## *Independent Auditors' Report*

The Plan Administrator  
The Claflin Company Savings & Retirement Plan  
Warwick, Rhode Island

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed the audits of the financial statements of The Claflin Company Savings & Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. # **THE CLAFLIN COMPANY SAVINGS & RETIREMENT PLAN**

## ***Notes to Financial Statements***

### ***Note 1 - Description of Plan***

The following description of The Claflin Company Savings & Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. In the event that there is a conflict between information provided in this document and the Plan agreement, the terms in the Plan agreement will prevail.

#### ***General***

The Plan is a defined contribution profit sharing plan with a cash deferral 401(k) arrangement and includes all employees of The Claflin Company, Almon Company, Hospital Associates and Claflin Service Company (collectively the “Employer”). Effective July 1, 2022, Employees who have completed 30 days of service and have attained age twenty-one are eligible to participate in the Plan (“Participants”). Prior to this date, employees were eligible to participate after six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments, other than any balances in forfeiture accounts, are participant directed.

#### ***Participant Contributions***

Participants may contribute up to 100% of eligible pre-tax annual compensation to the Plan, subject to dollar limits set by Federal law. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“Participant Rollovers”).

#### ***Employer Contributions***

##### ***Matching Contributions***

The Employer’s matching contributions are made at the discretion of the Employer, subject to certain limitations. For the year ended December 31, 2022, the Employer elected to contribute a matching contribution of 50% of the first 6% of eligible compensation that a participant contributes to the Plan. For the year ended December 31, 2022, Employer matching contributions totaled \$741,073.

##### ***Profit Sharing Contributions***

At its discretion, the Employer may contribute a profit sharing contribution each plan year. Effective July 1, 2022, in order to participate in an Employer profit sharing contribution, a participant must be employed on the last day of the plan year and must have completed 30 days of service during the plan year. Prior to this date, employees were eligible to receive a profit sharing contribution after completing six months of service. Allocations are based on the ratio of a participant’s compensation to total compensation of all eligible Participants. There was no profit sharing contribution for the year ended December 31, 2022.

## *Notes to Financial Statements*

### **Note 1 - Description of Plan (Continued)**

#### ***Participant Accounts***

Each participant's account is credited with the participant's contributions and allocations of the Employer's contributions and plan investment earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting***

Participants are always fully vested in their deferral and rollover contributions plus actual earnings thereon. Participants start vesting in the Employer contributions portion of their accounts plus actual earnings thereon at the rate of 20% per year starting at the end of the first year of service, as defined, and become fully vested after five years of credited service. Upon death, disability, or attainment of normal retirement age, a participant is fully vested in all of their accounts.

#### ***Forfeitures***

A participant who leaves the employ of the Employer forfeits any non-vested balance upon the earlier of five consecutive one-year breaks in service or the distribution of the entire vested portion of their account. Forfeited amounts shall be first used to pay administrative expenses with amounts in excess of administrative expenses used to reduce future Employer contributions. As of December 31, 2022 and 2021, unallocated forfeited accounts amounted to \$10,582 and \$16,140, respectively. During the year ended December 31, 2022, \$20,000 of forfeitures were used to offset a portion of Employer matching contributions and \$13,452 were used to reduce administrative expenses.

#### ***Payment of Benefits***

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Also upon termination, if a participant's vested account is less than \$1,000, and the participant does not elect to receive the distribution, the Plan administrator may distribute the participant's vested account balance directly to the participant without consent. If the participant's balance is greater than \$1,000 but less than \$5,000, the Plan administrator is allowed to rollover the remaining balance to an IRA. In-service withdrawals are allowed from a participant's account upon attainment of age 59½. Hardship withdrawals may be taken from a participant's elective deferral account. In accordance with Internal Revenue Service regulations, prior to obtaining a hardship withdrawal, Participants must first exhaust all other assets reasonably available to them, including obtaining a loan from the Plan. Deferral contributions will be suspended for a six-month period after receipt of a hardship withdrawal.

#### ***Notes Receivable from Participants***

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years (or longer for the purchase of a primary residence). A participant may have two loans outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

## *Notes to Financial Statements*

### **Note 1 - Description of Plan (Continued)**

#### ***Plan Administration***

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Fidelity Management Trust Company ("Fidelity") is the Plan's trustee and custodian.

### **Note 2 - Summary of Significant Accounting Policies**

#### ***Administrative Expenses***

Individual participant accounts are charged directly for loan recordkeeping and benefit disbursement processing fees, if applicable. All other operating expenses incurred in the administration of the Plan are paid by the Employer.

#### ***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### ***Investments, Investment Valuation and Income Recognition***

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. See Note 4 for discussions of fair value measurements.

#### ***Notes Receivable from Participants***

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### ***Benefits Paid***

Benefits are recorded when paid.

#### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

## *Notes to Financial Statements*

### ***Note 2 - Summary of Significant Accounting Policies (Continued)***

#### ***Subsequent Events***

The Plan has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued. The Plan did not identify any material subsequent events requiring disclosure included in these financial statements.

### ***Note 3 - Information Certified by Trustee/Custodian***

Plan investments are held by Fidelity. Fidelity has certified to the fair value of investments as of December 31, 2022 and 2021 and investment transactions for the year ended December 31, 2022. Investment transactions include interest and dividend income and net depreciation in fair value of investments. Information included in the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and notes receivable from participants have also been derived from information certified by Fidelity. The Plan offers investment choices to allow Participants to create a diversified portfolio of assets based on a participant's risk tolerance. Participants in the Plan may direct contributions to a variety of investment options.

### ***Note 4 - Fair Value Measurements***

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of observable inputs to minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs that are unobservable inputs for the asset or liability.

## Notes to Financial Statements

### Note 4 - Fair Value Measurements (Continued)

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

#### Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

| Description  | Fair Value Measurements as of December 31, 2022 |             |             |                      |
|--------------|-------------------------------------------------|-------------|-------------|----------------------|
|              | Level 1                                         | Level 2     | Level 3     | Total                |
| Mutual funds | \$ <u>29,270,858</u>                            | \$ <u>-</u> | \$ <u>-</u> | \$ <u>29,270,858</u> |

| Description  | Fair Value Measurements as of December 31, 2021 |             |             |                      |
|--------------|-------------------------------------------------|-------------|-------------|----------------------|
|              | Level 1                                         | Level 2     | Level 3     | Total                |
| Mutual funds | \$ <u>32,731,355</u>                            | \$ <u>-</u> | \$ <u>-</u> | \$ <u>32,731,355</u> |

### Note 5 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events such as an international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

### Note 6 - Related-Party and Party-In-Interest Transactions

Plan investments are held by Fidelity. Fidelity is the trustee/custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid to Fidelity and other service providers amounted to \$63,431 for the year ended December 31, 2022. Notes receivable from Participants also qualify as party-in-interest transactions.

# THE CLAFLIN COMPANY SAVINGS & RETIREMENT PLAN

## *Notes to Financial Statements*

### ***Note 7 - Plan Termination***

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants would become fully vested in all of their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

### ***Note 8 - Excess Contributions Refundable***

At December 31, 2022 and 2021, the Plan had liabilities of \$8,592 and \$35,245, respectively, which represented the return of excess contributions required to satisfy the relevant nondiscrimination provisions of the Plan. The excess contributions were returned to participants by March 15, 2023 and 2022, respectively.

### ***Note 9 - Tax Status***

The Plan document is a Fidelity prototype using a standardized adoption agreement that received a favorable opinion letter on June 30, 2021. The plan administrator has adopted the prototype plan and believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
