INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Remington & Vernick Engineers II, Inc. 401(k) and Profit Sharing Plan
2059 Springdale Rd
Cherry Hill, NJ 08003

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Remington & Vernick Engineers II, Inc. 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section.

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Remington & Vernick Engineers II, Inc. 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Remington & Vernick Engineers II, Inc. 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Remington & Vernick Engineers II, Inc. 401(k) and Profit Sharing Plan's, internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Remington & Vernick Engineers II, Inc. 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Remington & Vernick Engineers II, Inc. 401(k) and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan covering all salaried and hourly employees of Remington & Vernick Engineers II, Inc. (the “Company” or the “Employer”), who meet eligibility requirements. The Company serves as the plan sponsor of the Plan. Fidelity Management Trust Company (Fidelity) is the trustee and record keeper of the Plan. ForUsAll Advisors (ForUsAll) and Strategic Advisors serve as advisory service providers for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY (“CARES”) ACT AND SETTING EVERY COMMUNITY UP FOR RETIREMENT ENHANCEMENT (“SECURE”) ACT

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act). In response to the coronavirus (COVID-19) pandemic, the Plan was amended to adopt certain provisions of the CARES Act for qualified individuals, as defined in the CARES Act. Effective from April 20, 2020 to December 31, 2020, the following provisions were adopted: (a) Qualified individuals may receive a distribution up to \$100,000. There were no participant distributions related to the CARES Act in 2021. (b) Qualified individuals may suspend any loan repayments until December 31, 2020. Any suspended loan payments resumed in January 2021. The term of any loan suspended could be extended by the same term for which the loan was suspended, and the loan balance and future payments could be adjusted for interest accrued during the suspension. Qualified individuals were also permitted to apply for one additional loan, if applicable. The Plan was amended to reflect these changes effective January 1, 2022.

ELIGIBILITY

Employees are eligible to participate in the Plan on the first day of each month following the completion of 1 month of service with the Company and attainment of 18 years of age.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS

Participants may contribute up to the annual maximum allowed by the Internal Revenue Code (the Code or IRC) (\$20,500 as of December 31, 2022). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 as of December 31, 2022). Participants may also contribute amounts representing distributions from other qualified plans (rollovers). In the event participant contributions exceed contribution limitations of the Plan, excess contributions are refunded to participants after year-end to comply with Code contribution limitations.

The Plan has adopted an automatic enrollment contribution feature. Automatic enrollment contributions equal to 6% of eligible compensation will occur when the employee is eligible to participate in the Plan, unless the employee makes an affirmative election not to have automatic enrollment contributions made on his/her behalf.

The Company has elected a safe harbor non-elective contribution equal to 100% of the first 6% of eligible compensation. During the year ended December 31, 2022 the Company made a \$2,217,666 safe harbor contribution to the Plan.

The Company may make discretionary matching contributions. Discretionary matching contributions, if made, are computed by the Company based on eligible compensation deferred into the Plan, each Plan Year with a maximum limit of 4% of eligible compensation. During the year ended December 31, 2022 there were no discretionary matching contributions.

The Company may make discretionary non-elective contributions in an amount determined by the Board of Directors for each Plan Year. Participants must be employed as of the last day of the Plan Year to be eligible for any non-elective contributions that may be made for that Plan Year. During the year ended December 31, 2022 there were no discretionary non-elective contributions.

INVESTMENT OPTIONS

Participants may direct the investments of their contributions to the Plan into various investment options offered by the Plan. Investment options include mutual funds, interest bearing cash, and self-directed brokerage accounts.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

INVESTMENT OPTIONS (CONTINUED)

The Pension Protection Act created the Qualified Default Investment Alternative (the “QDIA”) which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected the Fidelity Freedom Index Target Date series of funds as its QDIA. The specific Target Date fund selected is dependent on the participant’s date of birth.

CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity (“trustee of the Plan”). This information has not been audited by the Plan’s independent auditors.

