Independent Auditor's Report

To the Plan Administrator of the Jeanne D'Arc Credit Union 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Jeanne D'Arc Credit Union 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institute agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Jeanne D’Arc Credit Union 401(k) Plan

Notes to Financial Statements

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

1. DESCRIPTION OF THE PLAN

The following brief description of the Jeanne D’Arc Credit Union 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan intended to qualify under section 401(k) of the Internal Revenue Code covering all eligible employees of the Jeanne D’Arc Credit Union (the “Credit Union”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to enable participating employees of the Credit Union to accumulate capital for their future economic security. The Plan enables participants to supplement their retirement income by accumulating an individual account balance during their years of employment with the Credit Union.

All assets acquired under the Plan, as a result of participant and Credit Union contributions, income and other additions, will be administered, distributed, forfeited and otherwise governed by the provisions of this Plan. The Plan is administered by the Credit Union (the “Plan Administrator”) for the exclusive benefit of participants in the Plan and their beneficiaries.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and Credit Union matching contributions, as well as allocations of the Credit Union’s profit-sharing contribution and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Eligibility

Any employee who has completed at least 3 months of service with the Credit Union and has attained 21 years of age is eligible to become a participant in the Plan relative to participant contributions on the first day of the month following the month they met the eligibility requirements.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4 percent of eligible compensation and their contributions invested in a designated default fund until changed by the participant.

See independent auditor’s report.

Jeanne D'Arc Credit Union 401(k) Plan

Participant Contributions

An active participant may elect to make two types of contributions to the Plan as follows:

Salary deferral contributions

Each active participant may elect, but shall not be required, to contribute a percentage of their compensation to the Plan each year, subject to certain limitations. These amounts will be remitted by the Credit Union to the Plan on their behalf.

Rollover contributions

An active participant may contribute to the Plan, with permission of the Plan Administrator, distributions from other qualified plans or individual retirement accounts, if the contributions satisfy the tax law requirements for a qualified rollover.

Employer Contributions

Basic matching contributions

A participant who has completed at least 1 year of service and worked 1,000 hours in that non-discretionary year, as defined by the Plan, with the Credit Union and has attained 21 years of age ("initial eligibility") is eligible for matching contributions. Each year the Credit Union will make a matching contribution in an amount equal to 50% of salary deferrals up to a maximum amount equal to 4% of a participant's compensation.

Non-elective contributions

In addition, the Credit Union may make a contribution in an amount equal to a percentage determined by the Board of Directors annually of each participant's total eligible base compensation, plus an additional contribution of up to 5.7% of such compensation in excess of the participant's social security taxable wage base up to the compensation limit. Participants that are actively employed at the end of the Plan year that satisfy the basic matching contributions eligibility requirements above will share in allocations regardless of the service completed during such Plan year. Participants who are not actively employed at the end of the Plan year will share in allocations if the participant completed more than 500 hours of service during such Plan year. Participants upon normal retirement, permanent disability, or death will share in allocations regardless of service completed during the Plan year.

Jeanne D'Arc Credit Union 401(k) Plan

Vesting

A participant is 100% vested in that portion of their account attributable to salary deferral and rollover contributions. Employer contributions will vest according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Distributions

Retirement, disability or death

Participants who retire or become disabled will be entitled to 100% of their account balance. Upon death, a participant's beneficiary will be entitled to 100% of the account balance, payable in accordance with the Plan Document.

Other termination of employment

Upon termination of employment for any reason other than retirement, disability, or death, participants shall be entitled to receive the vested amount of their account balance.

All distributions from the Plan are made as lump-sum payments, unless otherwise requested in writing.

Notes Receivable from Participants

Loans to participants are made in accordance with provisions in the Plan and are repaid through payroll deductions. The balance of a participant's loan account cannot exceed 50% of the participant's vested balance in the Plan. The Plan allows participants to have two loans outstanding at a time. The loans are secured by the balance in the participant's account. All loans shall bear a reasonable rate of interest as determined by the Plan Administrator. Loans are to be repaid within 60 months unless such loan is for the purchase of a participant's primary residence.

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$75,482 and \$211,575, respectively. These accounts will be used to reduce future employer contributions. Employer contributions were reduced by \$78,491 from forfeited non-vested accounts for the year ended December 31, 2022.

See independent auditor's report.

Jeanne D'Arc Credit Union 401(k) Plan

Investment Options

The Plan provides for participant-directed investment options by allowing participants to choose from a number of available investments.

Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by its investment advisors. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

See independent auditor's report.

Jeanne D'Arc Credit Union 401(k) Plan

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

3. FINANCIAL INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company (the "Trustee"), except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental Schedule of Assets (Held at End of Year). The Plan Administrator has obtained certifications from the Trustee for 2022 and 2021 that the information is complete and accurate.

Information certified as of December 31, 2022 and 2021, and for the year ended December 31, 2022, is as follows:

	2022	2021
Investments at fair value:		
Mutual funds	\$ 26,527,406	\$ 31,696,231
Participant loans:		
Notes receivable from participants	790,873	615,848
Investment income (loss):		
Net depreciation in fair value of investments	(8,045,989)	
Dividends and interest	2,140,141	
Interest income:		
Notes receivable from participants	28,392	

The Trustee also certified the information included in the Schedule of Assets (Held at End of Year).

See independent auditor's report.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Valuation is based on quoted prices in active markets for identical assets or liabilities. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 – Valuation is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using unobservable inputs to pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

In certain cases, inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See independent auditor's report.

Investments at Fair Value on a Recurring Basis

The following tables summarize the valuation of the Plan’s investments measured at fair value on a recurring basis as of December 31, 2022 and 2021:

	December 31, 2022			Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$ 26,527,406	\$ -	\$ -	\$ 26,527,406
Investments at fair value	<u>\$ 26,527,406</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 26,527,406</u>
	December 31, 2021			Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$ 31,696,231	\$ -	\$ -	\$ 31,696,231
Investments at fair value	<u>\$ 31,696,231</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 31,696,231</u>

5. TAX STATUS

The Plan is a prototype plan and a determination letter was received by Fidelity Management & Research Company on June 30, 2020, in which the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor (“DOL”). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to examinations for years prior to December 31, 2019.

6. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments consist of shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the Trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative costs of the Plan paid to the Trustee to originate and maintain loans amounted to \$125 for the year ended December 31, 2022. Fees paid for investment management services are included as a reduction of the return earned by each mutual fund. Notes receivable from participants also qualify as party-in-interest transactions.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to Form 5500:

	2022	2021
Net assets available for benefits per the financial statements	\$ 28,087,544	\$ 32,894,105
Less: employer contribution receivable	(769,265)	(582,026)
Net assets available for benefits per the Form 5500	<u>\$ 27,318,279</u>	<u>\$ 32,312,079</u>

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements for the year ended December 31, 2022, to Form 5500:

Net decrease per the financial statements	\$ (4,806,561)
Add: prior year employer contribution receivable	582,026
Less: current year employer contribution receivable	<u>(769,265)</u>
Net decrease per the Form 5500	<u>\$ (4,993,800)</u>

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 6, 2023, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.
