INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Sharp Oilfield Services, 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further

described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sharp Oilfield Services, 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sharp Oilfield Services, 401(K) Plan's ability to continue as a going concern for the period of one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, our responsibilities are:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sharp Oilfield Services, 401(K) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sharp Oilfield Services, 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits do not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 and 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i – Schedule of Assets Held for Investment Purposes (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SHARP OILFIELD SERVICES, 401(K) PLAN

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN

Sharp Oilfield Services was formed in January 2011 as a preventative maintenance company to the oilfield service industry, and in 2015, began providing preventive maintenance services to industries other than the oilfield service industry. The following description of the Sharp Oilfield Services, 401(k) Plan (the Plan) provides only general information. The Company elected to operate the Plan as a Safe Harbor 401(k) plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a profit sharing and savings plan sponsored by Sharp Oilfield Services (the Company or the Employer) to encourage and assist eligible employees of the Company in adopting a regular program of savings to provide additional security for their retirement. The original plan effective date was January 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration – Sharp Oilfield Services, LLC, the Plan Administrator, is responsible for the operation and administration of the Plan. The Plan Administrator has the full power to administer the Plan and apply all of its provisions on behalf of the Company. The Plan Administrator may also prescribe such reasonable rules and procedures as necessary to administer the Plan. Ascensus Trust Company (Ascensus) is the trustee of the Plan as well as performs recordkeeping services.

Investment Options – Upon enrollment in the Plan, a participant may direct employee contributions into any of the below investments. The following 31 mutual funds have been approved by the Administrator as investment choices for Plan participants:

Participation, Contributions, Allocations, and Withdrawals – As of April 6, 2019, Dropwater Solutions, LLC, a sister company of Sharp Oilfield Services, became a participating employer of the Plan. As of September 1, 2019, Cobalt Water Solutions, LLC, a sister company of Sharp Oilfield Services, became a participating employer of the Plan. As of January 21, 2021, Innoverse Technology, LLC, Innoverse Production, LLC, Dropwater Management Corporation, Sharp Oilfield Management Corporation, 51 Admin, LLC, Athos, LLC, and Clark Anderson, all sister companies of Sharp Oilfield Services, became participating employers of the plan.

Effective January 1, 2016, employees of the Company became eligible to join the Plan on the first day of the month after reaching age 18. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan allows participants to contribute up to 50% of their defined annual compensation, up to a maximum of \$20,500 and \$19,500 in 2022 and 2021, respectively. Catch-up contributions of \$6,500 in 2022 and 2021 respectively, are allowed for participants age 50 or older. Participants direct the investment of their contributions into various investment options offered by the Plan. Those contributions are made on a before-tax basis under the section 401(K) provisions of the Internal Revenue Code.

Once eligibility requirements are met, the Company will make matching contributions to the Plan. An amount equal to 100% of the amount of the participant's elective deferrals that are not in excess of 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation, but not in excess of 5% of the participant's compensation. Upon adoption of the original plan agreement, the Plan became a Safe Harbor plan, and the Company will contribute a safe harbor matching contribution to the participant's account in an amount equal to 100% of the matched employee's contributions up to 3% and 50% of the match employee's contributions over 3% but not more than 5% of the participant's compensation. The Company, at its discretion, may make profit sharing contributions to the Plan on behalf of qualifying participants. Profit sharing contributions will be allocated to qualifying participants based upon the ratio of their compensation to total compensation for all qualifying participants.

SHARP OILFIELD SERVICES, 401(K) PLAN

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

The net investment gain or loss, after adjustment for applicable expenses, if any, of each investment fund is allocated to each participant's account based on the ratio of the participant's account balance to the total of all participants' account balances.

The Plan does not allow loans to participants.

Vesting, Distributions, and Forfeitures – The participants' contributions, and the earnings thereon as well as the employer Safe Harbor 401(K) matching contributions are fully vested and nonforfeitable at all times. A participant becomes vested in the portion of their account derived from employer matching and/or profit-sharing contributions as follows: 33% vested for less than one year of service; 66% after one full year of service; fully vested after two years of service. A participant also becomes fully vested in his or her account upon: (a) death; (b) disability; or (c) satisfaction of conditions for early retirement.

In termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount or a partial payment equal to the value of the participant's vested interest in his or her account. In-service distributions may be made in certain situations.

Nonvested portions of Company's matching or profit-sharing contributions will be forfeited, and these amounts may be used to reduce future Company contributions.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan uses the accrual method as the basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates at which time the Plan would revise its estimates accordingly.

Investments – Investments are stated at fair market value. Quoted market prices are used to value investments, and investments are recorded in the Plan's accounts at market value, as certified by Ascensus. Gains and losses on security transactions are recognized on the trade date. Dividends are recognized as income on the ex-dividend date, and interest is accrued as earned.

