INDEPENDENT AUDITOR'S REPORT

September 15, 2023

To the Plan Administrator of
The Church Home of the Protestant Episcopal
Employees' Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Church Home of the Protestant Episcopal Employees' Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

THE CHURCH HOME OF THE PROTESTANT EPISCOPAL EMPLOYEES' RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following brief description of The Church Home of the Protestant Episcopal Employees' Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution retirement plan, established effective January 1, 2007, which covers all eligible employees of The Church Home of the Protestant Episcopal Church (the Episcopal Church Home or Plan Sponsor). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The administrator of the Plan is The Episcopal Church Home. Newport Trust Company is the custodian and trustee of the Plan's assets.

Participation

Qualifying employees of the Plan Sponsor are eligible to participate in the Plan immediately upon hire or attaining age 18, whichever is later. Eligibility for employer contributions is based on achieving a minimum hour threshold as defined in the Plan document.

Contributions

Active participants may make voluntary pre-tax or post-tax contributions in the form of salary reductions up to 100% of annual compensation and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the Internal Revenue Code (IRC) under Section 401(k). New participants are automatically enrolled in a contribution agreement in the form of a salary deferral of 3% of eligible compensation. Participants who are automatically enrolled in the Plan have the option to cease contributions and withdraw funds previously contributed to the Plan within 90 days of the first automatic deferral. Participants may also elect to not participate in the Plan. Eligible participants, who attain the age of 50 before the end of the Plan year are eligible to make catch-up contributions, subject to certain limitations of the IRC. Participants in the Plan can rollover their account balances from other eligible retirement plans into the Plan.

The Plan Sponsor is responsible to make a non-elective safe harbor matching contribution. This safe harbor matching contribution is equal to the sum of 100% of the amount of a participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. The Plan Sponsor may also, at its discretion, make additional contributions above the safe harbor level for employees who meet certain eligibility criteria.

Benefits

The Plan's normal retirement age is 65 years old. The Plan has an early retirement age of 55 and completion of ten (10) years of service. Payments to beneficiaries are made via a lump sum distribution. The benefits paid equal the amount of the participants' vested balance, less any applicable fees and taxes.

1. DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from participant accounts.

Participant Accounts

Each participant's account is credited with the participant's contribution, a portion of the Plan Sponsor's contributions, an allocation of investment earnings or losses and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and employer safe harbor match contributions. Vesting in the Plan Sponsor's discretionary contributions is based on years of continuous service. A participant is vested 20% per year after completion of two years credited service. Participants are fully vested upon completion of six years of service.

Forfeitures

Any forfeiture in the Plan year may be used to reduce a future Plan Sponsor contribution or to pay any Plan expenses. Forfeited nonvested accounts totaled \$45,353 and \$42,868 at December 31, 2022 and 2021, respectively. For the years ended December 31, 2022 and 2021, there were no forfeitures applied against employer contributions. Forfeitures were used to pay Plan expenses in the amount of \$875 and \$11,000 for the years ended December 31, 2022 and 2021, respectively.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan and other expenses are paid for by the Plan Sponsor.

Plan Termination

Although the Plan Sponsor has not expressed any intent to do so, it has the right to terminate the Plan subject to provisions set forth by ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Cash

Cash may include bank demand deposits accounts, money market accounts and all highly liquid debt instruments purchased with a maturity of three months or less. The Plan's cash balances may at times exceed federally insured limits. The Plan has not experienced any losses in these accounts and believes it is not exposed to any significant risk with respect to cash and cash equivalents.

Investments

Mutual funds are stated at fair value. The common trust fund is valued at fair value using the net asset value practical expedient. Changes in the value of investments, including realized gains and losses on assets sold during the year, are reflected in the statements of changes in net assets available for benefits as appreciation or depreciation in the fair value of investments. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments (Continued)

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Fair Value Measurements

The Plan uses various valuation techniques in determining fair value. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's estimate about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation does not entail a significant degree of judgment.

Mutual funds: Valued at the closing price on the active market in which the securities are traded.

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

The Plan has no assets which are valued using Level 2 inputs.

- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The Plan has no assets which are valued using Level 3 inputs.

The common trust fund is valued at fair value using the net asset value practical expedient.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The Plan's valuation methodologies have not changed from the prior year.

Payment of Benefits

Benefit payments are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in accordance with GAAP requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as accurate and complete by Newport Trust Company as of and for the years ended December 31, 2022 and 2021.

	<u>2022</u>	<u>2021</u>
Cash	\$ <u>921</u>	\$ <u>-</u>
Investments	\$ <u>10,836,136</u>	\$ <u>12,503,463</u>

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>10,664,440</u>	<u>-</u>	<u>-</u>	\$ <u>10,664,440</u>

Investments, measured using net asset value as practical expedient				<u>171,696</u>
Total investments				\$ <u>10,836,136</u>

4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 12,431,126</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$12,431,126</u>
Total investments at Fair value	<u>\$ 12,431,126</u>	<u>\$ -</u>	<u>\$ -</u>	12,431,126
Investments, measured using net asset value as practical expedient				<u>72,337</u>
Total investments				<u>\$12,503,463</u>

Fair value of interest-bearing cash approximates the carrying amounts of such instruments due to their short maturity.

The investment strategy of the common trust fund is to maintain the stability of a money market fund while offering returns similar to those of intermediate-term bonds.

Transactions out of the common trust fund can be made any business day; however, the participant is subject to an equity wash rule, which means if the participant wants to transfer the fund to a competing fund, they must keep them there for a minimum of 90 days. The fund does not have any unfunded commitments.

5. INCOME TAX STATUS

The Plan is a prototype non-standardized safe harbor profit sharing plan. In its latest tax-exempt determination letter dated March 31, 2014, the Internal Revenue Service stated that the Plan and related trust, as then designed, was in compliance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PARTIES-IN-INTEREST

Newport Trust Company is the custodian and trustee of the Plan's assets during 2022 and 2021. Alesco Advisors is the Plan's investment advisor. Consequently, transactions between these entities qualify as party-in-interest transactions.

7. RECONCILIATION TO FORM 5500

Net assets available for benefits per the financial statements agree to Form 5500 for the years ended December 31, 2022 and 2021.

The classifications of the changes in net assets available for benefits for the years ended December 31, 2022 and 2021, differ between the financial statements and Form 5500. However, the total changes in net assets available for benefits for the years ended December 31, 2022 and 2021, agree in total to Form 5500.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 15, 2023, which is the date the financial statements were available to be issued.
