INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Bedoukian Research, Inc. 401(k) Savings and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Bedoukian Research, Inc. 401(k) Savings and Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Operational Errors

As discussed in Note 12 to the financial statements, the Plan identified certain operational errors related to eligible compensation and late enrollments. Our opinion is not modified with respect to these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by (See Note 1) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BEDOUKIAN RESEARCH, INC. 401(k) SAVINGS AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Bedoukian Research, Inc. 401(k) Savings and Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which commenced on September 1, 1983, covering all eligible employees of Bedoukian Research, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All employees (as defined) of the Company who have completed six months of service are eligible to participate in the Plan.

Contributions

Each year, eligible participants may elect to make pre-tax contributions to the Plan up to 100% of their annual compensation, as defined, not to exceed the maximum amount allowable under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, collective investment trusts, pooled separate accounts, and one stable value fund as investment options for participants.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The automatic deferral percentage will increase by 1% per year up to a maximum of 10% of eligible compensation.

Company matching contributions to the Plan are discretionary. For 2022, the Company has elected to make matching contributions. At December 31, 2022, the Company's matching contributions equal 50% of each participant's elective deferral, up to 3% of the participant's eligible compensation. For the year ended December 31, 2022, the Company's matching contribution amounted to \$287,140. Additional profit sharing amounts may be contributed at the discretion of the Company. For the year ended December 31, 2022, the Company elected to make a profit sharing contribution to the Plan of \$1,083,418. The profit sharing contribution was paid in September 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching and profit sharing contributions, and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, as defined.

Allocation of Investments

Participants make an election designating the proportion in which contributions are to be allocated among the specific assets, funds or other investments permitted under the Plan (participant-directed investment program). Participants may change their allocations and make transfers among funds.

Notes Receivable from Participants

Eligible participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's accounts and bear interest at a rate which is commensurate with market prevailing rates as determined by the Plan administrator, and must be repaid within five years. Principal and interest are paid ratably through payroll deductions and are monitored by the Plan administrator. The Plan will not approve more than two loans for a participant in any twelve month period. A loan that is considered in default is reported as a deemed distribution, which may be a taxable event for the participant.

**BEDOUKIAN RESEARCH, INC. 401(k) SAVINGS AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting

The Plan provides that participants shall always be fully vested in funds that they contribute to the Plan. Employer contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested %</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits

On termination of service due to death, disability or retirement, a participant, or their beneficiary, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship and in-service withdrawals are available pursuant to specific guidelines as set forth in the Plan.

Rollovers

Participants may roll over amounts representing distributions from other qualified plans into the Plan. Participant rollover contributions made to the Plan amounted to \$168,925 during the year ended December 31, 2022.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$-0- and \$2, respectively. These accounts are used to reduce future employer contributions. Also, for the years ended December 31, 2022 and 2021, employer contributions were reduced by \$30,560 and \$36,828, respectively, from forfeited nonvested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**BEDOUKIAN RESEARCH, INC. 401(k) SAVINGS AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. There were deemed distributions of \$16,269 for the year ended December 31, 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan, if not paid by the Plan, are paid directly by the Company and excluded from these financial statements. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information, and the information contained in the supplemental schedule of assets (held at end of year), was certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the custodian of the Plan, and was not subjected to any auditing procedures performed by the independent auditors, except for comparing such information with the related information included in the financial statements.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE (CONTINUED)

Notes receivable from participants of \$102,612 and \$118,904 at December 31, 2022 and 2021, respectively, and interest income on notes receivable from participants of \$6,990 in 2022, have also been certified by the custodian.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The Plan had no investments measured at Level 2 or 3 as of December 31, 2022 and 2021.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts

Pooled separate accounts are valued at fair value based on the underlying assets, which represent the NAV of units held by the pooled separate accounts. All the pooled separate accounts are direct filing entities.

Collective Investment Trusts

The Collective Investment Trusts (CITs) invest in collective trust funds as well as a variety of separate accounts and mutual funds. The fair value of the collective investment trusts and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs (Level 1). The fair values of all these investments are used in determining the NAV of the CIT, which is not publicly quoted, but is available to current investors when Plan participants access their account values. All the CITs are direct filing entities.

**BEDOUKIAN RESEARCH, INC. 401(k) SAVINGS AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Stable Value Fund

A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchase and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly manner. The stable value fund is a direct filing entity.

