INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
PaperWorks Industries, Inc. Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of PaperWorks Industries, Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of PaperWorks Industries, Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PaperWorks Industries, Inc. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PaperWorks Industries, Inc. Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PaperWorks Industries, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PaperWorks Industries, Inc. Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following brief description of the PaperWorks Industries, Inc. Savings Plan (the “Plan”) is provided for informational purposes only. Participants should refer to the Plan adoption agreement for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of PaperWorks Industries, Inc. and its U.S. based subsidiaries (the “Company” or “Employer”) with the exception of hourly union employees subject to a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and is intended to qualify under the applicable sections of the Internal Revenue Code (“IRC”) of 1986, as amended.

Eligibility Requirements

Employees over 21 years of age become eligible to participate in the Plan after completing one month of service and may enter the Plan on the day the eligibility requirements are satisfied. The eligibility requirements and entry date for employer contribution are the same.

Plan Transfers

During the year ended December 31, 2022, certain participants of the Plan joined the union and in doing so, had their assets transferred from the Plan to the PaperWorks Industries Savings Plan for Union Hourly Employees. Such transfers out which totaled \$125,070 is included in the accompanying statement of changes in net assets available for benefits.

During the year ended December 31, 2022, certain participants of the PaperWorks Industries Savings Plan for Union Hourly Employees exited the union and in doing so, had their assets transferred into the Plan. Such transfers in which totaled \$485,931 is included in the accompanying statement of changes in net assets available for benefits.

Contributions

Each year, participants may contribute a percentage of their pre-tax annual compensation, as defined in the Plan, subject to certain limits established by the Internal Revenue Service (“IRS”). Participants are automatically enrolled upon meeting the eligibility requirement to defer 3% of eligible compensation which may be changed on any date during the Plan year. Unless the participant elects a different percentage to defer, the amount will be automatically increased by 1% each January 1st up to a maximum percentage of 10%.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other tax qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies, pooled separate accounts and a common/collective trust as investment options for participants.

The Plan is a safe harbor plan, and the Company made a safe harbor matching contribution equal to 100% of participant contributions up to 3% of participant compensation and 50% of participant contributions between 3% and 5% of participant compensation. Such employer contribution totaled \$1,680,672 for the 2022 Plan year.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, the Employer's contribution, and an allocation of plan earnings and is charged with withdrawals and an allocation of plan losses and administrative expenses. Allocations are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Eligible participants are immediately 100% vested in their contributions and actual earnings thereon. Employer safe harbor matching contributions are subject to 100% vesting after reaching 2 years of service. In the event that the participant dies, is disabled or, if retirement conditions are satisfied, the participant's entire interest is fully vested.

Payment of Benefits

Upon attaining normal retirement age or upon death, disability, or termination of employment, a participant may elect to have his or her account balance paid in a lump-sum payment in cash equal to the entire value of the funds allocated to the participant's vested account.

Hardship Benefits

The Plan allows for "hardship withdrawals" of employee benefits based upon any of the following criteria:

- Expenses incurred or necessary for medical care that would be deductible under Code Section 213(d);
- The purchase (excluding mortgage payments) of a principal residence for the participant;
- Payment of tuition, related educational fees, and room and board expenses, for the next 12 months of post-secondary education for the participant, his/her spouse, children, or dependents;
- Payments necessary to prevent the eviction of the participant from, or foreclosure on the mortgage of, the participant's principal residence;
- Payments for funeral or burial expenses for the participant's deceased parent, spouse, child, or dependent;
- Expenses to repair damage to the participant's principal residence that would qualify for a casualty loss deduction under Code Section 165;
- Expenses and losses (including loss of income) incurred by a participant on account of a disaster declared by the Federal Emergency Management Agency; or
- Any other distribution which is deemed by the Commissioner of Internal Revenue to be made on account of immediate and heavy financial need as provided in Treasury regulations.

Forfeited Accounts

Forfeitures are maintained in the Plan and may be used to pay administrative expenses or to reduce future employer contributions. As of December 31, 2022 and 2021, non-vested forfeiture accounts amounted to \$192 and \$134, respectively. During the year ended December 31, 2022, forfeitures in the amount of \$2,389 and \$130,665 were used to reduce administrative expenses and employer contributions, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts in amounts ranging from a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their account balance. Loan terms may not exceed five years except for the purchase of a participant's principal residence. The loans bear interest between 4.25% and 8.00%. Principal and interest are paid ratably through payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in accordance with US GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation of Notes Receivable from Participants

The notes receivable from participants are measured at unpaid principal balance plus accrued interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable from participants are recorded as distributions in accordance with the terms of the Plan document.

Investment Valuation and Income Recognition

All investments are stated at their fair values, as determined by Principal Trust Company (the "Trustee"). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investment transactions are recorded on a trade date basis. Gains and losses on sale of investments are based on the average cost method. The net depreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits includes the total change in unrealized gains (losses) of investments held at year end plus realized gains (losses) on investments sold during the year. Dividend income is recorded on the ex-dividend date. Interest income is recorded when earned.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses incurred by the Plan are substantially absorbed by the Company. Administrative expenses paid by the Plan amounted to \$42,354 for the year ended December 31, 2022. In addition, certain investment related expenses are included in net depreciation in fair value of investments and are not readily determinable.

