INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants
PsychoGenics, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of PsychoGenics, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the 2022 Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of PsychoGenics, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PsychoGenics, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the PsychoGenics, Inc. 401(k) Plan transactions that are presented and disclosed in the financial statements are in conformity with the PsychoGenics, Inc. 401(k) Plan provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PsychoGenics, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PsychoGenics, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2022 and delinquent participant contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

ELIGIBILITY

Employees are eligible to participate in the Plan on the first day of the month following their first day of employment.

CONTRIBUTIONS

Eligible employees may contribute a percentage of their pretax annual compensation as determined by the participant, as defined by the Plan, and subject to Internal Revenue Code (“IRC”) limitations. Participants 50 years of age or older can contribute an additional maximum catch-up amount.

The Company has no obligations to contribute any amount under the Plan, except as determined at the sole discretion of the Company’s board of directors. The Employer shall make employer safe-harbor non-elective contributions for all eligible participants each Plan year. All participants that have been credited with one year of service, except those that are Highly Compensated Employees, are eligible to share in employer safe-harbor non-elective contributions. There are no other requirements to share in the allocation for the Plan year. The safe-harbor non-elective employer match is equal to 3% of the eligible participant’s compensation. At the Company’s discretion, a profit sharing contribution can also be made to participants. The Plan permits Roth contributions and accepts rollovers from qualified plans.

INVESTMENT OPTIONS

Participants may direct the investment of their contributions to the Plan into various investment options offered by the Plan. Investment options consist of publicly traded mutual funds. The Pension Protection Act created the Qualified Default Investment Alternative (the “QDIA”), which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan selected the T. Rowe Price Retirement Balanced Fund as its QDIA.

PARTICIPANT ACCOUNTS

Individual accounts are maintained for each participant. Each participant’s account is credited with the participant’s contributions, the Company matching contribution, if applicable, and Plan earnings. Each participant’s account is charged with withdrawals and Plan losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Loan terms shall not exceed five years, but may extend longer for the purchase of a primary residence, as defined. The loans are secured by the participant's account and bear interest at rates ranging from 4.25% to 6.00%. Principal and interest are paid ratably through payroll deductions.

Effective January 1, 2022, each employee who performs at least 1 hour of service after December 31, 2021 is fully vested for all contribution types, including discretionary profit sharing. Participants who do not perform services for the Company resulting in credit for at least 1 hour of service after December 31, 2021 will remain vested in accordance with the vesting schedule in place prior to the amendment.

FORFEITURES

Participants who terminate employment prior to being fully vested in the Company's matching contributions forfeit the nonvested contributions and related earnings. The Plan had no balances in forfeited nonvested accounts at December 31, 2022 and 2021. Forfeitures of amounts not vested for terminated participants will be used to reduce the Plan's administrative expenses.

PAYMENT OF BENEFITS

Participants will receive the full amount of their vested account balances in the event of normal retirement, death or disability. Early withdrawals are permitted at the participant's request after the age of 59-1/2. On termination of service, participants may elect to receive their benefits in a lump sum or in installments if the vested amount is over \$5,000. If the vested amount is \$5,000 or less, the benefit will be paid in a lump sum. A participant must begin receiving distributions no later than April 1, following the later of the year in which they retire from the Company or the calendar year in which they reach the age of 72 (or for participants who attain age 70 ½ before January 1, 2020).

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

HARDSHIP WITHDRAWALS

Prior to termination of employment, a participant may withdraw, subject to the Plan's notice requirements, all or a portion of the value of his or her participant vested account and the vested value of his or her Company contribution account if the participant has attained age of 59-1/2 or becomes totally and permanently disabled, or all or a portion of the value of his or her participant account in the event of demonstrated financial hardship, subject to the Plan's provisions. Withdrawals to which a participant is entitled are the amounts that can be provided by the contributions and income thereon (including net realized and unrealized investment gains and losses) allocated to each participant's account, less allocated expenses.

BASIS OF ACCOUNTING

The Plan's financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the Plan assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a deemed distribution is recorded. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participant the measurement date. See Note 3 for discussion of fair value measurements. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company.

Net depreciation in the fair value of investments includes both realized and unrealized gains and losses, based on the value of assets at the time of purchase during the year. Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid directly by the Company are excluded from these financial statements.

MANAGEMENT FEES AND OPERATING EXPENSES

Management fees and operating expenses charged to the Plan for specific investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in net depreciation in the fair value of such investments.

SUBSEQUENT EVENTS

These financial statements were approved by management and available for issuance on October 9, 2023. Management has evaluated subsequent events through this date.

Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SUBSEQUENT EVENTS (CONTINUED)

The SECURE Act 2.0 of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 - FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under GAAP are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices for identical or similar assets or liabilities in inactive markets; or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the fully term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of assets and liabilities within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and maximize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

MUTUAL FUNDS

Mutual funds were valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 assets.

EXCHANGE-TRADED FUNDS

Exchange-Traded Funds (“ETF”) are marketable securities that track an index, a commodity, bonds or a basket of assets like an index fund. Unlike mutual funds, an ETF trades like a common stock on a stock exchange. ETFs experience price changes throughout the day as they are bought and sold. ETFs are classified as Level 1 assets.

CASH

Cash is in interest-bearing money market accounts. Cash is classified as Level 1 asset.

The following tables summarize investment assets measured at fair value:

December 31, 2022	Investments, at fair value

NOTE 4 - TAX STATUS

The Company adopted a pre-approved prototype plan offered by the Plan's Custodian. The IRS has determined that the prototype plan, by letter dated June 30, 2020, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. As of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition or disclosure. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays the salaries of these individuals and also pays other administrative expenses. Certain fees, to the extent not paid by the Company, are paid by the Plan.

Broadridge - Matrix Trust Company is the custodian and Correll Co. is the recordkeeper for the Plan. These transactions qualify as party-in-interest transactions. Fees of \$16,465 were paid to Correll Co. for the year ended December 31, 2022. Correll Co. paid Broadridge - Matrix Trust Company from its fees. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Morgan Stanley is the Plan's investment advisor. Fees of \$27,538 were paid to Morgan Stanley for the year ended December 31, 2022.

NOTE 7 - EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to April 15, 2022. For the years ended December 31, 2022 and 2021, the excess contribution payable was \$-0- and \$8,461, respectively.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian. This information has not been audited by the Plan's independent auditors.

NOTE 11 - PROHIBITED OR NON-EXEMPT TRANSACTIONS

During 2022 and 2021, the Company failed to timely remit participant contributions of \$37,862 and \$400, respectively, to the Plan pursuant to 20 CFR 2510.3-102 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Under the regulations, amounts paid by a Plan participant or withheld by an employer from a participant's wages for contribution to the Plan are Plan assets on the earliest date they can reasonably be segregated from the Company's general assets, but in no event later than the 15th business day of the following month in which the participant contributions are withheld or received by the Company. As a result, the Company has engaged in a non-exempt prohibited transaction under the ERISA Section 406. All lost earnings were remitted in both 2022 and 2023.
