A Name of plan <u>CAPARO EMPLOYEES RETIREMENT SAVINGS PLAN</u>		B Three-digit plan number (PN) <u>065</u>
C Plan sponsor's name as shown on line 2a of Form 5500 <u>BULL MOOSE TUBE COMPANY</u>		D Employer Identification Number (EIN) <u>43-1518352</u>

Part I Asset and Liability Statement			
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Net Income and Reconciliation			
k Net income (loss). Subtract line 2j from line 2d	2k		-6954189
l Transfers of assets:			
(1) To this plan	2l(1)		5440
(2) From this plan	2l(2)		0

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **ARMANINO LLP**

(2) EIN: **94-6214841**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n		X	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection.
For calendar plan year 2022 or fiscal plan year beginning 01/01/2022 and ending 12/31/2022

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Caparo Employees Retirement Savings Plan
Chesterfield, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Caparo Employees Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Caparo Employees Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Caparo Employees Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Caparo Employees Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Caparo Employees Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Caparo Employees Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Caparo Employees Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan was adopted by Bull Moose Tube Company effective October 1, 1987. It is a defined contribution plan with a 401(k) feature. The Plan has been amended from time to time and now covers all non-union, non-leased, non-temporary employees who are residents of the United States and who have completed three months of service with the Company are eligible to participate in the Plan. The Company is currently defined as Caparo Bull Moose, Inc. ("CBM") (formerly Bull Moose Industries, Inc. formerly Caparo, Inc.), its wholly-owned subsidiary Bull Moose Tube Company ("BMT"), BMT's wholly owned subsidiaries Bock Industries, Inc., Warren Tube Company, Bull Moose Tube of Casa Grande, LLC, Bull Moose Engineering, Inc (formerly Grand River Fabricating, Inc. and Elkhart Metal Fabricating, Inc).

New participants enter the Plan on the first day of each month, following their completion of the eligibility requirements.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Eligible employees will be automatically enrolled in the Plan and compensation will be adjusted for a 3% automatic deferral, unless the employee affirmatively elects otherwise. Participants may elect to make salary deferral contributions, Roth contributions or a combination thereof, up to 60% of eligible compensation, not to exceed the maximum amount allowed by law. Additionally, participants age 50 and over may make additional catch-up contributions of \$6,500 in 2022 and 2021. Participants may also make rollover contributions to the Plan, provided such rollover amounts meet the criteria for transfer as established under the Internal Revenue Code (the "IRC").

For the majority of participants, the Company matched 100% of the first 1% of the participant's compensation contributed and an additional 50% of the next 5% of participant's compensation contributed in 2022 and 2021. For employees of Bull Moose Engineering, Inc., the Company did not match 2022 and 2021 employee contributions. The Company matching contributions amounted to \$392,372 and \$351,497 in 2022 and 2021, respectively.

The Company also makes discretionary contributions to participants equal to 2.5% of each participant's compensation up to the Social Security taxable wage base plus 5% of the participant's compensation in excess of the Social Security taxable wage base. Employees of Bull Moose Engineering, Inc. receive a discretionary contribution equal to 1% of compensation. Total discretionary contributions, net of applicable forfeitures, amounted to \$469,506 and \$447,253 in 2022 and 2021 respectively.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (continued)

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's matching and discretionary contributions, and Plan earnings (losses). The allocation of earnings (losses) is determined by the earnings (losses) of the participant's investment selection based on each participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms range up to five years. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan Administrator. Loan repayments, including principal and interest, are made through payroll withholdings.

Vesting

Participant salary deferral, Roth salary deferral and rollover contributions are fully vested at all times. Company matching and discretionary contributions are 100% vested upon completion of two years of service.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances as determined by the vesting schedule above. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. The years of service prior to the participant's departure will be credited to them provided that the participant returns to the Company within five years. All forfeitures in the Plan trust were allocated at December 31, 2022 and 2021, to be used for Plan expenses and Company contributions. Forfeitures allocated to pay Plan expenses totaled \$57 and \$385 during the years ended December 31, 2022 and 2021, respectively. Forfeitures allocated to pay Company contributions totaled \$34,321 and \$44,139 during the years ended December 31, 2022 and 2021, respectively. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$23,234 and \$35,853, respectively.

