## **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Computer Development, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibility of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Computer Development, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibility for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting in error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Computer Development, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Computer Development, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable amount of time.

Our audits did not extend to the certified investments information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during our audit.

#### **Supplemental Schedules Required by ERISA**

Our Audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held for Investment Purposes at End of Year and Reportable Transactions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included has been subjected to the accounting procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

the information in the supplemental schedules related to assets held by and certified to by a qualified institution agreed to, or is derived from, in all material respects, the information prepared and certified by an institution that management determine meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN COMPUTER DEVELOPMENT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

---

Note 1 - Description of Plan

The following description of the American Computer Development, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's Provision.

**General**

The Plan, a 401(k) profit sharing plan sponsored by American Computer Development, Inc. (the Company), covers all eligible employees under the Plan's provisions as adopted on November 1, 2006. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Eligibility**

All employees of the Company are eligible for participation in the Plan after they have completed six months of service and have attained the minimum age of twenty-one. Employees will enter this portion of the plan on the same date that they satisfy both the age and service requirements.

**Contributions**

Each year, participants may contribute pretax annual compensation to the Plan up to the maximum deferral amount, as determined by the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified plans. The Company will contribute a matching contribution equal to 50% of the first 6% of deferred compensation that a participant contributes to the Plan. The Company may contribute additional amounts to the Plan solely at its discretion.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminating participant's nonvested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

| <u>Years of Service</u><br><u>(as Defined by the Plan Document)</u> | <u>Percent</u><br><u>Vested</u> |
|---------------------------------------------------------------------|---------------------------------|
| 1                                                                   | 25%                             |
| 2                                                                   | 50%                             |

Note 1 – Description of Plan, Continued

**Payment of Benefits**

Upon termination of service, a participant may receive a lump-sum amount equal to the vested portion of his or her account. Terminated participants with vested benefits of \$1,000 or less are distributed to the participant without his or her consent. Benefits are recorded when paid.

**Loans to Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum term over which a loan may be repaid is five years, except for the purchase of a primary residence, which extends the term to fifteen years. The loans are secured by 50% of the value of the participant's account. The loan bears interest at a rate commensurate with interest rates then being charged by entities in the business of lending money under similar circumstances. A participant may not maintain more than two active loans outstanding at any one time, and may only be issued one loan per calendar year.

**Investment Options**

Upon enrollment in the Plan, participants may direct contributions, including employer matching contributions, into various investment options offered by the custodian.

**Forfeited Accounts**

At December 31, 2022, forfeited non-vested accounts totaled \$0-. The Plan used \$13,488 of forfeitures to reduce future employer contributions during 2022.

Note 2 – Summary of Significant Accounting Policies

**Date of Management's Review**

The FASB issued authoritative guidance that sets forth general accounting and disclosure requirements for events that occur subsequent to the balance sheet date but before the Company's financial statements are issued. Events that occurred subsequent to December 31, 2022 have been evaluated by management through October 7, 2023, which is the date the financial statements were available to be issued and have identified no additional items that require disclosure.

**Basis of Presentation**

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, income is recorded in the year earned and expenses are recorded in the year incurred.

**Investments Valuation**

The Plan's investments are primarily reported at fair value, with exception of the Plan's fully benefit-responsive investment contract that is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the contract and is the relevant measure for the portion of assets attributable to fully benefit-responsive investment contracts. See Note 6 for discussion of fair value measurements.

Note 2 – **Summary of Significant Accounting Policies, Continued**

**Income Recognition**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is reported on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Benefit Payments**

Benefits are recorded when paid.

**Notes Receivable from Participants**

Notes receivable from participants are valued at unpaid principal balance plus any accrued interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

**Administrative Expenses**

The Plan's administrative expenses are paid by either the Plan or Employer, as provided by the Plan document. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 3 – **Federal Income Tax Status**

The Plan is a volume submitter profit sharing plan sponsored by John Hancock USA. The sponsor has received an opinion letter dated November 1, 2006 stating that the volume submitter plan is acceptable under section 401(a) of the Internal Revenue Code. The acceptable opinion is not a ruling or determination as to whether the Plan qualifies under Code section 401(a). The opinion letter does state that an employer who adopts the volume submitter plan will be considered to have a qualified plan under Code section 401(a) provided all terms of the plan are followed, and the eligibility requirements and contribution or benefit provisions are not more favorable to highly compensated employees than for other employees. Although the Plan has not applied for a determination letter, the Plan administrator and the Plan's tax council believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code. As a result, the Plan is exempt from federal income tax under Section 401(a) of the Internal Revenue Code.