Mutual Fund Fees

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees, which are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940, are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Trustee has certified the completeness and accuracy of all investments and notes receivable from participants as of December 31, 2022 and 2021 in the accompanying statements of net assets available for benefits and the net depreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the year ended December 31, 2022 in the accompanying statement of changes in net assets available for benefits, as well as the supplementary schedule of assets (held at end of year) as of December 31, 2022. No auditing procedures were performed by the independent auditors as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Trustee, except for comparing such information with the related information included in the financial statements and supplementary schedule. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021.

4. FAIR VALUE ACCOUNTING

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value.

Common/Collective Trust: Investments in common/collective trust funds have been determined by the Trustee to be valued as Level 1 rather than using net asset value ("NAV") as a practical expedient for fair value. The reasoning for this includes that the assets have a readily determinable fair value because a) the NAV is available to current investors, and b) the NAV is the basis for current transactions traded in an active market.

PaperWorks Industries, Inc. Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Pooled Separate Accounts: Shares of pooled separate accounts have been determined by the Trustee to be valued as Level 1 rather than using NAV as a practical expedient for fair value. The reasoning for this includes that the assets have a readily determinable fair value because a) the NAV is available to current investors, and b) the NAV is the basis for current transactions traded in an active market.

Registered Investment Companies: Valued at quoted market prices, which represents the daily closing price.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Common/collective trust	\$ 27,343,953	\$ -	\$ -	\$ 27,343,953
Pooled separate accounts	10,955,995	-	-	10,955,995
Registered investment companies	3,742,448	-	-	3,742,448
Total investments at fair value	<u>\$ 42,042,396</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 42,042,396</u>

	2021			
	Level 1	Level 2	Level 3	Total
Common/collective trust	\$ 28,902,629	\$ -	\$ -	\$ 28,902,629
Pooled separate accounts	16,297,745	-	-	16,297,745
Registered investment companies	5,167,833	-	-	5,167,833
Total investments at fair value	<u>\$ 50,368,207</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 50,368,207</u>

5. RELATED PARTY TRANSACTIONS

Certain Plan investments are investments managed by Principal Trust Company. Principal Trust Company is the Trustee as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. Administrative expenses paid to the Trustee by the Plan amounted to \$42,354 for the year ended December 31, 2022. Investment related fees are reflected as an offset of net depreciation in fair value of investments and are not readily determinable. Notes receivable from participants are transactions with participants; these loan transactions qualify as exempt party-in-interest transactions.

6. INCOME TAX STATUS

The Plan is qualified under provisions of the Internal Revenue Code ("IRC") and is exempt from federal income taxes. The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

PaperWorks Industries, Inc. Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

7. RISKS AND UNCERTAINTIES

The Plan provides for investments in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event that the Plan is completely or partially terminated, the rights of all affected participants to accumulate benefits to the date of such termination shall become fully vested and thereafter shall not be subject to forfeiture. The assets of the Plan available for benefits will be allocated subject to and in the manner prescribed by the applicable provisions of ERISA and its related regulations.

If the Plan is terminated, assets will be allocated in accordance with ERISA to the extent the assets are available to provide benefits to participants and beneficiaries. Any residual assets of the Plan remaining after distribution in accordance with ERISA will be distributed to the Plan Sponsor, provided that all liabilities of the Plan to participants and beneficiaries have been satisfied and the distribution does not contravene any provisions of law.

9. SELF-CORRECTION PROGRAM

Plan management identified several employees were not properly automatically enrolled into the Plan upon eligibility requirements being satisfied. In order to correct this administrative error, management calculated the missed opportunity to defer and resulting safe harbor matching contributions in the amounts of \$349 and \$1,326, respectively. Of the total amounts, \$191 and \$712, respectively, related to wages earned by these employees during the year ended December 31, 2020 with the remaining amounts attributable to wages earned by employees during the year ended December 31, 2021. All corrections, including lost earnings, were remitted to the Plan in April 2021.

Plan management identified safe harbor matching contributions for several employees were calculated using improper compensation in accordance with the plan document. In order to correct this administrative error, management calculated the missed safe harbor matching contributions in the amount of \$2,494 and remitted to the Plan, together with lost earnings, in September 2022.

Plan management identified an employee was not properly automatically enrolled into the Plan upon eligibility requirements being satisfied. In order to correct this administrative error, management calculated the missed opportunity to defer and resulting safe harbor matching contributions in the amounts of \$126 and \$502, respectively. Such correction was remitted to the Plan, together with lost earnings, in September 2022.

10. SUBSEQUENT EVENTS

Subsequent events were evaluated through September 29, 2023, which is the date the financial statements were available to be issued. Based on that evaluation, the Plan's management has determined that, except for the following, no other subsequent events have occurred which require disclosure in the financial statements.

In June 2023, the Company completed the acquisition of The Standard Group, LLC. As a result of the acquisition, employees of The Standard Group, LLC became employees of the Company and eligible to participate in the Plan. Certain assets from The Standard Group, LLC 401(k) Savings Plan were rolled over into the Plan.