Investment options

Under the terms of the Plan, participants may elect to invest in a variety of investment options. Under terms of the Plan and the agreement with the Trustee, participants may also elect to exercise investment control over the individual investments purchased within a self-directed brokerage account option. At December 31, 2022 and 2021, all Plan investments were held by Fidelity Management Trust Company ("Fidelity").

Participants may change their investment options daily.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (continued)

Participant hardship withdrawals

Active participants who experience a qualifying financial hardship may withdraw all or part of their vested accounts. Hardship withdrawals will be approved only if they conform to the Plan provisions and established IRC safe harbors.

Payment of benefits

Vested benefits are distributable after the close of any month following a participant's retirement, disability (in certain circumstances as defined by the Plan), death or termination of employment. Prior to age 59-1/2, a participant, while employed, may make a withdrawal once during each 12-month period from the participant's elective contribution or rollover contribution account subject to certain conditions in the Plan Document. Upon reaching the age of 59-1/2, a participant, while employed, may separately withdraw once during each 12-month period any or all of his or her vested account. Distributions under the Plan are paid in the form of a lump-sum payment or through an installment option.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP") as applied to employee benefit plans.

Estimates and assumptions

The preparation of financial statements in conformity with US GAAP requires the Plan Administrator to make estimates and assumptions that affect reported amounts of net assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities, which generally are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisor or custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during year end.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Agreement. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of benefits

Benefits are recorded when paid.

Administrative and investment management expenses

Certain expenses of maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Plan recordkeeping and trustee fees were paid by the Plan and were reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants were charged directly to the participants' accounts and are included in administrative expenses. Investment management fees were charged to the Plan as a reduction of investment return and included in the investment earnings reported by the Plan.

Subsequent events

The Plan has evaluated all subsequent events through October 6, 2023, the date the financial statements were available to be issued.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

3. CERTIFIED INVESTMENTS

Information related to investments, notes receivable from participants at December 31, 2022 and 2021, investment and interest income for year end December 31, 2022, disclosed in the accompanying financial statements and supplemental schedule, as of and for December 31, 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fidelity. This information is presented in reliance solely upon these certifications.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS (continued)

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed investments: – Self-directed investments are comprised of mutual funds, unit investment trusts and money market funds, all of which are valued at the daily closing price as reported by the fund, and common stock, which is valued at the closing price reported on the active market on which the individual securities are traded. The mutual funds, unit investment trusts and money market funds held by the Plan are open-end investment funds that are registered with the Securities and Exchange Commission. These investment funds are required to publish their daily NAV and transact at that price. The investment funds held by the Plan are deemed to be actively traded.

Common collective trust ("CCT"): – Valued at the NAV of shares held by the Plan at year end, as reported by the Trustee. The NAV is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the CCT. While the underlying assets of the CCT are publicly available, the CCT is not. The CCT files annual Form 5500s as a direct filing entity.

The following table presents the Plan's investments measured at fair value on a recurring basis as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 24,709,256	\$ -	\$ -	\$ 24,709,256
Self-directed investments	<u>582,625</u>	<u>-</u>	<u>-</u>	<u>582,625</u>
Total investments included in fair value hierarchy	<u>\$ 25,291,881</u>	<u>\$ -</u>	<u>\$ -</u>	<u>25,291,881</u>
Investments measured at net asset value (a)				
Collective trust fund				<u>3,249,835</u>
				<u>\$ 28,541,716</u>

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS (continued)

The following table presents the Plan's investments measured at fair value on a recurring basis as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 31,107,508	\$ -	\$ -	\$ 31,107,508
Self-directed investments	<u>824,207</u>	<u>-</u>	<u>-</u>	<u>824,207</u>
Total investments included in fair value hierarchy	<u>\$ 31,931,715</u>	<u>\$ -</u>	<u>\$ -</u>	<u>31,931,715</u>
Investments measured at net asset value (a)				
Collective trust fund				<u>3,462,673</u>
				<u>\$ 35,394,388</u>

(a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables set forth a summary of the Plan's investment with a reported NAV as of December 31, 2022 and 2021:

	<u>2022 Fair Value</u>	<u>2021 Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Morley Stable Value Fund	\$ 3,249,835	\$ 3,462,673	N/A	Daily	12 Months

5. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of funds managed by Fidelity, which is the Trustee as defined by the Plan. Therefore, these transactions qualify as allowable party-in-interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to amend or terminate the Plan at any time, subject to the provisions of the Plan and ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

7. TAX STATUS

The Plan uses a prototype plan document sponsored by Fidelity Management & Research Company. Fidelity Management & Research Company received a favorable opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the Internal Revenue Service ("IRS"). However, the Plan's management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Caparo Employees Retirement Savings Plan
Chesterfield, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Caparo Employees Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Caparo Employees Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Caparo Employees Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Caparo Employees Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Caparo Employees Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Caparo Employees Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Caparo Employees Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan was adopted by Bull Moose Tube Company effective October 1, 1987. It is a defined contribution plan with a 401(k) feature. The Plan has been amended from time to time and now covers all non-union, non-leased, non-temporary employees who are residents of the United States and who have completed three months of service with the Company are eligible to participate in the Plan. The Company is currently defined as Caparo Bull Moose, Inc. ("CBM") (formerly Bull Moose Industries, Inc. formerly Caparo, Inc.), its wholly-owned subsidiary Bull Moose Tube Company ("BMT"), BMT's wholly owned subsidiaries Bock Industries, Inc., Warren Tube Company, Bull Moose Tube of Casa Grande, LLC, Bull Moose Engineering, Inc (formerly Grand River Fabricating, Inc. and Elkhart Metal Fabricating, Inc).

New participants enter the Plan on the first day of each month, following their completion of the eligibility requirements.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Eligible employees will be automatically enrolled in the Plan and compensation will be adjusted for a 3% automatic deferral, unless the employee affirmatively elects otherwise. Participants may elect to make salary deferral contributions, Roth contributions or a combination thereof, up to 60% of eligible compensation, not to exceed the maximum amount allowed by law. Additionally, participants age 50 and over may make additional catch-up contributions of \$6,500 in 2022 and 2021. Participants may also make rollover contributions to the Plan, provided such rollover amounts meet the criteria for transfer as established under the Internal Revenue Code (the "IRC").

For the majority of participants, the Company matched 100% of the first 1% of the participant's compensation contributed and an additional 50% of the next 5% of participant's compensation contributed in 2022 and 2021. For employees of Bull Moose Engineering, Inc., the Company did not match 2022 and 2021 employee contributions. The Company matching contributions amounted to \$392,372 and \$351,497 in 2022 and 2021, respectively.

The Company also makes discretionary contributions to participants equal to 2.5% of each participant's compensation up to the Social Security taxable wage base plus 5% of the participant's compensation in excess of the Social Security taxable wage base. Employees of Bull Moose Engineering, Inc. receive a discretionary contribution equal to 1% of compensation. Total discretionary contributions, net of applicable forfeitures, amounted to \$469,506 and \$447,253 in 2022 and 2021 respectively.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (continued)

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's matching and discretionary contributions, and Plan earnings (losses). The allocation of earnings (losses) is determined by the earnings (losses) of the participant's investment selection based on each participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms range up to five years. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan Administrator. Loan repayments, including principal and interest, are made through payroll withholdings.

Vesting

Participant salary deferral, Roth salary deferral and rollover contributions are fully vested at all times. Company matching and discretionary contributions are 100% vested upon completion of two years of service.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances as determined by the vesting schedule above. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. The years of service prior to the participant's departure will be credited to them provided that the participant returns to the Company within five years. All forfeitures in the Plan trust were allocated at December 31, 2022 and 2021, to be used for Plan expenses and Company contributions. Forfeitures allocated to pay Plan expenses totaled \$57 and \$385 during the years ended December 31, 2022 and 2021, respectively. Forfeitures allocated to pay Company contributions totaled \$34,321 and \$44,139 during the years ended December 31, 2022 and 2021, respectively. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$23,234 and \$35,853, respectively.

Investment options

Under the terms of the Plan, participants may elect to invest in a variety of investment options. Under terms of the Plan and the agreement with the Trustee, participants may also elect to exercise investment control over the individual investments purchased within a self-directed brokerage account option. At December 31, 2022 and 2021, all Plan investments were held by Fidelity Management Trust Company ("Fidelity").

