## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of  
Stored Energy Holdings 401(k) Plan:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the financial statements of Stored Energy Holdings 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### *Opinion on the 2022 Financial Statements*

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***2022 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agree to, or are derived from, in all material respects, the information prepared and certified by a qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Other Matter – 2021 Financial Statements***

We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. # STORED ENERGY HOLDINGS 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2022 AND 2021

---

### 1. DESCRIPTION OF PLAN

The following description of Stored Energy Holdings 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General** – The Plan is a tax-exempt profit-sharing plan covering all eligible employees of Stored Energy Holdings, Inc. (the “Company”), as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator along with Company executives determine the appropriateness of the Plan’s investment offerings and monitor investment performance.

**Eligibility** – The Plan covers substantially all full-time employees of the Company unless they are covered under a collective bargaining agreement or are a non-resident alien. Employees must be at least 21 years of age and complete three months of service to participate in the Plan. Employees may enter the Plan at the beginning of the calendar month after meeting the eligibility requirement.

**Contributions** – The Plan allows each participant to contribute up to 100 percent of their eligible compensation, on a pre-tax or roth basis, in an amount not to exceed the dollar limit which is set by law. Participants who have attained age 50 before the end of the Plan year are eligible to make an additional “catch-up” contribution to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment for newly eligible participants without an existing affirmative election. Automatically enrolled participants have their deferral rate set at four percent of their eligible compensation, which is automatically increased on the first day of every subsequent plan year.

The Company makes a match contribution of fifty percent of participants’ contribution, up to a maximum of six percent of their total eligible compensation. Total employer match for the years ended December 31, 2022, and 2021 were \$143,907 and \$131,286, respectively.

**Participant accounts** – Each participant’s account is credited with the participant’s contributions, the Company’s contributions, and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting** – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contributions is as follows:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| Less than two           | 0%                        |
| Two                     | 20%                       |
| Three                   | 40%                       |
| Four                    | 60%                       |
| Five                    | 80%                       |
| Six                     | 100%                      |

## 1. DESCRIPTION OF PLAN (CONTINUED)

**Notes receivable from participants** – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balances. Loan terms range from 1 to 5 years or longer for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest as determined by the Plan Administrator based on prevailing market conditions at the time of the loan and fixed over the life of the loan. Principal and interest are paid ratably through payroll deductions.

**Payment of benefits** – On termination of service due to death, disability, retirement, or any other reason, participant may elect to receive a lump-sum amount equal to their vested account balance. In-service withdrawals from the participant's total vested account balance are permitted upon reaching age 59 1/2. Participants are entitled to receive hardship distributions under certain conditions defined in the Internal Revenue Code. Participants who terminate due to disability become fully vested in their account balance.

**Forfeitures** – Forfeiture accounts represent nonvested Company contributions forfeited by participants who terminate employment or withdraw from the Plan. Forfeitures are retained by the Plan and are used to reduce future employer contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$15,640 and \$3,108, respectively. During 2022, forfeited nonvested amounts of \$23,323 were used to reduce employer contributions.

**Administrative expenses** – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting** – The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition** – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator and Company executives determine the Plan's valuation policies utilizing information provided by investment advisers and the trustee. See Note 7 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Notes receivable from participants* – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are reclassified as distributions in accordance with the provisions of the Plan.

*Payment of benefits* – Benefits are recorded when paid.

## **3. PLAN TERMINATION**

The Company has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. At this time there is no intent to terminate the Plan. In the event of Plan termination, participants will become fully vested in their accounts.

## **4. PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee for the Plan and, therefore, these transactions qualify as party-in-interest transactions. These transactions, however, are exempt from being prohibited transactions under ERISA. Fees paid by the Plan for investment management services are included in net depreciation in fair value of investments. The trustee receives revenue from mutual fund providers for services the trustee provides to the funds. This revenue is used to offset certain amounts owed to the trustee for its administrative services to the Plan.

## **5. TAX STATUS**

The Plan uses a non-standardized pre-approved plan document written by Capital Group Retirement Plan Services. Capital Group Retirement Plan Services received an opinion letter dated June 30, 2020, which states that the non-standardized pre-approved plan, as then designed, was in compliance with provisions of the Code. The Plan itself has not received a determination letter from the Internal Revenue Service. However, the Plan Administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **6. INFORMATION CERTIFIED AND PROVIDED BY CAPITAL BANK AND TRUST COMPANY**

Certain information related to investments and notes receivables from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividend income, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, the trustee of the Plan.

## **7. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation method include: quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation method are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

*Mutual funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable value collective trust* – A stable value fund is a form of common collective trust fund, which is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of the units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require up to 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

## 7. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31:

|                                                        | 2022                |             |             | Total               |

<sup>(a)</sup> In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

## 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

## 9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued.

## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of  
Stored Energy Holdings 401(k) Plan:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the financial statements of Stored Energy Holdings 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### *Opinion on the 2022 Financial Statements*

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***2022 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agree to, or are derived from, in all material respects, the information prepared and certified by a qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Other Matter – 2021 Financial Statements***

Plan management is responsible for the accompanying 2021 financial statement of Stored Energy Holdings 401(k) Plan, which comprises the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2021 financial statement nor were we required to perform any procedures to verify the accuracy and completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the 2021 financial statement.