The Plan's investments reported at fair value in the accompanying Statements of Net Assets Available for Benefits consist of the following as of December 31, 2022 and 2021:

	2022	2021
Mutual Funds	\$ 2,517,974	\$ 2,726,568

Vanguard Mid-Cap Growth Index Adm	199,259	277,217
Vanguard Small-Cap Growth Index Adm	133,313	148,944

Realized and Unrealized Gains and Losses – During 2022 and 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated by \$648,250 and appreciated by \$327,645, respectively.

Realized and unrealized gains and losses are computed based on the market value of those assets at the beginning of the plan year or from the time of purchase for the assets purchased during the plan year.

Purchases and sales of securities are reflected on a trade-date basis. Brokerage commissions and all other expenses incurred in the sale and purchase of securities are included in the cost or subtracted from the gross proceeds of the assets of the respective funds as appropriate.

Expenses – At the discretion of the Company, the Plan's administrative expenses are paid by the Company or from Plan assets. During fiscal years 2022 and 2021, administrative expenses totaling \$10,989 and \$11,785, respectively, were paid by the Company. The Plan will not be required to reimburse the Company for the administrative expenses paid on its behalf. During fiscal years 2022 and 2021, the Plan paid administrative expenses in the amount of \$24,728 and \$22,907, respectively. Participant accounts are charged with an allocation of administrative expenses paid by the Plan.

Payment of Benefits – Benefits are recorded when paid.

NOTE 3: RELATED-PARTY TRANSACTIONS AND PARTIES-IN-INTEREST

Ascensus is the recordkeeper of the Plan, and accordingly, receives administration fees from the plan sponsor and participants. The related-party costs incurred by the Plan are included in the accompanying statements of changes in net assets available for Plan benefits as administrative fees totaling \$24,728 and \$22,907 for the years ended December 31, 2022 and 2021, respectively. Parties-in-interest include fiduciaries, service providers, and employers. Ascensus Trust Company serves as the Trustee and Fiduciary of the plan. Service providers include Ascensus LLC, the plan recordkeeper, Armstrong, Backus & Co., LLP, plan auditors, Sharp Oilfield Services, plan administrator and owners of the Company. Participating employers include Sharp Oilfield Services and all participating sister companies listed in Note 1 to the financial statements.

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

NOTE 4: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts. The Plan administrator will facilitate the distribution of account balances under the provisions of the Plan until all assets have been distributed.

NOTE 5: FEDERAL INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Trustee by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related Trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's management believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7: TRUSTEE CERTIFICATION

Ascensus Trust Company administers the Plan's investment assets together with the related income under the direction of the plan administrator. Accrued interest and dividends, as reported on the statement of net assets available for benefits, are also administered by the trustee. As of December 31, 2022 and 2021, Ascensus Trust Company certified that the trustee statements submitted to the plan administrator and used to prepare investment information and related activity included in these financial statements are complete and accurate. The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Net Assets Available for Plan Benefits per Form 5500	<u>\$ 2,553,026</u>	<u>\$ 2,726,568</u>

The following is a reconciliation of benefits paid to participants per the financial statements for the years ended December 31, 2022 and 2021, respectively, to the Form 5500:

	Year Ended December 31, 2022	Year Ended December 31, 2021
Benefits Paid to Participants Per the Financial Statements	\$ 266,503	\$ 268,955
Contract Administrative Fees	(2,351)	(6,458)
Benefits Paid to Participants Per Form 5500	<u>\$ 264,152</u>	<u>\$ 262,497</u>

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to year-end, but not yet paid as of that date.

NOTE 9: FAIR VALUE MEASUREMENTS

The Plan's financial instruments consist principally of shares of mutual funds. The fair value of a financial instrument is the amount that would be received in an asset sale or paid to transfer a liability in an orderly transaction between unaffiliated market participants. Assets and liabilities measured at fair value are categorized based on whether the inputs are observable in the market and the degree that the inputs are observable. The categorization of financial instruments within the valuation hierarchy is

SHARP OILFIELD SERVICES, 401(K) PLAN

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

based on the lowest level of input that is significant to the fair value measurement. The hierarchy is prioritized into three levels (with Level 3 being the lowest) defined as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities that the entity has the ability to access.

Level 2: Observable inputs other than prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active, other inputs that are observable or can be corroborated with observable market data; or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies, and similar techniques that use significant unobservable inputs.

The fair value of the Plan's shares of registered investment companies was determined based on Level 1 inputs. The Plan does not have any Level 2 or Level 3 inputs. The Plan believes that the recorded values of all the other financial instruments approximate their current fair values because of their nature and relatively short maturity dates or durations.

The Plan uses the following methods and assumptions to estimate the fair value of each class of financial instruments for which it is practicable to estimate such value:

Shares of Registered Investment Companies – The net asset value of shares in mutual funds are valued based upon quoted market prices at the close of each business day and are classified in Level 1 of the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,517,974	\$ -0-	\$ -0-	\$ 2,517,974
