INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
R. H. Barringer Distributing Co., Inc.
Employees' Retirement Savings Plan
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of R. H. Barringer Distributing Co., Inc. Employees' Retirement Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits, as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank, similar institution, or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank, similar institution, or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution, Fidelity Management Trust Company ("the Trustee"), as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the ***Auditor's Responsibilities for the Audit of the Financial Statements*** section –

- the amounts and disclosures in the financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the ***Auditor's Responsibilities for the Audit of the Financial Statements*** section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements, in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*** section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we –

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

A. DESCRIPTION OF THE PLAN

The following description of the R. H. Barringer Distributing Co., Inc. ("the Company") Employees' Retirement Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General.** The Plan is a defined contribution plan for which all employees are eligible after completing three (3) consecutive months of employment. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
2. **Contributions.** Participants may contribute a portion of their annual wages, not to exceed \$20,500 and \$19,500 for 2022 and 2021, respectively (adjusted annually), plus \$6,500 additional catch-up for age 50 and over, for the years ended December 31, 2022 and 2021, respectively. The employer will contribute a matching amount based on a percentage of the participant's compensation as determined each year. In addition, the employer may contribute an amount or percentage of its net profits referred to as the employer's discretionary additional contribution.
3. **Participants' Accounts.** Each participant's account is credited with the participant's contribution and an allocation of: (1) the Company's contribution and (2) the Plan earnings. Allocations are based on particular earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.
4. **Vesting.** Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer's matching contributions and discretionary additional contribution is based on years of continuous service with 100% vesting after three (3) years of credited service.
5. **Investment Options.** Upon enrollment in the Plan, a participant may direct participant or employer contributions into various investments offered by the Plan. The Plan currently offers money market and mutual funds offered by Fidelity Investments.
6. **Participant Loans.** Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment funds from (to) the participant notes fund. Loan terms range from one (1) to five (5) years, or up to ten (10) years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 2%. The prime rate at December 31, 2022, was 7.50%. Principal and interest are paid ratably through weekly payroll deductions.
7. **Payment of Benefits.** Upon termination of service, a participant may elect to receive either a lump sum amount equal to the value of his or her account, or installment payments over a fixed period of time.
8. **Forfeited Accounts.** As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$31,965 and \$39,699, respectively. These accounts are used to reduce administrative expenses or employer contributions.

B. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year end. Participant notes receivable are valued at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

C. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

D. RELATED PARTY TRANSACTIONS

Certain Plan investments are income-based and equity-based mutual funds managed by Fidelity Management Trust Company ("the Trustee"); therefore, as defined by the Plan, these transactions qualify as party-in-interest transactions.

E. TAX STATUS

The Internal Revenue Service has determined and informed the Plan Administrator by letter dated September 14, 1999, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended and restated since receiving the determination letter to bring the Plan into compliance with recent legislation using a prototype non-standard plan provided by the Trustee. The prototype plan was determined to be in accordance with applicable sections of the IRC in a letter dated June 30, 2020. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

E. TAX STATUS *[cont'd]*

As of December 31, 2022, management believes there are no uncertain tax positions.

As of December 31, 2022, and including the previous three (3) years considering extensions, the Plan's Form 5500 is open and subject to examination by tax authorities with relevant jurisdiction. Should such an examination take place, management does not anticipate any significant issues related to the open years.

F. PLAN EXPENSES

The Plan sponsor has elected to pay all administrative expenses of the Plan, as permitted by the Plan document.

G. CERTIFIED INVESTMENTS

The following is a summary of the investment information regarding the Plan, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplementary schedule that were prepared by, or derived from, information provided by the Trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate.

	<u>2022</u>	<u>2021</u>
Investments in Net Assets of the Plan:		
Mutual funds	\$ 40,939,147	\$ 52,020,938
Fidelity Ret. Gov't MM	<u>2,934,444</u>	<u>2,451,406</u>
	<u>\$ 43,873,591</u>	<u>\$ 54,472,344</u>

During 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value as follows:

	<u>2022</u>
Investment Income:	
Interest and dividends	\$ 3,150,662
Net depreciation in fair value of investments	<u>(13,230,026)</u>
	<u>\$ (10,079,364)</u>

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Furthermore, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying statements of net assets available for benefits.

H. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Codification establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three (3) levels of the fair value hierarchy under the Codification are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liabilities;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Cash money market: Valued at the closing price reported on the active market.

Shares of registered investment companies (mutual funds): Valued at the NAV of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value, or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

H. FAIR VALUE MEASUREMENTS *[cont'd]*

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Shares of registered investment companies:				
Mutual funds	\$ 40,939,147	\$ ---	\$ ---	\$ 40,939,147
Cash money market	<u>2,934,444</u>	<u>---</u>	<u>---</u>	<u>2,934,444</u>
Total assets at fair value	<u>\$ 43,873,591</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$ 43,873,591</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Shares of registered investment companies:				
Mutual funds	\$ 52,020,938	\$ ---	\$ ---	\$ 52,020,938
Cash money market	<u>2,451,406</u>	<u>---</u>	<u>---</u>	<u>2,451,406</u>
Total assets at fair value	<u>\$ 54,472,344</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$ 52,472,344</u>

I. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Form 5500 reports cash in the total amount of \$2,950,384; this comprises the cash money market fund of \$2,934,444 and a cash portion of \$15,940 that is located within the Brokerage Link fund. The Company did not choose to break out the cash portion from the Brokerage Link fund in presenting the financial statements, as this amount represents the entirety of the fund and might be misleading to users if it was to be presented separately. Thus, cash remains to be presented as \$2,934,444 on the statements of net assets available for benefits and the \$15,940 cash portion remains to be included in the total Brokerage Link fund balance of \$417,575 located in the supplementary schedule of assets held at the end of the year.

J. SUBSEQUENT EVENT

The Plan evaluated events occurring subsequent to the statements of net assets available for benefits date through October 6, 2023, the date the financial statements were available to be issued.
