Independent Auditors' Report

To the Administrative Committee of
the McGregor Metalworking Companies 401 (k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of McGregor Metalworking Companies 401 (k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of McGregor Metalworking Companies 401 (k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

· the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

· the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of McGregor Metalworking Companies 401 (k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McGregor Metalworking Companies 401 (k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

· Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McGregor Metalworking Companies 401 (k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

· Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

· Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McGregor Metalworking Companies 401 (k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

· the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

· the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MCGREGOR METALWORKING COMPANIES
401 (k) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2022 and 2021

Note 1 - Plan Description:

The following description of the McGregor Metalworking Companies 401 (K) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with a 401(k) savings feature covering all full-time employees who have completed one year of service. It is subject to the provisions of the Employer Retirement Income Security Act of 1974 (ERISA).

Contributions

Historically, the Company has made discretionary contributions to the Plan. Participants may defer 0-100% of their compensation up to the annual 402(g) limit.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately and fully vested in all benefits and their accounts.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer to (from) the investment funds from (to) the participant notes fund. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate equal to the prime rate plus one percentage point. Principal and interest is paid ratably through weekly payroll deductions.

Notes to Financial Statements

Note 1 - Description of the Plan - cont'd:

Forfeitures

Forfeited non-vested accounts totaled \$0 at December 31, 2022. Forfeitures are applied as provided in the Adoption Agreement.

Payment of Benefits

On termination of service, a participant may elect to receive (a) a lump-sum amount equal to the value of his or her account, (b) annual installments, (c) a life annuity, (d) a life annuity guaranteed, or (e) a joint and 50% survivor annuity.

Note 2 - Summary of Significant Accounting Policies:

Basis of Accounting

The financial statements of the Plan are prepared under the cash method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Share of common and collective trust and partnership interests are valued at market price as determined by the trustee.

Fund income and capital gain distributions are reinvested and recorded on the ex-dividend date.

Note 3 - Plan Termination:

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 4 - Tax Status:

On March 1, 2017 the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not been amended since receiving the determination letter.

Notes to Financial Statements

Note 4 - Tax Status (cont):

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 5 - Fair Value Measurements:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

Fair Value Measurements Using:

2022

	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Observable Prices But Not Quoted Prices (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	8,556,663	8,556,663

Life insurance cash value	463,739			463,739
Total	12,781,709	10,456,107	1,668,458	657,144

Notes to Financial Statements

Note 5 - Fair Value Measurements - continued:

Statement of Financial Accounting Standards Board (FASB) ASC 820, Fair Value Measurements, established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 consists of observable inputs, either directly or indirectly, but are not quoted prices, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they are generally the most reliable evidence of fair value. The Plan measures fair value using Level 2 or Level 3 inputs when Level 1 inputs are not available.

Level 1 Fair Value Measurements - The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements - The fair value of the accounts are based on the observable values of the underlying investments and underlying pools of securities.

Level 3 Fair Value Measurements - The fair value of General Investment Account is liquidation value based on actuarial formulas with no observable price. Participant loans are not actively traded and significant other observable inputs are not available. The fair value of the participant loans is equal to the amortized cost of the loans.

Fair Value Measurements Using Significant Unobservable Inputs (Level 3)

	2022		2021	
	Participant Loans	Life Insurance Cash Value	Participant Loans	Life Insurance Cash Value

Ending Balance	<u>164,606</u>	<u>469,575</u>	<u>193,405</u>	<u>463,739</u>

Note 6 - Investments and Information Certified by the Custodian:

Empower Annuity Insurance Company of America (Empower Retirement) is custodian for the plan. The custodian holds the Plan's investment assets and executes transactions. Financial information relating to those assets and investment transactions is included in the financial statements and schedule based on information provided by the custodian and is certified as complete and accurate. That information, which has not been audited by independent auditors, includes a schedule of assets held at end of year. Upon enrollment in the Plan, a participant may direct employee contributions in 1% increments in numerous investment options. Participants may change their investment options daily.

Notes to Financial Statements

Note 6 - Investments and Information Certified by the Custodian (cont):

Total	<u>10,886,214</u>	<u>12,781,709</u>

Note 7 - Investment Contract With Insurance Company:

The Plan has a benefit-responsive investment contract with Empower Annuity Insurance Company of America called the Key Guaranteed Portfolio Fund. Empower Annuity Insurance Company of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Empower Annuity Insurance Company of America. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal of a transfer of all or a portion of their investment at contract value.

Note 8 - Related Party Transactions:

The majority of Plan investments are in mutual funds managed by the custodian of the Plan and, therefore, these transactions qualify as party-in-interest. Per the Department of Labor, these transactions are considered exempt party-in-interest transactions.

Note 9 - Plan Termination:

The Company has the right under the Plan, although it has not expressed any intent to do so, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of discontinuance of the Plan, all participants' accounts become fully vested.

Note 10 - Tax Status:

The Plan has obtained a tax determination letter in which the Internal Revenue Service stated that the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not been amended since receiving the determination letter. However, the plan administrator and the plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 11 - Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 12 - Subsequent Events:

Subsequent events are defined as events or transactions that occur after the financial statement date, but before the financial statements are issued. Management has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued. As a result of the spread of COVID-19, economic uncertainties have resulted in significant volatility in the investment markets. The volatility has not had a negative impact on the plan, but the duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.
