Seton Home Study School, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Seton Home Study School, Inc. 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits [and of accumulated plan benefits] as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Seton Home Study School, Inc. 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Seton Home Study School, Inc. 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Seton Home Study School, Inc. 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Seton Home Study School, Inc. 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Seton Home Study School, Inc. 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at the End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Seton Home Study School, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

1. Description of plan

The following description of the Seton Home Study School, Inc. (the School) 401(k) Plan (the Plan) provides only general information. Seton Home Study School is an accredited school assisting homeschooling parents by providing an academically excellent and authentically Catholic curriculum. The Plan agreement and summary plan description should be referred to for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the School who are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the lesser of seventy-five percent (75%) of pretax annual compensation or the maximum applicable amount defined by law, as defined in the Plan. Participants age 50 or older may make additional catch up contributions as defined by law. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The School makes matching contributions to each participant's pre-tax and Roth elective deferrals, matching 100% of the first 3% of compensation that a participant contributes to the Plan. Additional profit sharing amounts are allowed to be contributed at the option of the School's Board of Directors. No such contributions were made for the years ended December 31, 2022 and 2021.

Participant accounts

Each participant's account is credited with the participant's contributions and School contributions as well as allocations of the Plan's investment results and administrative expenses paid by the Plan. Allocations are based on participant investment results, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the School's portion of their accounts is based on years of continuous service. The Plan has a three-year cliff vesting requirement.

Notes receivable from participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Payments are due at least quarterly and are allocated to principal and interest.

Payment of benefits

A terminated or retired participant or a participant's beneficiary, with a vested balance exceeding \$5,000, may elect to have the vested balance in his or her account paid by one of the following methods: (1) Lump sum distribution or (2) direct rollover into another qualified plan or individual retirement account ("IRA") specified by the participant. Upon termination of services, participants with a vested balance less than \$5,000 receive automatic distributions without participant consent. Hardship distributions are permitted upon demonstration of financial hardship. All fully vested balances are available for distribution after the participant reaches that age of 59½.

Forfeited accounts

There were no forfeited non-vested amounts as of December 31, 2022 and 2021.

Seton Home Study School, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

2. Summary of accounting policies

Basis of accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value in the financial statements. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Participant loans are valued at their outstanding balances.

Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses and parties in interest

Most costs and expenses of administering the Plan are paid by the School except for fees paid to the investment managers from their respective funds and certain fees paid directly by the participants.

The Plan invested in shares of registered investment companies managed by the trustee. A portion of the income or loss of the Plan was derived from these investments. Fees paid by the Plan to the custodian for certain investment management fees were deducted from the net asset values of the registered investment companies held by the Plan.

Fees totaling \$3,597 and \$3,337 were paid by the Plan to Paychex, Inc. for the years ended December 31, 2022 and 2021, respectively. Fees totaling \$860 and \$932 were paid by the Plan to Mid-Atlantic Trust Company for the years ended December 31, 2022 and 2021, respectively. Paychex, Inc. and Mid-Atlantic Trust Company are considered to be parties in interest to the Plan.

3. Fair value measurements

The Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs. The following section describes the valuation methodologies the Plan uses to measure its assets at fair value.

Registered investment companies (mutual funds): Mid Atlantic Trust Company uses prices obtained from the NSCC and various transfer agents in valuing the positions as of the statement date. Mutual funds are priced and trades are executed at the published net asset value daily, or the public offering price for accounts trading under rights of accumulation (ROA). The net asset values used for valuation purposes are widely available.

See independent auditor's report.

Seton Home Study School, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value as of December 31, 2022 and 2021 are summarized below.

Assets at fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Fair Value
Registered investment companies	\$ 2,870,061	\$ -	\$ -	\$ 2,870,061
Total	\$ 2,870,061	\$ -	\$ -	\$ 2,870,061

Assets at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Fair Value
Registered investment companies	\$ 3,221,673	\$ -	\$ -	\$ 3,221,673
Total	\$ 3,221,673	\$ -	\$ -	\$ 3,221,673

4. Plan termination

Although it has not expressed any intent to do so, the School has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts.

5. Tax status

The Plan was adopted under a prototype plan sponsored by Paychex. The prototype plan has received an opinion letter dated August 31, 2020 from the Internal Revenue Service (IRS) as to the prototype plan's qualified status. The prototype plan's opinion letter has been relied upon by the Plan. The plan administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

In accordance with authoritative guidance issued by the FASB, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits for any tax periods in progress. The Plan is subject to income tax examinations for years ended December 31, 2019 through December 31, 2022.

6. Risks and uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

See independent auditor's report.

Seton Home Study School, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2022 and 2021

7. Information prepared and certified by the trustee

The plan administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Accordingly, as permitted under such election, the investment information certified by Mid Atlantic Trust Company were not audited by the independent auditors except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

The Plan's financial information that was certified by Mid Atlantic Trust Company is summarized as follows:

- a) Total investments as shown in the accompanying statement of net assets available for benefits of \$2,870,061 and \$3,221,673 as of December 31, 2022 and 2021, respectively.
- b) Net investment (loss) income as shown in the accompanying statements of changes in net assets available for benefits of (\$518,318) and \$307,355 for the years ended December 31, 2022 and 2021, respectively.
- c) All investments-related information in the accompanying supplemental Schedule H, Line 4i-Schedule of Assets (Held At End of Year) as of December 31, 2022.

8. Reconciliation of financial statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2022	2021
Net assets available for benefits per the financial statements	\$ 2,964,062	\$ 3,312,206
Less: contributions receivable	(11,252)	(11,068)
Net assets available for benefits per the Form 5500	<u>\$ 2,952,810</u>	<u>\$ 3,301,138</u>

The following is a reconciliation of the change in net assets per the financial statements to the Form 5500 as of December 31:

	2022	2021
Change in net assets per the financial statements	\$ (348,144)	\$ 475,153
Plus: prior year contributions receivable	11,068	9,550
Less: current year contributions receivable	(11,252)	(11,068)
Net increase in net assets per the Form 5500	<u>\$ (348,328)</u>	<u>\$ 473,635</u>

9. Subsequent events

The Plan has assessed events occurring subsequent to December 31, 2022 through October 9, 2023, the date the financial statements were available to be issued, for potential recognition and disclosure in the financial statements. No events have occurred that would require adjustment to or disclosure in the financial statements.

See independent auditor's report.
