INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Postal Center International, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Postal Center International, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2022 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

POSTAL CENTER INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A--DESCRIPTION OF PLAN

The following description of the Postal Center International, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of Postal Center International, Inc. ("PCI") and its wholly-owned subsidiary, Original Impressions, LLC (collectively referred to as the "Company", "Employer" or "Plan Sponsor") who have completed one year of service and are at least 21 years old. A year of service is a service period in which an employee has at least 1,000 hours of service. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). Federal income taxes on amounts contributed by the employees are deferred in accordance with Internal Revenue Code ("IRC") Section 401(k).

Plan Amendments: Effective January 1, 2021, the Plan was amended to increase employer matching contributions to \$0.25 of each \$1 of the participant's contributions up to a maximum Company match of 6% of the participant's annual eligible compensation.

Effective January 1, 2022, the Plan was amended to increase employer matching contributions to \$0.50 of each \$1 of the participant's contributions up to a maximum Company match of 6% of the participant's annual eligible compensation. Additionally, the Plan's vesting schedule was amended as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
2	25 %
3	50 %
4	75 %
5 or more	100 %

Elective Deferrals and Contributions: Each year, participants may elect to have the Company contribute a portion of their total eligible annual compensation to the Plan ("Elective Deferrals"). For any calendar year, a participant's elective deferrals may not exceed a specific dollar amount [\$20,500 in 2022 except for individuals who attain age 50 by the end of the Plan year, who are allowed to make an additional contribution of \$6,500 in 2022, as determined by the Internal Revenue Service ("IRS")]. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

POSTAL CENTER INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE A--DESCRIPTION OF PLAN--Continued

Elective Deferrals and Contributions--Continued: The Company matches \$0.50 of each \$1 of the participant's contributions up to a maximum Company match of 6% of the participant's annual eligible compensation, provided the participant is employed on the last day of the Plan year. The Plan has a Roth 401(k) contributions feature whereby participants may elect to designate their elective deferral contributions as Roth 401(k) contributions. Roth 401(k) contributions are made in after-tax dollars and the decision to characterize the deferrals as a Roth 401(k) contribution is made by the participant at the time a contribution to the Plan is made.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching and qualified non-elective contributions and (b) Plan earnings and losses, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan.

Investment Options: Upon enrollment in the Plan, a participant may direct elective deferrals and employer matching contributions in any of the investment options offered by the Plan. Participants may change their investment options at their discretion.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's employer contributions portion of their accounts plus actual earnings thereon is based on years of credited continuous service. A year of service is a service period in which an employee has at least 1,000 hours of service. The following outlines the Plan's vesting schedule through December 31, 2021. Refer to Plan Amendments described above for the vesting schedule effective January 1, 2022:

<u>Years of Service</u>	<u>Vesting Percentage</u>
2	25 %
3	50 %
4	75 %
5 or more	100 %

POSTAL CENTER INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE A--DESCRIPTION OF PLAN--Continued

Notes Receivable from Participants: Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The interest rate shall be a reasonable fixed rate and the term of the loan shall be a maximum of 5 years, unless the loans are for the purchase of a principal residence in which case the loans may exceed 5 years. The loans are secured by a security interest in the participant's vested account balance and are repaid through bi-weekly payroll deductions. Interest rates range from 4.75% to 9.00% on outstanding loan balances at December 31, 2022. Interest rates ranged from 4.50% to 7.25% on outstanding loan balances at December 31, 2021.

Payment of Benefits: Participants (or the beneficiary, if the participant is deceased) will be eligible to receive their benefit on the earlier of attaining the age of 59½ years, retirement, death, disability or termination due to any other reason and may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments over a specified period of time, not to exceed the participant's life expectancy or the joint life expectancy of the participant and the participant's beneficiary. The normal retirement age is 65 years. A participant may also receive a distribution if they experience undue financial hardship as further defined in the Plan agreement and in accordance with the IRC.

Forfeitures: Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. Forfeitures of non-vested employer contributions are used by the Company to offset future contributions to the Plan or Plan administrative expenses. There were approximately \$4,000 of forfeited non-vested accounts during the year ended December 31, 2022. As of December 31, 2022 and 2021, the forfeiture account balance (net of investment gains) was approximately \$2,000 and \$1,000, respectively. The amount of forfeitures used to reduce the Company's matching contributions and Plan expenses during 2022 totaled approximately \$2,000.

