INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator of
Islandaire, Inc. 401 (k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Islandaire, Inc. 401 (K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Islandaire, Inc. 401 (K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2, this includes determining that the modified cash basis of accounting is an acceptance basis for the preparation of the financial statement in the circumstances.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CERTIFIED PUBLIC ACCOUNTANTS

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Islandaire, Inc. 401 (K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Islandaire, Inc. 401 (K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

SAMUEL GOLDSTEIN & CO., P.C.
CERTIFIED PUBLIC ACCOUNTANTS

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audits procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Islandaire, Inc. 401 (K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Islandaire, Inc. 401 (K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audits findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule, Schedule H, Line 4i - Schedule of Assets (held at end of year) as of December 31, 2022 (modified cash basis) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures, applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

SAMUEL GOLDSTEIN & CO., P.C.
CERTIFIED PUBLIC ACCOUNTANTS

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Islandaire, Inc. 401 (k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution Plan covering all full-time employees of Islandaire, Inc. (the Company), who have reached 21 years of age and have completed six months of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees is responsible for oversight of the Plan. The Board of Trustees is responsible for oversight of the Plan determining the appropriateness of the Plans investment offerings and for monitoring the investment performance.

Eligibility

Employees of the Company who have reached 21 years of age and have completed at least six months of continuous service are eligible to participate in the Plan, except for certain employees employed on a special basis as defined in the Plan document.

Contributions

Each year, participants may contribute the maximum allowed by the Internal Revenue Service of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan does not include an auto-enrollment provision.

The Plan provides for matching contributions and profit sharing to be made on behalf of all participants. Employer contributions are invested in various funds determined by employees' voluntary contribution allocation. The company made matching contributions of \$132,264 and \$109,660 for the years ended December 31, 2022 and 2021 respectively. The Company Matching contribution is 40% of the first 5% of each payroll contribution with a maximum match of 2% of pay limited to \$5,700 per year in December 31, 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions and company matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as set forth in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their salary deferral contributions and rollover contributions plus actual earnings, thereon. Vesting in the Company's matching contribution and profit sharing portion of their accounts plus actual earnings thereon, is based on years of continuous service. With respect to the Company's matching and profit sharing contributions, a participant is 0% vested after one year of continuous service increasing by 20% annually to 100% after six years of credited service.

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the fair value of their vested account balance. The loans are secured by the balance in the participant's account. Repayments, including interest at rates determined by the Plan Administrator, are made through payroll deductions over a period that may not exceed five years, except for the purchase of a primary residence which may not exceed 15 years. For the years ended December 31, 2022 and 2021, interest rates ranged from 4.25% to 8.00%, as modified by CARES Act – See Note 3.

Forfeited Accounts

Participants who terminate their employment prior to being 100% vested will forfeit the non-vested portion of their account. Forfeited non-vested accounts can be used to reduce Company contributions and, they can be used to offset administrative expenses. At December 31, 2022 2021, forfeited non-vested accounts totaled \$6,258 and \$14,976 respectively. For the years ended December 31, 2022 and 2021, the Plan allocated \$10,066 and \$9,607 respectively. Which were used to offset administrative expense, respectively.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may receive an amount equal to the value of the participant's vested interest in his or her account in the form of a lump-sum distribution.

Hardship Withdrawals

A participant may request a hardship withdrawal under certain conditions as set forth in the Plan document. Hardship Withdrawals must be approved by the Plan administrator.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan's significant accounting policies are as follows:

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. That basis differs from generally accepted accounting principles in that participant and employer contributions as well as interest and dividend income are recognized when received instead of when they are earned, and administrative expenses are recognized when paid instead of when incurred.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive guaranteed investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies, utilizing information provided by the investment advisor, administrator, custodian and insurance company. See note 5 for discussion of fair value measurements.

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged to participants. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded (deemed distribution).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.

There were no material adjustments or disclosures that resulted from the evaluation.

NOTE 3 - ADMINISTRATIVE CHANGES DUE TO CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. While this legislation provides wide ranging economic relief for employers, it specifically relaxes constraints that have governed employee loans and distributions from retirement plans.

Employees are able to declare themselves eligible for COVID-19 related transactions by self-certifying that they, their spouse, or dependents have been diagnosed with COVID-19 or that they have encountered a heavy financial burden associated with being quarantined, furloughed, laid off, having work hours reduced, the close or reduction of a business, or the inability to work due to a lack of childcare.

