The Plan Committee
Premier Research International LLC 401(k) Plan
Morrisville, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Premier Research International LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PREMIER RESEARCH INTERNATIONAL LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the Premier Research International LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Premier Research International LLC (the “Company” or “Plan Sponsor”), covering all employees of the Company who meet the age and service requirements as defined in the plan document. The Plan was most recently amended and restated effective August 1, 2022. Principal Trust Company (“Principal”), a member of the Principal Financial Group, serves as the Plan’s trustee and recordkeeper (the “Trustee”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Transfers

Effective March 1, 2022, the Plan was amended to add Health Decisions, Inc. (“Health Decisions”), Camargo Pharmaceutical Services, LLC (“Camargo”), and Paidion Research Inc. (“Paidion”) as adopting employers of the Plan. In addition, the Plan Sponsor elected to merge plans administered by Health Decisions, Camargo, and Paidion into the Plan. The transferring assets, including notes receivable from participants, and the value of those assets that were merged into the Plan in March and April 2022 are as follows:

Camargo Pharmaceutical Services LLC 401(k) Profit Sharing Plan	\$ 5,232,888
Health Decisions 401(k) Plan	6,384,196
Paidion Research 401(k) Savings Plan	<u>773,486</u>
Total	<u>\$ 12,390,570</u>

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 1: DESCRIPTION OF PLAN (continued)

Contributions

Eligible participants are automatically enrolled in the Plan at a contribution of 3% of their eligible wages on the first day of the month after 30 days of employment. Effective July 1, 2022, the deferral rate under the automatic enrollment provision increases by 1% each year, up to a maximum of 10%. The participant may affirmatively elect a different percentage or elect not to make elective deferral contributions. Participants may contribute up to 100% of their pretax annual compensation as defined in the plan document, subject to Internal Revenue Service (“IRS”) 401(k) elective deferral limits. Participants aged 50 or older are eligible to make catch-up contributions. Participants may roll over distributions from other qualified plans to their accounts subject to approval by the Plan Sponsor.

Effective January 1, 2022, the Plan permits participants to transfer part or all of a non-Roth account to a Roth account in the Plan.

The Company makes fixed matching contributions equal to 50% of the first 6% of each participant’s contribution. Matching contributions on catch-up contributions are not allowed by the plan document. Additionally, the Company may make nonelective employer contributions to participants at the Company’s discretion. During 2022, there were no additional discretionary contributions made to the Plan.

Participants’ Accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contributions, if any, and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on a participant’s earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. The employer matching contributions and nonelective employer contributions vest on a schedule as follows:

Years of Service for Vesting Purposes	Percentage Vested
Less than 2	0%
2	50%
3 or more	100%

PREMIER RESEARCH INTERNATIONAL LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN (continued)

Employer matching and profit-sharing contributions transferred from the Health Decisions plan vest on a schedule as follows:

Years of Service for Vesting Purposes	Percentage Vested
Less than 1	0%
1	33%
2	67%
3 or more	100%

Employer matching contributions transferred from the Camargo plan vest on a schedule as follows:

Years of Service for Vesting Purposes	Percentage Vested
Less than 1	0%
1	34%
2	67%
3 or more	100%

Profit-sharing contributions transferred from the Camargo plan and employer matching contributions transferred from the Paidion plan were immediately vested.

Regardless of the vesting schedule, participants shall become fully vested upon death or total disability.

Forfeited Accounts

Forfeitures occur upon termination of employment by a participant who is not fully vested. Forfeiture amounts relating to employer contributions may be used to pay Plan administrative expenses or reduce employer contributions. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$87,105 and \$13,515. During 2022, forfeitures of \$259,666 were used to reduce employer matching contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loan term is up to a maximum of five years unless the loan is for the purchase of a primary residence, in which case the term is a maximum of 15 years.

