Independent Auditors' Report

To the Participants and Trustees of
Community Action Agency of Columbiana County, Inc. Retirement Plan
Lisbon, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the financial statements of Community Action Agency of Columbiana County, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in the Certified Investment Information footnote to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the accompanying 2022 financial statements of Community Action Agency of Columbiana County, Inc. Retirement Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2022 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

As described in the Investments Excluded From Plan footnote to the financial statements, Community Action Agency of Columbiana County, Inc. Retirement Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Action Agency of Columbiana County, Inc. Retirement Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of Community Action Agency of Columbiana County, Inc. Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Community Action Agency of Columbiana County, Inc. Retirement Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion for the 2022 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on this supplemental schedule.

Other Matter – 2021 Financial Statements

The financial statements of the Plan as of, and for the year ended December 31, 2021, were audited by predecessor auditors. In their opinion dated September 29, 2022, the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with account principles generally accepted in the United States of America. The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(c).

Notes to Financial Statements

December 31, 2022 and 2021

Plan Description

The following description of the Community Action Agency of Columbiana County, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) retirement plan, which was established March 1, 1993, and was restated March 1, 2020, for the purpose of providing retirement benefits to eligible employees, as defined in the Plan Agreement. Employees of Community Action Agency of Columbiana County, Inc. (the Organization) are eligible to defer into the Plan on their date of employment. Eligibility to share in employer contributions is reached when an employee has completed two years of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan adopted certain optional provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020. The provisions included coronavirus-related distributions and waivers of required minimum distributions for impacted participants. The CARES Act has an amendment deadline of December 31, 2025. The Plan Sponsor expects to adopt amendments for the CARES Act prior to that date.

Contributions

Each year participants may contribute up to 100% of pretax annual compensation, as pretax or Roth contributions, as defined in the Plan, subject to Internal Revenue Code (IRC or code) limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at 1% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The employee has the opportunity to change the deferral rate or to opt out altogether.

Prior to July 1, 2021, the Organization made a matching contribution on behalf of the participant equal to 100% of the participants' salary deduction, up to 3% of the participant's compensation. Participants were required to be credited with two years of service at 1,000 hours per year to be eligible for the matching contribution. Effective July 1, 2021, the matching contribution changed to be 1% of the participant's compensation after one year of service at 1,000 hours, 3% of the participant's compensation after two years of service at 1,000 hours per year, or 5% of the participant's compensation after five years of service at 1,000 hours per year.

At its discretion, the Organization may also make an employer based contribution to the Plan for all eligible participants. In 2022 and 2021, there were no discretionary contributions made. Contributions are subject to certain statutory limitations.

Notes to Financial Statements

December 31, 2022 and 2021

Plan Description (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, discretionary matching contribution, and allocations of (a) the Organization's profit sharing contribution, (b) Plan earnings and losses, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in all contributions plus actual earnings thereon.

Investment Options

A participant may direct contributions in any of the investment funds offered by the Plan. Participants may change their investment options at any time.

Payment of Benefits

Upon termination, normal retirement, attaining age 59 ½, death, or permanent disability, a participant may receive the vested value of his or her account. Distributions may be made in a lump sum payment or installments. Hardship distributions are available, subject to plan provisions.

Summary of Significant Accounting Principles

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Trustee. See Fair Value Measurements footnote for discussion of fair value measurements.

Notes to Financial Statements

December 31, 2022 and 2021

Summary of Significant Accounting Principles (continued)

Net appreciation in fair value of investments is reflected in the statements of changes in net assets available for benefits and includes realized gains and losses on investments bought and sold and the change in appreciation from one period to the next.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the participant, as provided by the Plan agreement. Other expenses including management fees are borne by the Organization.

Fair Value Measurements

ASC 820 establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements

December 31, 2022 and 2021

Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Mutual Funds/Money Market Accounts: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets as fair value as of December 31, 2022 and 2021:

Investments at fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,503,323	\$ -	\$ -	\$ 4,503,323

Investments at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,540,116	\$ -	\$ -	\$ 5,540,116

There were no significant transfers between levels 1, 2, and 3 investments during the years ended December 31, 2022 and 2021.

Guaranteed Investment Contract

The Plan maintains fixed interest accounts with American United Life (the Custodian). The average yields for the years ended December 31, 2022 and 2021, were .70% and 1.05%, respectively, and are reviewed on a quarterly basis for resetting. The fixed interest account issuers are contractually obligated to repay the principal and the specified guaranteed interest rate to the Plan. Contract value represents contributions made under the contract, plus earnings less participant withdrawals. The contract value in the amount of \$224,085 and \$175,154 and are presented on the face of the statements of net assets available for benefits as of December 31, 2022 and 2021, respectively.

Notes to Financial Statements

December 31, 2022 and 2021

Guaranteed Investment Contract (continued)

The Plan's ability to receive amounts due is dependent on the Custodian's ability to meet its financial obligations. The Custodian's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the Custodian. Such events include the following: (1) amendments to the Plan Documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Accordingly, American United Life, a qualified institution, have certified the following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) as complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021;
- Net investment income and dividends and interest as shown in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2022 and 2021;
- Investment information included in the Notes to Financial Statements;
- All investment information included in the Supplemental Schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – As of December 31, 2022.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information included in the financial statements and ERISA-required supplemental schedule.

Notes to Financial Statements

December 31, 2022 and 2021

Parties In Interest

Included in Plan investments are shares of mutual funds managed by AUL. AUL is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Corrective Contribution

During 2021 and 2022, the Organization had a Covid Vaccine Bonus that did not include a 403(b) deduction or match. The financial statements reflect a receivable from the Organization for the correction made by One America of the operational failure. The Organization believes that the matters identified for remediation would not cause the Plan to be disqualified by the IRS; therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has recorded a receivable in the amount of \$2,074 to correct for the operational failure as of December 31, 2022.

Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated November 11, 2017, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (Code). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan Administrator has analyzed the tax position taken by the Plan, and has concluded that as of December, 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statement of net assets available for benefits.

Investments Excluded From Plan

The Plan has excluded from investments in the statements of net assets available for benefits certain annuity and custodial accounts, of an undetermined amount, issued to former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements. The effects on the financial statements from the exclusion of these investments are not readily determinable.

Notes to Financial Statements

December 31, 2022 and 2021

Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue contributions and terminate the Plan. In the event of termination or partial termination of the Plan, all amounts credited to a participants' account, including Organization contributions, become fully vested.

Subsequent Events

The Plan evaluated subsequent events through September 6, 2023, the date the financial statements were issued.