# STORED ENERGY HOLDINGS 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2022 AND 2021

---

### 1. DESCRIPTION OF PLAN

The following description of Stored Energy Holdings 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General** – The Plan is a tax-exempt profit-sharing plan covering all eligible employees of Stored Energy Holdings, Inc. (the “Company”), as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator along with Company executives determine the appropriateness of the Plan’s investment offerings and monitor investment performance.

**Eligibility** – The Plan covers substantially all full-time employees of the Company unless they are covered under a collective bargaining agreement or are a non-resident alien. Employees must be at least 21 years of age and complete three months of service to participate in the Plan. Employees may enter the Plan at the beginning of the calendar month after meeting the eligibility requirement.

**Contributions** – The Plan allows each participant to contribute up to 100 percent of their eligible compensation, on a pre-tax or roth basis, in an amount not to exceed the dollar limit which is set by law. Participants who have attained age 50 before the end of the Plan year are eligible to make an additional “catch-up” contribution to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment for newly eligible participants without an existing affirmative election. Automatically enrolled participants have their deferral rate set at four percent of their eligible compensation, which is automatically increased on the first day of every subsequent plan year.

The Company makes a match contribution of fifty percent of participants’ contribution, up to a maximum of six percent of their total eligible compensation. Total employer match for the years ended December 31, 2022, and 2021 were \$143,907 and \$131,286, respectively.

**Participant accounts** – Each participant’s account is credited with the participant’s contributions, the Company’s contributions, and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting** – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contributions is as follows:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| Less than two           | 0%                        |
| Two                     | 20%                       |
| Three                   | 40%                       |
| Four                    | 60%                       |
| Five                    | 80%                       |
| Six                     | 100%                      |

## 1. DESCRIPTION OF PLAN (CONTINUED)

**Notes receivable from participants** – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balances. Loan terms range from 1 to 5 years or longer for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest as determined by the Plan Administrator based on prevailing market conditions at the time of the loan and fixed over the life of the loan. Principal and interest are paid ratably through payroll deductions.

**Payment of benefits** – On termination of service due to death, disability, retirement, or any other reason, participant may elect to receive a lump-sum amount equal to their vested account balance. In-service withdrawals from the participant's total vested account balance are permitted upon reaching age 59 1/2. Participants are entitled to receive hardship distributions under certain conditions defined in the Internal Revenue Code. Participants who terminate due to disability become fully vested in their account balance.

**Forfeitures** – Forfeiture accounts represent nonvested Company contributions forfeited by participants who terminate employment or withdraw from the Plan. Forfeitures are retained by the Plan and are used to reduce future employer contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$15,640 and \$3,108, respectively. During 2022, forfeited nonvested amounts of \$23,323 were used to reduce employer contributions.

**Administrative expenses** – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting** – The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition** – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator and Company executives determine the Plan's valuation policies utilizing information provided by investment advisers and the trustee. See Note 7 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Notes receivable from participants* – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are reclassified as distributions in accordance with the provisions of the Plan.

*Payment of benefits* – Benefits are recorded when paid.

## **3. PLAN TERMINATION**

The Company has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. At this time there is no intent to terminate the Plan. In the event of Plan termination, participants will become fully vested in their accounts.

## **4. PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee for the Plan and, therefore, these transactions qualify as party-in-interest transactions. These transactions, however, are exempt from being prohibited transactions under ERISA. Fees paid by the Plan for investment management services are included in net depreciation in fair value of investments. The trustee receives revenue from mutual fund providers for services the trustee provides to the funds. This revenue is used to offset certain amounts owed to the trustee for its administrative services to the Plan.

## **5. TAX STATUS**

The Plan uses a non-standardized pre-approved plan document written by Capital Group Retirement Plan Services. Capital Group Retirement Plan Services received an opinion letter dated June 30, 2020, which states that the non-standardized pre-approved plan, as then designed, was in compliance with provisions of the Code. The Plan itself has not received a determination letter from the Internal Revenue Service. However, the Plan Administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **6. INFORMATION CERTIFIED AND PROVIDED BY CAPITAL BANK AND TRUST COMPANY**

Certain information related to investments and notes receivables from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividend income, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, the trustee of the Plan.

## **7. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation method include: quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation method are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

*Mutual funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable value collective trust* – A stable value fund is a form of common collective trust fund, which is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of the units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require up to 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

## 7. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31:

|                                                        | 2022                |             |             | Total               |

<sup>(a)</sup> In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

## 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

## 9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued.