PREMIER RESEARCH INTERNATIONAL LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN (concluded)

The loans are secured by the balance in the participant's account and bear interest at the Prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. A participant may have two loans outstanding at any one time.

Payment of Benefits

Upon termination of service, a participant may receive a lump-sum payment in the amount equal to the vested value of their account. An employee with a balance of less than \$5,000 may be automatically paid out by the Plan upon termination. Distributions may be made at the participant's election prior to termination upon attainment of age 59½ or hardship as defined in the plan document. Upon death, the Plan will pay the vested account balance to the beneficiary in a lump sum or installments sufficient to satisfy a required mandatory distribution.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. The investment in the Galliard Stable Return Fund PN is valued using net asset value ("NAV") as a practical expedient. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PREMIER RESEARCH INTERNATIONAL LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Trustee and recordkeeping fees incurred in connection with the general administration of the Plan that are paid by the Plan are included in administrative expenses. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held and notes receivable from participants as of December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

PREMIER RESEARCH INTERNATIONAL LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 4: FAIR VALUE MEASUREMENTS (continued)

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of an input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund - Valued based on the underlying unit value as provided by the Trustee. The market value of a collective trust fund is not publicly quoted. Valuation of the funds' units occurs daily. Unit values are determined by dividing the value of each fund's net assets by the total number of participants' units outstanding on the valuation date. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly, business manner.

Total investments at fair value	\$ 67,472,977	\$ 5,969,743	\$ -	\$ 76,281,163

Investment in Entities That Use NAV as a Practical Expedient

The NAV of the Galliard Stable Return PN Fund as of December 31, 2022 and 2021, was \$3,959,742 and \$2,838,443. The value of this fund is measured using NAV as a practical expedient and has been excluded from the fair value hierarchy. The fund has a daily redemption frequency. There are no unfunded commitments.

PREMIER RESEARCH INTERNATIONAL LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 5: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan invests in certain funds managed by the Trustee of the Plan; therefore, transactions related to these funds qualify as party in interest transactions that are allowable under ERISA.

The Trustee provides certain administrative services to the Plan pursuant to an agreement between the Plan and the Trustee. The Trustee receives revenue from mutual fund and collective trust fund service providers for services the Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Trustee for their administrative services provided to the Plan. If the revenue received by the Trustee from such service providers exceeds the amount owed under the agreement, the Trustee remits the excess to the Plan.

The Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. The Plan made direct payments to third-party administrators of \$108,886 for recordkeeping and contract administration services that were not covered by revenue sharing.

NOTE 6: INCOME TAX STATUS

The Plan Sponsor adopted the Wells Fargo Bank, N.A. Defined Contribution Volume Submitter Plan and Trust (the “Volume Submitter Plan”) through June 30, 2022. The Volume Submitter Plan obtained its latest opinion letter dated March 31, 2014, in which the IRS stated that the Volume Submitter Plan, as then designed, was compliant with the applicable requirements of the Internal Revenue Code (“IRC”).

On July 1, 2022, The Plan Sponsor adopted the Principal Financial Group Pre-Approved Basic Savings Plan (the “Prototype Plan”). The Prototype Plan obtained its latest opinion letter dated June 30, 2020, in which the IRS stated that the Prototype Plan, as then designed, was compliant with the applicable requirements of the Internal Revenue Code (“IRC”).

The Plan has been amended since receiving the latest opinion letters. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities.

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 7: DELINQUENT PARTICIPANT CONTRIBUTIONS

Title I of ERISA requires that all employee contributions be submitted to the Plan as soon as administratively possible, but no later than the 15th business day of the month following the month of being withheld from compensation. During 2021, loan repayments totaling \$733 were not remitted timely. Amounts were fully corrected during 2022.

NOTE 8: SUBSEQUENT EVENTS

The Plan Sponsor has evaluated subsequent events through the report date, the date these financial statements were available for issuance, and determined that no events have occurred that would require adjustment to or disclosure in these financial statements.
