Evergreen Real Estate Services Retirement Savings Plan
Chicago, Illinois

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Evergreen Real Estate Services Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Evergreen Real Estate Services Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Evergreen Real Estate Services Retirement Savings Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of Evergreen Real Estate Services Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Evergreen Real Estate Services Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Evergreen Real Estate Services Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Evergreen Real Estate Services Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of Evergreen Real Estate Services Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan generally covering all employees of Evergreen Real Estate Services, LLC (the Company) for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Under the terms of the Plan, all employees age 21 or older, except leased employees, temporary employees, and those employees who are members of a collective bargaining unit, are eligible to participate in the Plan.

Contributions

Each year participants may contribute a portion of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to make Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

The Company contributes safe harbor matching contributions equal to 100% of the first 4% of compensation that a participant contributes to the Plan. The Company may also make discretionary profit sharing contributions; however no profit sharing contributions were made during the years ended December 31, 2022 or 2021.

Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Participants' accounts are credited with the participants' contributions, Company safe harbor matching contributions, and allocations of Company profit sharing contributions and Plan earnings. Participants' accounts are charged with administrative expenses and withdrawals. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined by the Plan. The benefit to which a Participant is entitled is limited to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral contributions, the Company's safe harbor matching contributions, and related investment earnings. Vesting in the Company's profit sharing contributions and earnings thereon is based on years of continuous service. Participants vest 20% each year after the first year of service and are fully vested after 6 years of continuous service. Participants are also 100% vested when they reach the age of 65 (normal retirement age), upon total and permanent disability or upon death.

Forfeitures

Forfeited non-vested account balances are either used to pay administrative expenses, reduce Company contributions, or allocated to other Plan participants, as defined by the Plan. The Plan had no forfeitures available for use at December 31, 2022 and 2021, and no forfeitures were used in 2022 or 2021.

Notes Receivable From Participants

Participants may borrow from their accounts the lesser of \$50,000 or 50% of their vested account balance in a twelve-month period. A participant may have only one loan outstanding at any time. The term of the loan cannot exceed five years, except for a loan that is used to acquire a principal residence. Each loan is secured by the balance in the respective participant's account and bears interest at 1% to 2% over the prime rate published in the Wall Street Journal on the first business day of the month the loan is issued. Rates on outstanding loans at December 31, 2022 ranged from 4.25% to 7.50%. Principal and interest are paid ratably through bi-weekly payroll deductions.

Notes To Financial Statements (*Continued*)

Payment Of Benefits

Following termination of service due to death, disability, retirement, or other reasons, a participant may receive a lump sum payment of their entire vested account balance. Hardship distributions are allowed based on meeting certain criteria further described in the Plan Document.

In-service distributions may be made to a participant who has not separated from service provided the participant has attained the age of 59-1/2.

Plan Administration Costs

During 2022 and 2021, certain costs of Plan administration, such as recordkeeping and loan fees and participant requested service charges, were charged to the Plan. Other administrative costs, such as audit and service fees, were paid by the Company and are therefore not reflected as deductions to net assets of the Plan during 2022 and 2021.

2. Summary Of Significant Accounting Policies

Basis Of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use Of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States. Those estimates and assumptions affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could vary from those estimates.

Investment Valuation And Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are treated as distributions based upon the terms of the Plan Agreement.

Payment Of Benefits

Benefit payments to participants are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date financial statements were available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the years then ended, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information certified by Charles Schwab Trust Bank (Charles Schwab), and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Charles Schwab that the information provided to the Plan Administrator related to the following information is complete and accurate to the best of their knowledge and belief.

EVERGREEN REAL ESTATE SERVICES RETIREMENT SAVINGS PLAN

Notes To Financial Statements (*Continued*)

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	2022	2021
Noninterest-bearing cash	\$ 52,333	\$ 248
Mutual funds	5,038,549	5,848,406
Collective trust funds	109,603	102,322
Notes receivable from participants	172,280	111,875

Charles Schwab also certified to the completeness and accuracy, to the best of their knowledge and belief, related the following investment gains (losses) and interest income on notes receivable from participants for the years ended December 31:

	2022	2021
Net change in fair value of investments	\$ (1,170,801)	\$ 516,544
Dividend income	122,911	156,601
Interest income on notes receivable from participants	7,295	7,480

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets; |

EVERGREEN REAL ESTATE SERVICES RETIREMENT SAVINGS PLAN

Notes To Financial Statements (*Continued*)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds

Valued at the NAV of units of the individual fund. The NAV, as provided by the trustee of the invested fund, is used as a practical expedient to estimate fair value and is calculated daily by the trustee. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Withdrawals from the collective trust funds for benefit payments are made within 30 days after the request for distribution. Each of the collective trust funds files an annual report on Form 5500 as a direct filing entity, and there are no capital commitments related to these investments. Because the collective trust funds are measured at fair value using NAV, they have not been categorized in the fair value hierarchy.

Notes To Financial Statements (*Continued*)

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,038,549	\$ —	\$ —	\$ 5,038,549
Total assets in the fair value hierarchy	\$ 5,038,549	\$ —	\$ —	5,038,549
Investments measured at net asset value per unit (a)				109,603
Total Assets At Fair Value				\$ 5,148,152

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,848,406	\$ —	\$ —	\$ 5,848,406
Total assets in the fair value hierarchy	\$ 5,848,406	\$ —	\$ —	5,848,406
Investments measured at net asset value per unit (a)				102,322
Total Assets At Fair Value				\$ 5,950,728

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

There have been no changes in the methodologies used at December 31, 2022 or 2021.

5. Income Tax Status

Effective July 1, 2021, the Plan was restated and adopted a pre-approved plan document sponsored by FIS Business Systems, LLC. Alliance Pension Consultants, LLC received an opinion letter from the IRS, dated June 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS.

Prior to June 30, 2021, the Plan used a prototype plan document sponsored by The Retirement Advantage, Inc. The Retirement Advantage, Inc. obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC.

The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax exempt as of the financial statement date. As such, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party In Interest Transactions

During 2022 and 2021, certain investments in mutual funds were managed by an affiliate of Charles Schwab. In addition, certain participants have outstanding notes receivable as of December 31, 2022 and 2021. These transactions are considered party in interest transactions allowable under ERISA.

EVERGREEN REAL ESTATE SERVICES RETIREMENT SAVINGS PLAN

Notes To Financial Statements (*Continued*)

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:
