REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Plan Administrator of the
Safe-Harbor 403(b) Thrift Plan for Employees of Bay Area Legal Services, Inc.
Tampa, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Safe-Harbor 403(b) Thrift Plan for Employees of Bay Area Legal Services, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022**

NOTE A – DESCRIPTION OF PLAN

The following description of the Safe-Harbor 403(b) Thrift Plan for Employees of Bay Area Legal Services, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Bay Area Legal Services, Inc. (the Organization). The Organization serves as the Plan Administrator and controls and manages the operation of the Plan. Mutual of America Life Insurance Company (the contract issuer) is the contract issuer of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Section 403(b) Provision

All employees are eligible to enter into a Salary Reduction Agreement (the Agreement) with the Organization whereby compensation deferred under the Agreement is contributed by the Organization on behalf of the participant to the Plan. Upon hire, employees are deemed to have directed the Organization to make salary reduction contributions of 2% of compensation unless elected otherwise. The automatic salary reduction contribution increases by 1% each year until it reaches 5%. Participants may make an alternative deferral election at anytime up to 100% of their pretax annual compensation or maximum allowed by law (for the year ended December 31, 2022 the limit was \$20,500 and participants over 50 could defer an additional \$6,500) as defined by the Plan.

Effective January 1, 2019, the plan was amended to include safe harbor employer matching contributions equal to 100% of the salary reduction contribution up to 3% of compensation plus 50% of salary reduction contributions that exceed 3% but do not exceed 5% of compensation. The Organization made matching contributions of \$301,189 for the year ended December 31, 2022.

The Plan permits a non-safe harbor discretionary Employer Base Contribution for all participants who are either actively employed on the last day of the Plan year or who severed employment during the Plan year due to retirement, death, disability or military service. No discretionary Employer Base Contributions were made for the year ended December 31, 2022.

The contract issuer may, under certain circumstances, accept a rollover of funds from other qualified plans.

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocation of the Organization's contribution, and the Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, employer contributions, and related earnings.

OF BAY AREA LEGAL SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022**

NOTE A – DESCRIPTION OF PLAN (continued)

Forfeitures

The Plan is a safe harbor plan and 100% of contributions vest immediately; therefore, no forfeitures will arise under the Plan.

Notes Receivable from Participants

Participants with a minimum vested account balance of \$1,000 may borrow from their fund accounts up to a maximum equal to \$50,000 or 50% of their vested account balance, whichever is less. Loan terms may vary and bear interest at the prevailing rate at the time of the loan origination. The loans are secured by the vested balance in the participant's account.

Notes receivable from participants are reported at the outstanding principal balance of the loan, taking into account the applicable interest rate, amortization schedule, and repayments made for each loan. There were \$62,267 of participant loans outstanding at December 31, 2022 with interest rates of 3.25%. For the year ended December 31, 2021, there were \$64,984 of participant loans outstanding with interest rates of 3.25%. There is no credit risk involved with these loans as any participant defaults are then deemed taxable distributions. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Upon retirement, a participant may elect to receive a single lump-sum payment equal to the value of his or her account, a life or joint and survivor annuity or an installment distribution. If a participant's employment is terminated for a reason other than retirement or disability, they may elect at the time of separation the method the benefits will be distributed.

For participants who have attained age 59 1/2, the Plan allows for in-service distributions from the vested value of the participant's account.

A participant, prior to termination, may elect a hardship distribution under certain circumstances.

Investment Options

Participants may direct contributions into the following investment options:

Mutual of America General Account

The general account, which is considered a cash equivalent, provides interest at a rate determined by Mutual of America (0.25% at December 31, 2022).

Mutual of America Separate Account No. 2

Alternatively, participants may direct that all or a portion of their account balance be used to purchase units in various subaccounts of Mutual of America Separate Account No. 2. The subaccounts are each invested in distinct underlying mutual funds.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments

Investments in Separate Account No. 2

The subaccounts of Separate Account No. 2 are each invested in distinct underlying mutual funds that are registered with the Securities and Exchange Commission and are carried at the net asset value at which the mutual fund shares are actively traded.

Investments in General Account

The Plan's general account investments are valued at contract value, as estimated by the contract issuer, which represents contributions made under the contract, plus interest at the contract rate, less the sum of funds used to pay retirement benefits and administrative expenses.

Concentration of Credit Risk

The Plan's financial instruments that are exposed to concentrations of credit risk consist primarily of its investments. The Plan's investments are in high-quality securities placed with institutions with high credit ratings and are completely participant directed. The investment policy limits the Plan's exposure to concentrations of credit risk.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Monthly participant fees are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE C – FAIR VALUE MEASUREMENTS

Professional standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1

- Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

- Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

- Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable input and minimize the use of unobservable inputs.

Following is a description of the valuation methodology for the assets measured at fair value:

Investments in Separate Account No. 2 – The underlying mutual fund investments in the separate account are listed on national securities exchanges. The net asset value per share is a readily determinable fair value and is the basis for current transactions. The fair value of participation units owned by the Plan in the insurance company separate account are valued at the adjusted net asset value of units as determined by Mutual of America Life Insurance Company, the contract issuer. The investments are redeemable at the adjusted net asset value under the insurance company investment contract.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE C – FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2022:

	Fair Value	Level 1	Level 2	Level 3
Investments in Separate Account No. 2	\$ 10,310,525	\$ -	\$ 10,310,525	\$ -

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021:

	Fair Value	Level 1	Level 2	Level 3
Investments in Separate Account No. 2	\$ 13,178,934	\$ -	\$ 13,178,934	\$ -

The Plan's general account is an interest accumulation account. This account is comparable to a cash equivalent and, therefore, is not included in the fair value hierarchy. The current contract value, which approximates fair value, of the general account at December 31, 2022 and 2021 was \$3,628,464 and \$3,160,469, respectively.

NOTE D – INFORMATION CERTIFIED BY CONTRACT ISSUER

The following is a summary of the unaudited information included in the Plan's financial statements that was prepared or derived from information prepared by the contract issuer. The plan administrator has obtained a certification from the contract issuer that the information is complete and accurate as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

	<u>2022</u>	<u>2021</u>
Investments in Separate Account No. 2	\$ 10,310,525	\$ 13,178,934
Investments in General Account	3,628,464	3,160,469
Notes receivable from participants	62,267	64,984
Investment income on general account	8,815	n/a
Net appreciation (depreciation) on investments	(2,598,386)	n/a

The contract issuer's certification also covers all information presented in the accompanying supplemental schedule.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE F – TAX STATUS

The Plan has adopted the preapproved Mutual of America Life Insurance Company Prototype Safe-Harbor 403(b) Thrift Plan, which has received an opinion letter #J300872 from the Internal Revenue Service (IRS) on March 31, 2017, in which the IRS stated that the preapproved plan was in compliance with the applicable requirements of the Internal Revenue Code (Code). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator is not aware of any activities that would jeopardize the tax-exempt status for plan participants.

NOTE G – BENEFITS PAID TO PARTICIPANTS

Distributions to participants at December 31, 2022 totaled \$772,065. At December 31, 2022 there were no amounts allocated to withdrawing participants for benefit claims that have been processed and approved for payment.

NOTE H – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – PARTIES-IN-INTEREST TRANSACTIONS

Plan investments are managed by Mutual of America Life Insurance Company, the contract issuer of the Plan; therefore these transactions qualify as party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan.

NOTE J – SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 5, 2023, the date the financial statements were available to be issued.