NOTE 3 - ADMINISTRATIVE CHANGES DUE TO CARES ACT (Continued)

Key provisions related to the plan, COVID-19 Distribution (CRD), and Covid-19 Plan loans includes:

- Distributions allowed up to \$100,000;
- No 10% excise tax imposed on any pre- 59 ½ withdrawals;
- Related income taxes can be spread over a period of 3 years;
- Potential to repay such distribution amounts to the plan at any time following three-year period, in increments of one or more payments;
- Mandatory 20% federal withholding is eliminated;
- Loans of lesser of \$100,000 or 100% of one's vested account balances.

Plans must currently allow for Covid-19 Related Plan loans or amend to allow for such transactions.

SECURE ACT

The Setting Every Community Up for Retirement (SECURE) Act was passed in December 2019 and became a law as of Jan. 1, 2020. The legislation created changes for long-term retirement savings and has financial impacts for Americans at every age.

The SECURE Act changed a variety of retirement account rules, including who is eligible to contribute to retirement accounts and when withdrawals are required. The new legislation also adds a new exception to the early withdrawal penalty.

Important retirement account changes from the SECURE Act include:

- The required minimum distribution age increases to 72, up from 70 ½;
- The age limit for IRA contributions has been removed;
- Inherited retirement account distributions must be taken within 10 years;
- New parents can take penalty-free withdrawals;
- Long-term part-time employers may now be eligible for 401(k) plans.

NOTE 4 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

Management has elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520, 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Retirement – Great West Life & Annuity Company of New York, the Trustee of the Plan has certified that the following investment information is complete and accurate:

- Fair value and contract value of investments as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021;
- Investment income as reflected in the Statement of Changes in Net Assets Available for Benefits for the Year Ended December 31, 2022;
- Investment information as reflected in Note 5 to these financial statements;
- Investment information reflected in the Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022.

As permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to the certified investment information.

NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include:
---------	--

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

DECEMBER 31, 2022 AND 2021

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commissions. These funds are required to publish their daily net assets value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2022 and 2021

Assets at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 6 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a traditional fully benefit-responsive guaranteed investment contract with *Empower Retirement -Great West Life & Annuity Insurance Company of New York, ("*Empower") The Custodian. *Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under that contract, plus earnings, less participants' withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan.

The contract value of the investment contract at December 31, 2022 and 2021 was \$543,421 and \$504,604, respectively. The crediting interest rate, approximately 1.00 %, is based on a formula agreed upon the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other withdrawal from the plan, (4) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transactions exemption under ERISA or (5) premature termination of the contract. The Plan administrator does not believe that any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 8 - ADMINISTRATIVE EXPENSES

Certain administrative functions are prepared by officers and employees of the Company. No officer or employee receives compensation from the Plan.

NOTE 9 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014 that the Plan related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods.

NOTE 10- PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

NOTE 11 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, credit risks and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 11 - RISK AND UNCERTAINTIES (Continued)

In March 2020, the World Health Organization declared the outbreak of COVID-19 to be a pandemic. The COVID-19 pandemic is having widespread, rapidly evolving, and unpredictable impacts on global society, economies, and financial markets. While the effects of COVID-19 are not reflected in these Plan financial statements, there is substantial uncertainty in the nature and degree of its effects over time. The extent to which the COVID- 19 pandemic impacts the Plan going forward will depend on numerous evolving factors which cannot be reliably predicted, including the duration and scope of the pandemic; governmental, business, and individuals' actions in response to the pandemic; and the impact on economic activity including the possibility of recession or further financial market instability.

NOTE 12 - RELATED PARTY TRANSACTIONS PARTY-IN INTEREST TRANSACTIONS

The Plan's investments are managed by the Trustee for the Plan and, therefore these transactions qualify as party in interest transactions. Empower Retirement – Great West Life & Annuity Company of New York and the Plans investment consultant receives revenue from mutual fund service providers for services they provide to the Fund. The fees therefore are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than direct payment. The Plan sponsor pays directly any other fees related to the Plan's operation. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party in interest transactions which are exempt from the prohibited transaction rules.

NOTE 13 ROLLOVER CONTRIBUTIONS

An aggregate of \$104,737 was rolled into the Plan during the year ended December 31, 2022 and is included in rollovers on the Statement of Changes in Net Assets Available for Benefits.
