

Subsequent Events: The Company evaluated subsequent events through October 10, 2023 the date the financial statements were available to be issued.

Note C: SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE - (UNAUDITED)

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note C: SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE - (UNAUDITED) – CONTINUED

The investment income reported in the *statement of changes in net assets available for benefits* for the year ended December 31, 2022 was certified by John Hancock Insurance Company.

In addition, the notes receivable from participants in the statements of net assets available for benefits at December 31, 2022 and 2021 was certified by John Hancock Insurance Company.

During the year ended December 31, 2022, the Plan's pooled separate account investments (including gains and losses on investments bought and sold, as well as held during the year), depreciated in value by \$2,341,454.

Note D: FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs are based on quoted prices in markets that are not considered to be active for which all significant inputs are observable, either directly or indirectly. Level 3 valuations require inputs that are both significant and unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures the fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements:

The fair value of cash investments at December 31, 2022 are based on quoted net asset values of shares held by the Plan at year end. The fair value of mutual funds and cash investments at December 31, 2021 are based on quoted net asset values of shares held by the Plan at year end.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022 AND 2021

Note D: FAIR VALUE MEASUREMENTS – CONTINUED

Level 2 and 3 Fair Value Measurements:

At December 31, 2022 and 2021, there were no investments valued using this methodology.

Pooled Separate Accounts:

The pooled separate accounts ("PSAs") at December 31, 2022 consist of various investment options such as mutual funds, common stocks and short-term securities and are valued at the net asset value ("NAV") which is based on the market value of its underlying investments. While a majority of the underlying asset values are quoted prices, the NAV of the PSAs are not publicly quoted. NAV per share serves as a practical expedient to estimate the fair value of the PSAs. The Plan has concluded that the NAVs reported by the investment companies approximate the fair value of the investments.

The table below sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Fair Value at December 31, 2022			
	Total	Level 1	Level 2	Level 3
Investments measured at fair value subject to fair value leveling:				
Cash	\$ 15,299	<u>\$ 15,299</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at AUV (1)				
Pooled separate accounts		<u>\$11,412,506</u>		
Total investments measured at fair value		<u>\$11,427,805</u>

Note D: FAIR VALUE MEASUREMENTS – CONTINUED

	Fair Value at December 31, 2021							
Investments measured at fair value subject to fair value leveling:								
Cash	\$	6,563	<u>\$</u>	<u>6,563</u>	<u>\$</u>	<u>-</u>	<u>\$</u>	<u>-</u>
Investments measured at AUV (1)								
Pooled separate accounts			<u>\$13,806,275</u>					
Total investments measured at fair value			<u>\$13,812,838</u>					

(1) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been included in the fair value hierarchy. Accumulation unit value is equivalent to net asset value. The fair value amounts presented in this table are intended to permit reconciliation of the fair market hierarchy to line items presented in the statement of net assets available for Plan benefits. Accumulation unit value is the value of each unit of the pooled separate account that is invested in the underlying funds.

Note E: INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The trustees are not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2022, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by various regulatory authorities; however, there are currently no audits for any tax periods in progress.

Note F: PARTY-IN-INTEREST TRANSACTIONS

For the year ended December 31, 2022, certain Plan investments were managed by John Hancock Insurance Company. John Hancock Insurance Company is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$62,407 for the year ended December 31, 2022.

The Plan sponsor provides certain accounting, administrative and investment management services to the Plan for which no fees are charged.

Note G: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan years ended December 31, 2022 and 2021, the Plan sponsor inadvertently failed to remit participant contributions to the trustee on a timely basis as required by Department of Labor's Regulation paragraph 2510.3-102. The Company is in the process of filing IRS Form 5330 to report and pay an excise tax with respect to the 2022 late remittances as required pursuant to Section 4975 of the Internal Revenue Code. In addition, the Plan sponsor will pay an additional amount to the trustee to reflect foregone earnings that would have been credited to participants' accounts if the late remittances had been made on a timely basis. Such amounts are not material to the Plan's financial statements. During 2022, the Plan sponsor filed IRS Form 5330 to report and pay excise tax with respect to the 2021 late remittances due in the amount of \$400.
