INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Cybersoft 401(k) Profit Sharing Plan

Opinion

We have audited the accompanying financial statements of Cybersoft 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Cybersoft 401(k) Profit Sharing Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cybersoft 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cybersoft 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cybersoft 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cybersoft 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EBP (1/22)

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CYBERSOFT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Cybersoft 401(K) Profit Sharing Plan is sponsored and administered by Cybersoft Technologies, Inc. (“the Company” or “Plan Administrator”), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a single-employer, defined contribution plan covering all eligible employees of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility – All employees become eligible to participate in the Plan as of the first day of the month coinciding with or next following date upon the completion of six months of employment with the Company.

Contributions - Eligible employees have the option to contribute pre-tax elective deferrals and/or Roth elective deferral contributions. A participant’s contribution may not exceed the annual limit established by the Internal Revenue Code (“IRC”) at the beginning of such taxable year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as well.

The Company makes matching contributions on behalf of participants at the rate identified in the table in the Vesting section of Note 1 up to the first 3% of each participant’s eligible earnings. Participants are eligible for matching contributions upon completion of 1,000 hours of service in the applicable plan year and be employed by the Company on the last day of the Plan year.

Effective April 2020 the Company suspended the employer matching contribution due to the current economic condition affected the Company’s business, which was reinstated from January 1, 2022.

Participant Accounts – Each participant in the Plan determines the allocation of his or her contributions and related employer match, if applicable, among various investments funds. Each participant may choose to deposit all contributions in one fund or split the investment in any whole percentage as he or she may designate among the investment options.

Rollover contributions – The Plan accepts direct and indirect rollover of eligible rollover distributions from qualified plans and IRAs, irrespective of whether such employee has met the age and service requirements. An eligible employee who has not yet met any of the eligibility requirements of the Plan will be deemed a Participant only with respect to amounts, if any, in his rollover contribution account. During the years ended December 31, 2021 and 2020, total rollovers of \$0 and \$8,080 were contributed in the Plan.

CYBERSOFT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Employer non-elective profit sharing and matching contributions are vested based on the following:

<u>Years of Vesting Services</u>	<u>Matching Contribution %</u>
Less than One Year	0%
One Year but less than Two Years	25%
Two Years but less than Three Years	50%
Three Years but less than Four Years	75%
Four or More Years	100%

Forfeitures –The non-vested balance in a participant’s account is forfeited upon termination of service. Forfeitures may be used to pay administrative expenses and to reduce future Company contributions as described in Section 6(d) of Basic Plan Document. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 each year. No non-vested forfeitures amount were used to pay the Plan expenses during the year.

Notes Receivable from Participants – Participants may borrow from their fund accounts the lesser of \$50,000 or one half of their vested account balance with a minimum loan requirement of \$1,000. Loan terms have a maximum term of five years, except for loans used to acquire a dwelling unit that, within a reasonable time, will be used as the principal residence. Such loans are secured by the participant’s vested account balance and bear interest at the rate of 4.25% to 6.5%. Loans can be refinanced once each Plan Year. Principal and interest are paid ratably through payroll deductions.

Plan Termination – The Company intends to continue the Plan indefinitely for the benefit of its employees but reserves the right to terminate the Plan at any time subject to the provisions of ERISA. Upon termination or partial termination of the Plan, the rights of all affected participants and the amounts allocated to each participant’s account would be fully vested.

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Payment of Benefits – Upon separation of service due to death, disability, retirement, or termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In case of death, benefits must be distributed to designated beneficiary by December 31 of the calendar year containing the fifth anniversary of the participant death.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Company. Loan administration fees are charged directly to the participant's account and are included in administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") using the accrual method of accounting, except for benefit payments, which are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants is measured at their unpaid principal balances, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are treated as distributions based on the terms of the Plan document.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits – Benefits to participants are recorded when paid.

Operating Expenses – All expenses of maintaining the Plan are paid by the Company or adjusted from forfeitures.

Subsequent Events – The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were to be issued.

Recently Issued Accounting Pronouncement – In August 2018, the FASB issued Accounting Standards Update (ASU) No. 2018-13, Fair Value Measurement (Topic 820) Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measure. ASU 2018-13 eliminates disclosures FASB felt relied too heavily on subjective information that may have been misinterpreted and strengthens remaining disclosures to provide investors with increased transparency for the estimates and assumptions used in valuation. The amendments for fair value measurement disclosures are effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after Dec. 15, 2019.

NOTE 3 – TRUSTEE AND CUSTODIAN

The Company serves as the Plan administrator. The Plan participant records are maintained by PAi Trust Company, Inc. who serves as the Plan Trustee. The Plan Trustee is to manage the investments of the Plan and held Plan investment assets.

NOTE 4 – INVESTMENT AND RELATED INVESTMENT INCOME CERTIFIED BY PLAN ASSET CUSTODIAN

Information as of December 31, 2022 and the related investment income for the year then ended has been certified to be complete and accurate by PAi Trust Company, Inc., as permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 5 – TAX STATUS

The Plan received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020. The Plan has been amended since receiving the determination letter. However, the Plan

NOTE 5 – TAX STATUS (continued)

administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value.

The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

CYBERSOFT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 6 – FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds and ETFs: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Similar to a mutual fund, an exchange-traded fund contains a basket of investments that can include stocks and bonds. An ETF usually tracks an underlying index such as the S&P 500 but can follow an industry, sector, commodities, or even currency. An exchange-traded fund's price can rise and fall just like other investments. These products trade throughout the day just as a stock would trade.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Asset at Fair Value as of December 31, 2022				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Money Market funds	\$ 517	\$ -	\$ -	\$ 517

CYBERSOFT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 7 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market values of investments may decline for a number of reasons, including changes in prevailing market and interest rates, increases in defaults and credit rating downgrades. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – RELATED PARTY TRANSACTIONS

Certain Plan investments are mutual funds or exchange traded funds (EFF) managed by PAi Trust Company, Inc. PAi Trust Company, Inc. is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are permissible under the provisions of ERISA.
