The Plan Administrator and Board of Directors
S.E.A. Wire & Cable, Inc. 401(k) Asset Accumulation Retirement Plan

We have audited the financial statements of S.E.A. Wire & Cable, Inc. 401(k) Asset Accumulation Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), for the year ended December 31, 2022, and we will issue our report thereon dated October 9, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 23, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair value of investments held by the Plan is based on the valuation methods as described in Note 4 of the financial statements for each investment type. We obtained confirmation from the Trustee certifying the fair value of the investments and agreed the Plan's financial statements to these amounts.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of fair value measurements in Note 4 of the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 990 Procedures

We are required to obtain and read a substantially complete draft of Form 990 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 990 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 9, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedules accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-

required supplemental schedules to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of management, the Board of Directors and others within the Plan of S.E.A. Wire & Cable, Inc. 401(k) Asset Accumulation Retirement Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITORS' REPORT

to the Plan Administrator
SEA Fire Cable, Inc 41() Asset Accumulation Retirement Plan

Standard No. 103(3)(C) Audit

We have performed audits of the accompanying financial statements of SEA Fire Cable, Inc 41() Asset Accumulation Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) the financial statements comprise the statements of net assets available for benefits as of December 31, 2018, and 2019, the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audits of SEA Fire Cable, Inc 41() Asset Accumulation Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to CF 5 1 of the Department of Labor's rules and regulations for reporting and disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with CF 5 1 5 of the Department of Labor's rules and regulations for reporting and disclosure under ERISA (qualified institution)

Management has obtained certifications from a qualified institution as of December 31, 2018, and 2019, and for the year ended December 31, 2019, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (AAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SEA Cable, Inc. 41() Asset Accumulation Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our EISA Section 1 (a)() (C) audit opinion.

Responsibilities of Management and the Audit Committee

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the EISA Section 1 (a)() (C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SEA Cable, Inc. 41() Asset Accumulation Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities to Report on the Audit Committee's Financial Statement Report

In accordance with the Scope and Nature of the EISA Section 1 (a)() (C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with AAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with AAS, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SEACable, Inc. 41() Asset Accumulation Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SEACable, Inc. 41() Asset Accumulation Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether the same are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Material Schedule of Assets (Held at End of Year) under ERISA

The supplemental schedule of schedule H, line 4i – schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's rules and regulations for reporting and disclosure under ERISA. Such information is the responsibility of management and, as derived from and relates directly to the underlying accounting and other records used to prepare the financial statements, the information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with AAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's rules and regulations for reporting and disclosure under ERISA.

in our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's rules and regulations for reporting and disclosure under EISA
- the information in the supplemental schedule related to assets held by and certified to be a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of EISA Section 101(a)(3)(C)

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the S.E.A. Wire Cable, Inc. 401(k) Asset Accumulation Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General Description

The Plan is a defined contribution plan established on January 1, 1984, covering substantially all employees of S.E.A. Wire Cable, Inc. (the Sponsor or the Company). Participation in the Plan is voluntary for all employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 15% of their annual compensation, as defined in the Plan. Participants who have attained age 55 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation with an annual increase of 1% (not to exceed 15%) of pretax deferral contribution until a deferral rate of 15% is reached, unless otherwise specified by the participant. For the year ended December 31, 2021, the Plan Sponsor elected to make discretionary matching contributions equal to 100% of employee contributions up to 6%.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested at all times in their voluntary contributions and earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants vest ratably after two years of service starting at the first year and are 100% vested after six years of credited service.

Effective January 1, 2022, participants will vest ratably after one year of service starting at the first year and will be 100% vested after four years of credited service.

1. DESCRIPTION OF THE PLAN — CONTINUED

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$5,000 up to a maximum of \$5,000, or 5% of their vested account balance. The notes are secured by the balance in the participant's account. Loans to participants are to be repaid through payroll deductions in installments not to exceed five years and bearing interest at a rate based on prevailing interest rates at the time of the loan as determined by the Plan Administrator. A loan used for financing the purchase of the participant's principal residence may be repaid over a longer period of time while on an authorized unpaid leave of absence. Participants may defer loan payments for up to one year. The interest rate is the prime rate as published in the Wall Street Journal on the 14th of each month, plus 1%.