PARTICIPANT ACCOUNTS

Individual accounts are maintained for each Plan participant. Each participant's account is adjusted for the participant's contributions, safe harbor contributions, discretionary matching contributions, if applicable, appreciation or depreciation in the fair market value of the Plan's assets and related income earned or losses incurred by the Plan. Each participant’s account is charged with withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Additionally, participants are immediately 100% vested in the Company’s safe harbor contributions. Vesting in the Company’s discretionary matching contributions is based on years of service.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts the lesser of 50% of the vested balance in their account or \$50,000, with a minimum loan amount of \$1,000. The loans are secured by the balance in the participant's account and are subject to interest charges determined by the Plan administrator. Participants may have only one outstanding loan at any time and may not apply for another loan until the existing loan is paid in full. Interest rates for the loans outstanding as of December 31, 2022 range between 4.25% and 7.25% and mature through December 2031. NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

A participant becomes fully vested upon death, disability or retirement. On termination of service, the participant or designated beneficiary may elect to receive an amount equal to the participant's vested interest in his or her account in a lump-sum amount or in substantially equal amounts over a period of time. A participant whose vested benefit does not exceed \$1,000 will receive the benefit in a single lump-sum.

A separated participant whose vested benefit exceeds \$1,000 and is less than \$5,000 will have their account automatically rolled over into an Individual Retirement Account. In-service withdrawals are permitted when in accordance with IRC Regulations or taxed as income.

HARDSHIP WITHDRAWALS

Prior to termination of employment, a participant may withdraw, subject to the Plan's notice requirements, all or a portion of the value of his or her participant account and the vested value of his or her Company contribution account if he or she becomes totally and permanently disabled, or all or a portion of the value of his or her participant account in the event of demonstrated financial hardship, subject to the Plan's provisions. Withdrawals to which a participant is entitled are the amounts that can be provided by the contributions and income thereon (including net realized and unrealized investment gains and losses) allocated to each participant's account, less allocated expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with generally accepted accounting principles ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the Plan assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned.

Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loans to be a distribution, the participant loan balance is reduced and a deemed distribution is recorded. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians.

Net depreciation in the fair value of investments includes both realized and unrealized gains and losses bought and sold as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are allocated based upon participant account holdings on the record date and are recorded on the ex-dividend date.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

MANAGEMENT FEES AND OPERATING EXPENSES

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected, instead they are reflected in the net depreciation in fair market value of such investments.

SUBSEQUENT EVENTS

These financial statements were approved by management and available for issuance on October 10, 2023. Management has evaluated subsequent events through this date. Except as noted below, there were no other events requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

REMINGTON & VERNICK ENGINEERS II, INC.
401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation technique maximize the use of relevant observable inputs and maximize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy, as applicable. There have been no changes in methodologies used at December 31, 2022 and 2021.

MUTUAL FUNDS

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SELF-DIRECTED BROKERAGE ACCOUNTS

Participants can elect to invest their Plan assets in individual securities by establishing a Plan level brokerage account. Value of the self-directed brokerage accounts are updated daily and valued based on the market prices of the underlying assets. The accounts are classified as a Level 1 asset. As of December 31, 2022, the accounts included money market, mutual funds, common stock, exchange traded funds and real estate investment trusts.

The following tables summarize investment assets measured at fair value:

December 31, 2022	Investments, at Fair Value			
	Level 1	Level 2	Level 3	Total

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

The Plan holds mutual funds managed by Fidelity, the trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. As of December 31, 2022 and 2021 the balances of these investments totaled \$55,828,738 and \$65,219,684, respectively.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays these individuals' salaries and other administrative expenses on behalf of the Plan.

Certain fees, to the extent not paid by the Company, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

The Plan issues loans to participants that are secured by participants' account balances. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules under ERISA.

During 2022, the Plan paid \$59,304 in recordkeeping fees to Fidelity, \$139,629 to ForUsAll and \$20,771 to Strategic Advisors, Inc.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of a Plan termination, participants will become 100% vested in their contributions.

NOTE 6 - TAX STATUS

The Company adopted a pre-approved prototype plan offered by the Plan's trustee. The IRS has determined that the prototype plan, by letter dated June 30, 2020, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

As of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of liability or disclosure in the financial statements.

NOTE 7 - RISKS, UNCERTAINTIES AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

At December 31, 2022, four investments represented 15%, 14%, 11% and 10% of the total investments.
