Independent Auditor's Report

Board of Directors Employee Benefit Plan of Girl Scouts Western Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Employee Benefit Plan of Girl Scouts Western Pennsylvania (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

1. Summary of Significant Accounting Policies

Girl Scouts Western Pennsylvania (Council) is a non-profit corporation chartered by Girl Scouts of the United States of America (GSUSA). The Council was incorporated in the State of Pennsylvania in April 2008. The Council serves girls in a 27-county region of western Pennsylvania. The Council has been established to serve as the preeminent leadership development organization for girls in its jurisdiction. Effective April 1, 2008, the Employee Benefit Plan of Girl Scouts Western Pennsylvania (Plan) was established for the purpose of providing the employees of the Council with a voluntary retirement savings program. The accompanying financial statements include only the activity and financial position of the Plan and are not intended to reflect the Council as a whole.

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as of December 31, 2022 and 2021. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For the investment in the common collective trust, the trust manager calculates a daily unit value, based on the underlying market value of investments. The value of a participant's fund balance is equal to the daily unit value multiplied by the number of units accumulated. For investments in mutual funds, quoted market prices are used to value investments daily.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net

appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid to participants. There were no benefits allocated to the accounts of persons who had withdrawn from the Plan but were not paid as of December 31, 2022 and 2021.

Plan Expenses

The majority of the Plan's expenses are paid by the Council. Investment-related expenses are included in net appreciation of fair value of investments. Fees related to the administrative of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expense.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

2. Description of Plan

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution, prototype 401(k) profit-sharing plan covering all employees of the Council subject to eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility/Contributions

All employees of the Council are eligible to contribute, pre-tax, a portion of their compensation from one percent up to a maximum allowable by the Plan document and in accordance with other limiting provisions of the Internal Revenue Code (IRC) and other applicable legal limits immediately upon hire. The employer match is 100% of the first 1% of employee deferrals, plus 50% on the next 5% of employee deferrals (maximum match of 3.5%). Participants are immediately eligible for these contributions upon enrollment, as there are no age or service requirements. The Plan specifically excludes camp staff, cleaning staff, interns, and special initiative staff from participation in the Plan.

New employees are automatically enrolled at a 6% deferral rate and have a Roth contribution option. Employees can opt out of auto enrollment by contacting the plan administrator.

The Council can elect a discretionary contribution at any point, however there were no such contributions during 2022 or 2021.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution, (b) the Council's matching contribution, and (c) an allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participants' account balances. The benefit to which a participant is entitled is equal to the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions to their account plus actual earnings thereon. Vesting in the Council's matching portion of their accounts plus earnings thereon is based on years of credited service, as defined. Prior to January 1, 2020,

EMPLOYEE BENEFIT PLAN OF GIRL SCOUTS WESTERN PENNSYLVANIA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

employees were only eligible to become 100% vested in all matching contributions made by the Council after five years of service. As of January 1, 2020, the Council updated the vesting schedule to include that safe harbor contributions vest 50% after one year of service and 100% after two years of service.

The following are the vesting schedules of December 31, 2022 and 2021:

Years	Employer Match Contributions	Qualified Safe Harbor Contributions
1	20%	50%
2	40%	100%
3	60%	
4	80%	
5	100%	

Notes Receivable from Participants

Participants may borrow from their accounts. Loans are limited to the lesser of (a) 50% of the balance of the participant's vested account balance on the day the loan was made or (b) \$50,000 reduced by the excess of the largest unpaid loan balance that the borrower owed at any time during the preceding 12 months over the unpaid loan balance on the day that the loan is made. A participant may not request a loan for less than \$1,000. Loans are secured by the balance in the participants' accounts and bear a reasonable fixed rate of interest ranging from 4.25% to 8% and 4.25% to 6.25% as of December 31, 2022 and 2021, respectively. Repayments of principal and interest are payable to the participants' segregated accounts in terms not to exceed five years or ten years, if the proceeds of the loan were used to acquire the principal residence for the borrower. Principal and interest are paid ratably through semi-monthly payroll deductions.

Investment Options

Upon enrollment in the Plan, a participant may direct their contributions into the various investment options of the Plan. All participant and employer contributions are allocated to the respective participant's individual investment account.

Payment of Benefits

At retirement, the total dollar value of a participant's account, including interest and investment earnings, will be used to purchase a uniform monthly annuity. Retirement age is defined by the Plan as 65. Benefit payments must begin when mandated by federal law or upon retirement.

A participant may elect from various annuity options including (a) a non-refund life annuity, (b) a full cash refund annuity, (c) a period certain and continuous annuity, (d) a joint and survivor life annuity with the period certain and continuous annuity options, or (e) a lump sum. Participants with accumulated balances of less than \$5,000 at date of service termination shall receive a lump-sum distribution of their vested balance.

The Council amended the Plan to allow participants 59 ½ years of age to withdraw the employee portion of their participant accounts.