The Plan administrator has concluded that as of December 31, 2022, there were no uncertain tax positions taken or expected to be taken. The Plan recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

Note 4 - **Plan Termination**

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 5 - **Related - Party Transactions**

Some Plan investments are managed by John Hancock USA, which are the Custodians of the Plan and, therefore, these transactions are deemed to be party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$2,632 for the year ended December 31, 2022.

Note 6 - **Fair Value Measurements**

The Plan accounts for its financial assets and liabilities in accordance with Accounting Standards Codification 820, Fair Value Measurements and Disclosures ("ASC 820"), which are carried at fair value on a recurring basis in the financial statements. ASC 820 establishes a fair value hierarchy that requires assets and liabilities measured at fair value to be categorized into one of three levels based on the priority of inputs used in the valuation. Assets and liabilities are classified in their entirety based on the lowest level of input significant to the fair value measurement. The three levels are defined as follows:

*Level 1*- Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

*Level 2*- Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determine through the use of models or other valuation methodologies.

*Level 3*- Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and we make estimates and assumptions related to the pricing of the asset or liability, including assumptions regarding risk.

The following is a description of the valuation methodologies used for investments measure at fair value pursuant to the fair value hierarchy:

**Mutual Funds**

Mutual funds are public investments vehicles valued using the NAV provided by the administrator of the fund that focus on accumulating earnings while maintaining the appropriate level of diversified risk.

**Cash**

Cash is carried at cost and includes all highly liquid debt instruments purchased with an original maturity of three months or less.

**AMERICAN COMPUTER DEVELOPMENT, INC. 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2022**

**Note 6 - Fair Value Measurements, Continued**

**Collective Investment Trusts**

Collective investment trusts are public investment vehicles, valued using the NAV provided by the administrator of the trust, that focus on accumulating earnings while maintaining the appropriate level of diversified risk. There are currently no redemption restrictions on the collective investment trust. The NAV is based on the value of the underlying assets owned by the trust, minus its liabilities, and then divided by the number of shares outstanding. The NAV is quoted on a private market that is not active; however, the unit price of the underlying investments is traded on an active market.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial investments could result in different fair value measurement at the reporting date. We noted no changes in valuation methodologies during the years ended December 31, 2022 and 2021.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

**Note 7 - Guaranteed Interest Contract**

The guaranteed investment contract is a fully benefit-responsive investment contract and is reported at contract value on the Statements of Net Assets Available for Benefits. Benefit responsiveness is defined as the extent to which a contract's term and the Plan permit or require participant-initiated withdrawals at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under terms of the Plan. Contract value represents participant contributions, plus earnings at guaranteed crediting rates, less participant withdrawals.

The guaranteed investment contract is a group fixed annuity contract, backed by the creditworthiness of John Hancock, USA, which has no maturity date. Deposits made to the investment contract are deposited in John Hancock general account. John Hancock is contractually obligated to repay the principal and a specified crediting interest rate that is guaranteed to the Plan. There are no reserves against the contract value for credit risk of John Hancock or otherwise. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion at contract value within reasonable time frames. Restrictions apply to the aggregate movement of funds to other investment options. There is no event that limits the ability of the Plan to transact at less than contract value with John Hancock. There are no events or circumstances that would allow John Hancock to terminate the group fixed annuity contract with the Plan and settle at an amount different from contract value.

The interest rate guaranteed to the contract for the years ending December 31, 2022 and 2021 are as follows:

|                            | 2022  | 2021  |
|----------------------------|-------|-------|
| 3 Year Guaranteed Account  | 0.33% | 0.15% |
| 5 Year Guaranteed Account  | 0.43% | 0.25% |
| 10 Year Guaranteed Account | 0.53% | 0.35% |

Note 8 - **Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