Participants may change their investment options daily.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (continued)

Participant hardship withdrawals

Active participants who experience a qualifying financial hardship may withdraw all or part of their vested accounts. Hardship withdrawals will be approved only if they conform to the Plan provisions and established IRC safe harbors.

Payment of benefits

Vested benefits are distributable after the close of any month following a participant's retirement, disability (in certain circumstances as defined by the Plan), death or termination of employment. Prior to age 59-1/2, a participant, while employed, may make a withdrawal once during each 12-month period from the participant's elective contribution or rollover contribution account subject to certain conditions in the Plan Document. Upon reaching the age of 59-1/2, a participant, while employed, may separately withdraw once during each 12-month period any or all of his or her vested account. Distributions under the Plan are paid in the form of a lump-sum payment or through an installment option.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP") as applied to employee benefit plans.

Estimates and assumptions

The preparation of financial statements in conformity with US GAAP requires the Plan Administrator to make estimates and assumptions that affect reported amounts of net assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities, which generally are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisor or custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during year end.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Agreement. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of benefits

Benefits are recorded when paid.

Administrative and investment management expenses

Certain expenses of maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Plan recordkeeping and trustee fees were paid by the Plan and were reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants were charged directly to the participants' accounts and are included in administrative expenses. Investment management fees were charged to the Plan as a reduction of investment return and included in the investment earnings reported by the Plan.

Subsequent events

The Plan has evaluated all subsequent events through October 6, 2023, the date the financial statements were available to be issued.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

3. CERTIFIED INVESTMENTS

Information related to investments, notes receivable from participants at December 31, 2022 and 2021, investment and interest income for year end December 31, 2022, disclosed in the accompanying financial statements and supplemental schedule, as of and for December 31, 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fidelity. This information is presented in reliance solely upon these certifications.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS (continued)

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed investments: – Self-directed investments are comprised of mutual funds, unit investment trusts and money market funds, all of which are valued at the daily closing price as reported by the fund, and common stock, which is valued at the closing price reported on the active market on which the individual securities are traded. The mutual funds, unit investment trusts and money market funds held by the Plan are open-end investment funds that are registered with the Securities and Exchange Commission. These investment funds are required to publish their daily NAV and transact at that price. The investment funds held by the Plan are deemed to be actively traded.

Common collective trust ("CCT"): – Valued at the NAV of shares held by the Plan at year end, as reported by the Trustee. The NAV is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the CCT. While the underlying assets of the CCT are publicly available, the CCT is not. The CCT files annual Form 5500s as a direct filing entity.

The following table presents the Plan's investments measured at fair value on a recurring basis as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 24,709,256	\$ -	\$ -	\$ 24,709,256
Self-directed investments	<u>582,625</u>	<u>-</u>	<u>-</u>	<u>582,625</u>
Total investments included in fair value hierarchy	<u>\$ 25,291,881</u>	<u>\$ -</u>	<u>\$ -</u>	<u>25,291,881</u>
Investments measured at net asset value (a)				
Collective trust fund				<u>3,249,835</u>
				<u>\$ 28,541,716</u>

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS (continued)

The following table presents the Plan's investments measured at fair value on a recurring basis as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 31,107,508	\$ -	\$ -	\$ 31,107,508
Self-directed investments	<u>824,207</u>	<u>-</u>	<u>-</u>	<u>824,207</u>
Total investments included in fair value hierarchy	<u>\$ 31,931,715</u>	<u>\$ -</u>	<u>\$ -</u>	<u>31,931,715</u>
Investments measured at net asset value (a)				
Collective trust fund				<u>3,462,673</u>
				<u>\$ 35,394,388</u>

(a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables set forth a summary of the Plan's investment with a reported NAV as of December 31, 2022 and 2021:

	<u>2022 Fair Value</u>	<u>2021 Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Morley Stable Value Fund	\$ 3,249,835	\$ 3,462,673	N/A	Daily	12 Months

5. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of funds managed by Fidelity, which is the Trustee as defined by the Plan. Therefore, these transactions qualify as allowable party-in-interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to amend or terminate the Plan at any time, subject to the provisions of the Plan and ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Caparo Employees Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

7. TAX STATUS

The Plan uses a prototype plan document sponsored by Fidelity Management & Research Company. Fidelity Management & Research Company received a favorable opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the Internal Revenue Service ("IRS"). However, the Plan's management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress.