Forfeited Accounts

Forfeitures represent participant account balances that are not vested upon termination of an employee. Forfeitures are applied to reduce future employer contributions. During 2022 and 2021, \$5,080 and \$4,062, respectively, was forfeited from participant accounts. During 2022 and 2021, \$5,247 and \$3,902, respectively, of forfeitures were used to reduce the employer's total contribution. The balance of the forfeiture account at December 31, 2022 and 2021 was \$2 and \$163, respectively. The forfeiture account earns a nominal rate of interest, which is reflected in the ending balance of the account at December 31, 2022 and 2021.

3. Fair Value Measurements

Fair values of assets measured on a recurring basis as of December 31, 2022 and 2021 are as follows:

	<u>12/31/2022</u>	<u>for Identical Assets (Level 1)</u>	<u>Other Observable Inputs (Level 2)</u>	<u>Unobservable Inputs (Level 3)</u>
Mutual funds	\$ 4,302,390	\$ 4,302,390	\$ -	\$ -
Total assets in fair value hierarchy	<u>4,302,390</u>	<u>\$ 4,302,390</u>		
Investments measured at net asset value *	<u>346,889</u>			
Investments at fair value	<u>\$ 4,649,279</u>			

	<u>Fair Value Measurements at Reporting Date Using</u>			
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
	<u>12/31/2021</u>			
Mutual funds	\$ 5,270,418	\$ 5,270,418	\$ -	\$ -
Total assets in fair value hierarchy	<u>5,270,418</u>	<u>\$ 5,270,418</u>		
Investments measured at net asset value *	<u>346,941</u>			
Investments at fair value	<u>\$ 5,617,359</u>			

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

EMPLOYEE BENEFIT PLAN OF GIRL SCOUTS WESTERN PENNSYLVANIA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Fair values for Level 1 investments are determined by reference to unadjusted quoted market prices for identical assets in active markets that the Plan has the ability to access. Fair values for Level 2 investments are determined by reference to quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 investments have significant unobservable inputs, as they trade infrequently or not at all.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds are valued at the closing price reported on the active market on which the individual securities are traded.

The common collective trust is valued at net asset value per share as determined by investment managers under the so-called "practical expedient." The practical expedient allows net asset value per share to represent fair value for reporting purposes when the criteria for using this method are met. The objective of the investment is to maximize current income consistent with the maintenance of principal and to provide for benefit-responsive participant withdrawal at contract value for certain events without penalty or adjustment. The common collective trust account invests primarily in synthetic guaranteed investment contracts insured by wrap contract agreements and money market accounts. There are no participant redemption restrictions for these investments; however, if the Plan initiates a full redemption of the common collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively.

EMPLOYEE BENEFIT PLAN OF GIRL SCOUTS WESTERN PENNSYLVANIA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Instrument	Fair Value at 12/31/22	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period

Instrument	Fair Value at 12/31/21	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common Collective Trust	\$346,941	n/a	Daily	12 Months

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of the future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Plan Termination

Although it has not expressed any intent to do so, the Council has reserved the right to terminate or to amend the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balance.

5. Tax Status

The Plan operates under an adoption agreement in connection with a non-standardized prototype plan and trust sponsored by PNC Bank, N.A. This prototype plan document has

EMPLOYEE BENEFIT PLAN OF GIRL SCOUTS WESTERN PENNSYLVANIA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

been filed with the appropriate agency and has obtained an opinion letter dated March 31, 2014 from the Internal Revenue Service (IRS) stating that the prototype constitutes a qualified plan under Section 401 of the Internal Revenue Code (Code) and that the related trust was tax-exempt. Subsequent to this opinion letter from the IRS, the Plan has been amended. However, the Plan administrator believes the Plan and the related trust are currently designed and being operated in compliance with the applicable requirements of the Code. Further, the Plan annually files a Form 5500.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress for the Plan.

6. Information Certified by the Plan's Trustee

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022, net (depreciation) appreciation in fair value of investments and dividends and interest for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Plan's custodians, PNC Bank, N.A. (the custodian through February 2022), and Newport Trust Company (the custodian and recordkeeper as of December 31, 2022).

Effective February 2022, the custodian transferred from PNC Bank, N.A. to Newport Trust Company. Recordkeeping services remained the same with Newport Trust Company. In April 2022, Newport Trust Company merged with Ascensus. The Plan was not affected by the merger until 2023. Effective June 2023, the Plan migrated to the Ascensus system and Newport Trust Company became a sub custodian of the Ascensus Trust custodian.

7. Related-Party and Party-in-Interest Transactions

Certain Plan investments are managed by PNC Bank, N.A. and Newport Trust Company as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees for investment management services incurred by the Plan are included in net appreciation in fair value of the investments, rather than a direct payment. Administrative expenses paid to PNC Bank, N.A. and Newport Trust Company for the years ended December 31, 2022 and 2021 were \$19,854 and \$18,282, respectively. The Council pays directly any other fees related to the Plan's operations.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
