403(b) Thrift Plan for Employees of HARCATUS Tri-County Community Action Organization

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of 403(b) Thrift Plan for Employees of HARCATUS Tri-County Community Action Organization (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022; the related statement of changes in net assets available for benefits for the year then ended; and the related notes to the financial statements (collectively, the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Mutual of America as of and for the years ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by Mutual of America agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statements

The financial statements as of December 31, 2021, were audited by Zeno, Pockl, Lilly & Copeland, A.C., who merged with S.R. Snodgrass, P.C. as of January 1, 2023, and whose report dated August 29, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Mutual of America agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN FOR EMPLOYEES OF
HARCATUS TRI-COUNTY COMMUNITY ACTION ORGANIZATION
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the 403(b) Thrift Plan for Employees of Harcatus Tri-County Community Action Organization (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more comprehensive description of the Plan’s provisions. The Plan’s sponsor is Harcatus Tri-County C.A.O., Inc. (the “Employer”).

General

The Plan is a defined contribution plan covering substantially all employees of the Employer. An employee is immediately eligible to defer a portion of their pretax compensation into the Plan. Eligible employees are defined as all employees, except those employees who normally work fewer than 20 hours per week.

The Plan includes a 403(b) before-tax savings feature, which permits participants to defer compensation under Section 403(b) of the Internal Revenue Code. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may elect to have the Employer withhold and contribute a portion of their compensation to the Plan. Compensation is defined as taxable wages on Internal Revenue Service (IRS) Form W-2. If the employee turns age 50 before the end of any calendar year, they may defer catch-up contributions. Special 403(b) catch-up contributions apply if the employee has worked at least 15 years for the Employer. Participants direct the investment of these contributions into various investment options offered by the Plan. The Employer makes a non-elective contribution, which is allocated to eligible participants on a pro rata basis (ratio that each participant’s compensation bears to the compensation of all eligible participants). Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with deferred contributions, Employer contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are fully vested in their contributions and actual earnings thereon. Employees will be fully vested in the non-elective Employer contribution after three years.

Notes from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by a portion of the vested benefit invested in the Interest Accumulation Account of the General Account available under the group annuity contract that was issued in conjunction with the funding of the Plan. The weighted-average remaining term of the loans was 4.83 years as of December 31, 2022. Principal and interest are paid ratably through monthly payroll deductions. Interest rates on notes receivable from participants were 3.25 percent during 2022.

403(b) THRIFT PLAN FOR EMPLOYEES OF
HARCATUS TRI-COUNTY COMMUNITY ACTION ORGANIZATION
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

Hardship withdrawals are permitted by the Plan. The criteria used in determining whether a participant is entitled to receive a hardship withdrawal is the Safe Harbor set of hardship rules. The Safe Harbor rules require that a participant meet specific criteria in order to qualify for hardship withdrawal. The criteria include an immediate and heavy financial need related to six specific events.

Payments of Benefits

Upon termination of service, a participant may elect to receive the vested value of their account in a lump-sum payment or installments. Benefits are recorded when paid.

Forfeitures

Forfeited nonvested accounts are used to reduce future Employer contributions or for payment of administrative expenses. The Plan used \$2,432 of forfeitures to reduce the Employer contributions made in 2022. The balance in the forfeited non-vested account at December 31, 2022 and 2021, was \$2,272 and \$0, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting and reporting policies applied in the presentation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Accounting Estimates

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles. In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ significantly from those estimates.

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The net depreciation in fair value of investments includes investments purchased, sold, and held during the year.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

403(b) THRIFT PLAN FOR EMPLOYEES OF
HARCATUS TRI-COUNTY COMMUNITY ACTION ORGANIZATION
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant to be in default, the participant's notes receivable is reduced and a benefit payment is recorded based on the terms of the Plan. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Administrative Expenses

Certain administrative functions are performed by officers and employees of the company. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Plan Sponsor.

NOTE 3 – INVESTMENTS

The Plan investments are administered by Mutual of America Life Insurance Company ("Custodian"). The following is a summary of the investment information as of December 31, 2022 and 2021 and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certification from the Custodian that information provided to the Plan Administrator by the Custodian related to the following investments is complete and accurate. Accordingly, as permitted by CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedule, related to investments:

	December 31,	
	2022	2021
Investments at Fair Value:		
Pooled Separate Account	\$ 2,212,983	\$ 2,671,588
Deposit Administration Contract	351,841	287,601

Mutual of America Life Insurance Company also certified to the accuracy of \$409,254 of net depreciation in fair value of investments and \$1,100 of interest and dividends related to the aforementioned Plan assets for the year ended December 31, 2022.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

403(b) THRIFT PLAN FOR EMPLOYEES OF
HARCATUS TRI-COUNTY COMMUNITY ACTION ORGANIZATION
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 5 – TAX STATUS

The IRS has previously determined and informed the third-party administrator that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code.

Management of the Plan is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. Participant loans held by the Plan reflect party-in-interest transactions. The company absorbs some costs incurred in relation to the administration of the Plan. Such costs amounted to \$6,500 for the year ended December 31, 2022.

NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan discloses fair value of its financial instruments. Financial instruments are defined as cash, evidence of ownership in an entity, or a contract that creates an obligation or right to receive or deliver cash or another financial instrument from/to a second entity on potentially favorable or unfavorable terms. If quoted market price is available for a financial instrument, the estimated fair value would be calculated based upon the market price per trading unit of the instrument. Cash and cash equivalents, contributions receivable, investments, and notes receivable from participants would be considered financial instruments. At December 31, 2022, the carrying amount of these financial instruments approximates fair values. The fair value of notes receivable from participants is based on amortized cost, which approximates fair value.

NOTE 8 – FAIR VALUE MEASUREMENTS

The Plan utilizes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described below:

- *Level I:* Inputs to the valuation methodology are unadjusted quoted prices for assets or liabilities in active markets that the Plan has the ability to access.
- *Level II:* Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- *Level III:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

403(b) THRIFT PLAN FOR EMPLOYEES OF
HARCATUS TRI-COUNTY COMMUNITY ACTION ORGANIZATION
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 8 – FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts: The pooled separate accounts sponsored by Mutual of America are valued at the net asset value (NAV) of units held by the Plan at year-end. The unit values of participation units in the pooled separate accounts (PSA) are based on the underlying mutual fund held in the PSA, minus liabilities, which are the contract charges imposed, divided by the number of participation units outstanding.

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

		2022			
		<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled Separate Accounts	\$	2,212,983	-	Immediate	None
		2021			
		<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled Separate Accounts	\$	2,671,588	-	Immediate	None

Deposit Administration Contract: The contract value of the deposit administration contract approximates fair value because the interest crediting rate is reset annually.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