Hardship Distributions: Participants may request a hardship distribution based on financial hardship, as defined in the Plan documents. There was one hardship distribution totaling approximately \$3,000 during the year ended December 31, 2022.

Administrative Expenses: In accordance with the Plan documents, certain administrative expenses, primarily related to services provided by third parties, are paid by the Plan Sponsor on behalf of the Plan. Administrative Plan related expenses, such as professional fees, amounting to approximately \$23,000, were paid by the Plan Sponsor in 2022.

POSTAL CENTER INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported amounts of additions and deductions. Actual results may differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment earnings and losses and interest income are recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments includes the Plan's net gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Company as disclosed in Note A and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

POSTAL CENTER INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Risks and Uncertainties: The Plan provides for various investment options in any combination of the available pooled separate accounts, mutual funds, collective investment trusts and a fully benefit- responsive investment. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Subsequent Events: Plan's management has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 6, 2023, the date the financial statements were available to be issued.

NOTE C--INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS AND/OR TRUSTEES

Certain information disclosed in the accompanying financial statements and supplemental schedules, including investments from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, and interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal Life Insurance Company, Principal Life Insurance Company on behalf of Principal Global Investors Trust Company, and Delaware Charter Guarantee Trust Company d/b/a Principal Trust Company (collectively, the custodians and/or trustees of the Plan or "Principal").

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy in accordance with GAAP are described as follows:

POSTAL CENTER INTERNATIONAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE D--FAIR VALUE MEASUREMENTS--Continued

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts: These are investment units held through sub-accounts of an insurance company. Fair value has been estimated using the net asset value ("NAV") per share. The NAV of these accounts is based on the market value of its underlying investments. The NAV of these accounts is not a public-quoted price in an active market.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan at year-end are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts: Collective Investment Trusts ("CITs") invest in a collective trust fund as well as a variety of separate accounts and mutual funds. The fair value of the CITs and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs (level 1). The fair value of all these investments is used in determining the NAV of the CITs, which are not publicly quoted.

The carrying amount of financial assets not measured at fair value on a recurring basis, including notes receivable from participants and employer and employee contributions receivable, approximates their fair value.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>Assets at Fair Value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 50,074</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 50,074
Pooled separate accounts, measured at NAV (*)				6,316
Collective investment trusts, measured at NAV (*)				<u>2,851,797</u>
Total assets, at fair value				<u>\$ 2,908,187</u>

	<u>Assets at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 132,945</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 132,945
Pooled separate accounts, measured at NAV (*)				45,170
Collective investment trusts, measured at NAV (*)				<u>3,427,494</u>
Total assets, at fair value				<u>\$ 3,605,609</u>

(*) In accordance with Accounting Standards Codification ("ASC") 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

NOTE F--FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a traditional investment contract, the Principal Fixed Income Guaranteed Option ("PFIGO"). This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. For the year ended December 31, 2022, contract value approximates fair value for the Plan's investment in the PFIGO.

The traditional investment contract held by the Plan is a guaranteed investment contract ("GIC"). The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate (1.75% at December 31, 2022) is based on a formula established by the contract issuer and may not be less than 0%. The crediting rate is reviewed on a semi-annual basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuers' ability to meet their financial obligations. The issuers' ability to meet their contractual obligations may be affected by future economic and regulatory developments.

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE F--FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT--Continued

Certain events might limit the ability of the Plan to transact at contract value with the contract issuers. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code.
- Premature termination of the contracts.
- Plan termination or merger.
- Changes to the Plan's prohibition on competing investment options.
- Bankruptcy of the plan sponsor or other plan sponsor events (e.g. divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

Generally, no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuers to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines.
- A breach of material obligation under the contract.
- A material misrepresentation.
- A material amendment to the agreements without the consent of the issuer.

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE H--TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the IRS stated that the prototype plan document and related trust sponsored by Principal (prototype plan document) and adopted by the Plan, as then designed, were in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan and its amendments are currently designed and being operated in compliance with the applicable requirements of the IRC. Plan management has identified other operational deficiencies which are in the process of being corrected. The Plan administrator believes the Plan's qualified status will not be affected. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examination for years prior to 2019.

NOTE I--PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts and common investment trusts managed by Principal. Principal is the custodian as defined by the Plan document and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note B, the Plan makes direct payments to the custodian for certain administrative expenses. The Plan Sponsor pays directly any other fees related to the Plan's operations.