The following table sets forth the Plan's investments at fair value as of December 31, 2022:

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,937,736	\$ -	\$ -	\$ 4,937,736
Pooled separate accounts, measured at NAV as a practical expedient				13,542,141
Collective investment trusts, measured at NAV as a practical expedient				7,929,112
Stable Value Fund, measured at NAV as a practical expedient				<u>3,089,608</u>
Total investments at fair value				<u>\$ 29,498,597</u>

The following sets forth the Plan's investments as of December 31, 2021:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 6,650,049	\$ -	\$ -	\$ 6,650,049
Pooled separate accounts, measured at NAV as a practical expedient				15,985,643
Collective investment trusts, measured at NAV as a practical expedient				8,251,859
Stable Value Fund, measured at NAV as a practical expedient				<u>3,001,382</u>
Total investments at fair value				<u>\$ 33,888,933</u>

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2022 and 2021, there were no transfers.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan holds investments which are issued and managed by Principal Life Insurance Company (U.S.A.) or an affiliate thereof. Principal Trust Company, an affiliate, is the custodian as defined by the Plan. Fees paid by the Plan to Principal for administrative expenses were \$100,308 for the year ended December 31, 2022. This transaction qualifies as a party-in-interest transaction and is exempt under the prohibited transaction rules.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 7 – TAX STATUS

The Plan is a prototype non-standardized volume submitter profit sharing plan approved June 30, 2020, which the Internal Revenue Service ("IRS") ruled in an opinion letter, as then designed, qualifies under Section 401 of the IRC. Although the Plan has not received a determination letter specific to the Plan itself, the Plan administrator (and the Plan's tax counsel) believe that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC, except for certain operational errors as discussed in Note 11. The Plan sponsor believes the Plan has maintained its tax-exempt status. In addition, effective February 17, 2022, the Plan was restated in accordance with the requirements of the IRC.

NOTES TO FINANCIAL STATEMENTS**

NOTE 7 – TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS, or applicable state authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – DELINQUENT PARTICIPANT CONTRIBUTIONS

In accordance with the DOL's Regulation 2510.3-102, an employer is required to segregate participants' contributions from its general assets as soon as practical, but in no event more than the 15th business day following the end of the month in which amounts are contributed by participants or withheld from their wages for a benefit plan such as the Plan. The employer failed to timely remit participants' contributions withheld for certain payroll periods in 9 out of 12 months during the year ended December 31, 2022, totaling \$676,104. The employer will absorb any costs incurred by the Plan as a result of the untimely remittance of the participants' accounts. The untimely remittance during 2022 included \$36,697 of participant loan repayments. The amount of delinquent participant contributions has been reported on Form 5500 and in the supplemental Schedule of Delinquent Participant Contributions. The Company intends to fully correct these late remittances through a contribution of lost earnings no later than December 31, 2023.

NOTE 9 – CONCENTRATIONS

The Plan has one investment that makes up 16.2% of total net assets available for benefits at December 31, 2022.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>

Less: 2022 employee contributions receivable reported on the financial statements but not on Form 5500	(44,233)
Less: 2022 corrective contributions receivable reported on the financial statement but not on Form 5500	(85,800)
Plus: 2021 employer contributions receivable reported on Form 5500	1,080,665
Plus: 2021 corrective contributions receivable reported on Form 5500	74,291
Plus: Accrued interest on deemed distributed notes receivable	<u>144</u>
Net loss per Schedule H of Form 5500	<u>\$ (4,406,484)</u>

NOTE 12 – OPERATIONAL FAILURES

During 2022, the Company discovered an operational failure related to the application of eligible compensation. Since the inception of the Plan, the Company's operational intent was not to include bonus pay as eligible compensation for the purpose of calculating employee deferrals. However, according to the Plan document, such compensation is eligible compensation for employee deferrals, which creates a potential Plan operational failure. A Voluntary Correction Program (VCP) application was submitted to the IRS under the Employee Plans Compliance Resolution System ("EPCRS") in February 2023, outlining the foregoing operational issue and the Plan's proposed resolution and corrective action. As of the date the financial statements were issued, the VCP submission is still pending with the IRS, therefore the Plan cannot currently determine the outcome or the impact on the Plan's financial statements. Effective October 2022, the Plan was amended to exclude bonus compensation from eligible compensation.

During 2022, the Company discovered that newly eligible employees were not timely enrolled into the Plan under the terms of the Plan. Per the Plan document, newly eligible participants, defined as having completed six months of service, shall be automatically enrolled into the Plan. Plan management determined that there were employees who were not enrolled timely dating back to Plan year 2016. Plan management noted 22 instances of late enrollments through December 31, 2021. Contributions due to the Plan as a result of late enrollments through December 31, 2021 totaled \$124,073 (\$107,901 related to the Plan year ended December 31, 2021 and an additional \$16,172 of late contributions related to the Plan year ended December 31, 2022). Contributions due to the Plan as a result of 2 instances of late enrollments during the Plan year ended December 31, 2022 totaled \$3,239. The Company intends to correct this operational error in accordance with the IRS Safe Harbor correction procedures applicable to the automatic enrollment feature. Corrective contributions of \$41,512 were paid to the Plan during the year ended December 31, 2022, and the Company intends to pay the remaining corrective contributions of \$85,800 to the Plan during the year ending December 31, 2023.

In addition, the Plan sponsor failed to file the audited financial statements with the 2021 Form 5500 on or before October 15, 2022, but later filed an amended Form 5500 with the audited financial statements.

No provision for income taxes has been included in the Plan's financial statements related to the foregoing matters because the Plan sponsor believes that the Plan continues to be qualified, and the tax status of the related trust continues to be tax exempt.
