Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the accompanying financial statements of 403(b) Thrift Plan for Employees of St. David's Center, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of 403(b) Thrift Plan for Employees of St. David's Center's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements referred to above of 403(b) Thrift Plan for Employees of St. David's Center. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

403(b) Thrift Plan for Employees of St. David's Center has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements referred to above may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of St. David's Center's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of 403(b) Thrift Plan for Employees of St. David's Center's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of 403(b) Thrift Plan for Employees of St. David's Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and of delinquent participant contributions as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules.

General

The Plan is a defined contribution plan covering substantially all employees of St. David's Center (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan excludes leased employees and nonresident aliens. Employees are eligible to make salary deferrals on the first day of the pay period coinciding with or immediately following date of hire. Employees must complete one year of service and work 1,000 hours to receive the Employer matching contribution. Employees enter the Plan on the first day of the month coinciding with or immediately following date of hire. Employees who are personal care assistants, waived services personal support, waived service in home, waived services respite support, therapeutic recreation support, work in group homes, supported living services, mental health practitioner field based for both autism spectrum disorder support services and mental health skills training staff, except those employees who are classified coordinator or supervisor, or highly compensated employees as defined in the Plan, are not eligible to receive the Employer matching contribution.

Contributions

Each year, participants may contribute to a salary reduction account up to the maximum permitted by the Internal Revenue Code (IRC). Participants who are age 50 or older as of the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing eligible rollover distributions from other qualified plans.

For the year ended December 31, 2022 and the period May 20, 2021 through December 31, 2021, the Employer made matching contributions of 50% of salary deferrals up to 6% of compensation.

Vesting

Participants hired prior to February 1, 2013, are immediately 100% vested in all contribution sources. For all participants hired on or after February 1, 2013, vesting in regards to matching contributions is as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1 Year	- %
1 Year	33
2 Years	66
3 Years	100

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's matching contribution, Plan earnings, and losses, and charged with an allocation of administrative expenses. Allocations are based on participant's compensation or account balances, as defined. Income is allocated daily based on each participant's share of the account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The Plan currently offers various investment options for participants including a variety of investments within mutual funds and general account investments.

Payment of Benefits

Upon termination of service, a participant will receive the value of the vested interest in his or her account in the form of a qualified joint and survivor (QJ&S) annuity distribution, unless the QJ&S is waived, in which case other forms of distribution are available. A participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution installment or as an annuity contract. Additionally, the Plan allows for in-service distributions if a participant reaches retirement age, as defined by the Plan. Prior to July 15, 2022, retirement age was defined as 65. Effective July 15, 2022, retirement age is defined as 59½. If a participant terminates employment with an account balance less than \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent. Participant withdrawals prior to termination are allowed in the event of financial hardship, as defined in the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms range up to 5 years or up to 10 years for the purchase of a primary residence. The notes are secured by the vested balance in the participant's account and bear interest at a fixed rate of one percentage point above the prime rate.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce future Employer contributions. As of December 31, 2022 and 2021, there were forfeited nonvested account balances of \$21,688 and \$19,214, respectively. For the years ended December 31, 2022 and 2021, forfeitures of \$8,621 and \$-0-, respectively, were used to reduce Employer contributions.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are valued at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain costs associated with the administration of the Plan are paid by the Employer. Investment expenses are paid by the Plan.

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2023, the date the financial statements were available to be issued.

Subsequent to year-end, the Plan documents were restated effective January 1, 2023. No major changes were made to Plan provisions.

NOTE 3 CERTIFICATION OF INVESTMENTS

Delaware Charter Guarantee and Trust Company dba: Principal Trust Company, the qualified institution, has provided the Plan administrator with certification as to the completeness and accuracy of notes receivable from participants and investment information reflected in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2022.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021:

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		2022			
		Level 1	Level 2	Level 3	Total
Mutual Funds		\$ 9,261,769	\$ -	\$ -	\$ 9,261,769
		2021			
		Level 1	Level 2	Level 3	Total
Mutual Funds		\$ 10,587,670	\$ -	\$ -	\$ 10,587,670

NOTE 5 INSURANCE COMPANY GENERAL ACCOUNTS

The Plan entered into an investment contract with Principal Trust Company (Principal). The crediting rate is based on a formula established by the contract issuer but may not be less than zero. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 5 INSURANCE COMPANY GENERAL ACCOUNTS (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

NOTE 6 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2017 received from the Internal Revenue Service (IRS) on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is, therefore, not subject to tax under current income tax law. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although the Plan Sponsor has no current intention of terminating the Plan, the Plan provides that upon termination the net assets of the Plan will be distributed to participants as prescribed in the Plan documents. Upon termination of the Plan, all participants would become 100% vested in all contribution sources.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan provides for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's investments were managed by Delaware Charter Guarantee and Trust Company dba: Principal Trust Company (an affiliate of Principal Financial Group), the custodian of the Plan, therefore, transactions with Delaware Charter Guarantee and Trust Company dba: Principal Trust Company represent party-in-interest transactions.

NOTE 10 SCOPE LIMITATIONS

Information relative to Plan activity and balances prior to 2006 could not be obtained from the Plan's third-party administrators. The Plan administrator believes a good faith effort was made to obtain all relevant information prior to January 1, 2006. However, as a result of the lack of historical Plan level financial reporting, the Plan administrator is unable to obtain Plan level information prior to January 1, 2006.

As a result of the inability to obtain Plan level information prior to January 1, 2006, certain participant account information could not be obtained from the Plan's third-party administrators in order to adequately complete testing of transactions from and allocations to participant accounts. The Plan administrator is aware of these limitations with the providers and believes a good faith effort was made to obtain this information. Since January 1, 2009, participant information necessary to adequately test transactions from and allocations to participant accounts exists and such tests as deemed necessary have been completed.

NOTE 11 NONEXEMPT TRANSACTION

During 2022, the Company failed to remit employee deferral contributions and loan payments for certain payroll periods within the timeframe prescribed by the Department of Labor. This is a deemed prohibited transaction in accordance with ERISA and the IRC. The Company is in process of correcting the prohibited transactions.