Excess Contributions Paid

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022. The Plan did not have excess contributions to distribute as of December 31, 2021.

Plan Withdrawals

On termination of services due to death, disability or retirement, a participant, or beneficiary in case of death, may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or to transfer the value of the vested account into another qualified plan or individual retirement account. Terminated participants with a vested balance less than \$5,000 that have not elected a payment will automatically be rolled over to an individual retirement plan unless the participant elects a distribution. Withdrawals may be made from all or a portion of the participant's vested account balance once he or she reaches age 59½.

Participants may withdraw the vested portion of their account and income earned thereon in the event of a participant's immediate financial hardship, as defined in the Plan agreement. Hardship distributions may not exceed the amount of the participant's financial hardship and may not be repaid by the participant. If a participant makes a hardship withdrawal, the right to make voluntary contributions will be suspended for six months.

Forfeited Accounts

At December 31, 2022, and December 31, 2021, forfeited nonvested accounts totaled \$1,450 and \$1,540, respectively. These accounts will be used to reduce future employer contributions. Also, in 2022, employer contributions were reduced by \$56 from forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basic Accounting Policies

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Uncertainty in the Measurement of Financial Statements

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments are Reported at Fair Value

Investments are reported at fair value. Fair value is the price that could be received to sell an asset or avoid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants are Measured at Their Unpaid Principal Balance

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022, or 2021.

Benefits are Recorded When Paid

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to participant-initiated transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation of fair value of investments.

Subsequent Events

Management has evaluated subsequent events through October 31, 2022, the date the financial statements were available to be issued.

3. CERTIFIED INVESTMENTS

Certain information related to investments and investment-related accounts disclosed in the accompanying financial statements, including investments held at December 31, 2022, and 2021, and net depreciation in fair value of investments and interest and dividends for the year ended December 31, 2022, as obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under the accounting standards are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of an input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact that price. The mutual funds held by the plan are deemed to be actively traded.

Common collective trust The common collective trust is composed primarily of full benefit responsive investment contracts that are valued at the NAV of units of the common collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient could not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. There are currently no redemption restrictions or unfunded commitments on these investments.

Net depreciation in fair value of investments represents the change in fair value during the year, including realized and unrealized gains and losses.

4. FAIR VALUE MEASUREMENTS – CONTINUED

The methods described on the previous page may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth below, within the fair value hierarchy, the plan's assets at fair value as of

Assets at Fair Value as of December 31, 2022				
	Standard Practice			
	Assets	Other	Standard Practice	
	Measurable	Other	Unmeasurable	
Description	Level 1	Level 2	Level 3	Total
Mutual funds	14,145			14,145
Interest in common collective trust measured at NA ^(a)				51,
Investments at fair value	14,145			14,145
Assets at Fair Value as of December 31, 2021				
	Standard Practice			
	Assets	Other	Standard Practice	
	Measurable	Other	Unmeasurable

Mutual funds	1,667			1,667
Interest in common collective trust measured at NA ^(a)				546,
Investments at fair value	1,667			1,667

(a) These investments are measured using NA as practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statements of net assets available for benefits.

□ PARTY-INTEREST TRANSACTIONS

The trustee and their affiliates performed services for, sold products to, and managed and maintained certain investments of the plan for which fees were charged to the plan. Part in interest transactions also include notes receivable from participants. Such transactions, while considered part in interest transactions under EISA, are permitted under the provisions of the plan and are specifically exempt from the prohibition of part in interest transactions under EISA.

□ PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the plan to discontinue contributions at any time and to terminate the plan subject to the provisions of EISA. In the event of plan termination, participants would remain 100% vested in their employer contributions.

□ TAX STATUS

The plan Sponsor has adopted a profit-sharing plan sponsored by Fidelity. The plan Administrator believes that the plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the plan is qualified and tax-exempt as of December 31,

AA requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions, including the IRS. The plan is not currently under IRS examination for any plan years.

□ RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan Administrator and Board of Directors
S.E.A. Wire & Cable, Inc. 401(k) Asset Accumulation Retirement Plan

In planning and performing our audit of the financial statements of S.E.A. Wire & Cable, Inc. 401(k) Asset Accumulation Retirement Plan (the "Plan") as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.
