INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
HDL Management USA Corporation - 401K Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed an audit of the accompanying financial statements of HDL Management USA Corporation - 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of HDL Management USA Corporation - 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HDL Management USA Corporation - 401K Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HDL Management USA Corporation - 401K Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HDL Management USA Corporation - 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HDL Management USA Corporation - 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HDL MANAGEMENT USA CORPORATION – 401k Plan
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 1– DESCRIPTION OF THE PLAN

The following description of the HDL Management USA Corporation – 401K Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provision.

GENERAL

The Plan covers employees who have met certain eligibility requirements. In order to be eligible for elective salary deferrals, employees must have completed one year of service and be 18 years of age or older. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

CONTRIBUTIONS

Participating employees can contribute a minimum of 1% and a maximum of 90% of their gross earnings each year as provided for in their participation agreement, within certain limitations determined by the Internal Revenue Service. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make a discretionary non-elective matching contribution on behalf of each participant's account, to be determined by a percentage of the participant's elective deferrals. As of December 31, 2022, there were no discretionary non-elective matching contributions.

Effective January 1, 2022, the Company amended the Plan to elect a Safe Harbor Match equal to 100% of employees' salary deferrals on the first 4% of compensation.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, the Company's matching contributions, and the earnings from the various investments that each participant has elected to invest in, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their deferred contributions, rollover contributions, safe harbor employer contributions plus actual earnings thereon. Vesting in employer non-elective contributions and profit-sharing contributions is based on the following schedule:

Years of Service	Vesting Percentage
Less than one	0%
At least one, but less than two	20%
At least two, but less than three	40%
At least three, but less than four	60%
At least four, but less than five	80%
At least five, but less than six	100%

NOTE 1– DESCRIPTION OF THE PLAN (CONTINUED)

EXPENSES OF THE PLAN

Unless paid by the Employer, all reasonable costs and expenses incurred by the Administrator and the Trustee in administering the Plan and Trust may be paid from the forfeitures or from the remaining trust fund. All such costs and expenses paid from the trust fund shall, unless allocable to the accounts of particular participants, be charged against the accounts of all participants as provided in the service agreement.

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant or beneficiary shall have a vested interest in his or her account of 100% regardless of any vesting schedule and may elect to receive a lump-sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her own account as a lump-sum distribution, installments over a period of not more than your assumed life expectancy or ad-hoc distributions. Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may take one loan from their account, subject to the terms and conditions of the Plan Document. Participants may borrow up to 50% of their account balance, which may not be less than \$500 and must not exceed \$50,000 reduced by the highest outstanding loan balance during the previous twelve months. Loans bear interest commensurate with local prevailing rates as determined by the Plan Administrator.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest.

FORFEITURES

If a participant forfeits any portion of their non-vested account balance, such forfeitures shall be applied to reduce employer contributions. At December 31, 2022 and 2021, forfeited non-vested amounts were \$0.

NOTE 2– SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are stated at market value by reference to published market data. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Changes in the market value of investments between years and realized gains and losses are included in the calculation of changes in net assets. Interest and dividend income are recorded on the accrual basis.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

HDL MANAGEMENT USA CORPORATION – 401k Plan
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 2– SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

For the year ended December 31, 2022 and 2021, fees charged to Plan participant's accounts totaled \$910 and \$233, respectively. Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid from Plan assets. Investment related expenses are included in net appreciation of fair value of investments.

FAIR VALUE MEASUREMENTS

A framework has been established for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to be published their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

HDL MANAGEMENT USA CORPORATION – 401k Plan
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 2– SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

FAIR VALUE MEASUREMENTS (CONTINUED)

Common/Collective Trust Fund: Valued at the net asset value (NAV). The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3– INVESTMENTS

Fair Value Measurements

The following table presents the plan fair value hierarchy (see Note 2) for the financial assets measured at fair value on a recurring basis:

Investments as of December 31, 2022

	Fair Value	Level 1	Level 2
Mutual Funds	\$ 806,339	\$ 806,339	\$ -
	<u>\$ 806,339</u>	<u>\$ 806,339</u>	<u>\$ -</u>

HDL MANAGEMENT USA CORPORATION – 401k Plan
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 4– CERTIFIED INVESTMENTS

Certain information related to investments from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments from participants held at December 31, 2022, and net appreciation in fair value of investments, interest and dividends from participants for the year ended December 31, 2022, were obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust, the trustee of the Plan.

NOTE 5– RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6– TAX STATUS

The Internal Revenue Service has determined by a letter dated October 6, 2020, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accounting Principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with corresponding expense. The Plan distributed the excess contributions to the related participants.

NOTE 8 – SELF CORRECTION PROGRAM

During 2022 and 2021, the Company had a limited number of isolated errors related to calculating employee deferrals. For employees whose deferrals were undercalculated, the employer will make a corrective contribution by contributing the missed deferral plus earnings calculated through the date of the corrective contribution. The plan does not expect this operational failure to affect its tax status.

NOTE 9– PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 10 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Custodian is a party-in-interest with respect to the plan. All investments are held with the Custodian. Loans receivable from participants and the related interest income are considered related party transactions. Audit fees are paid by the plan sponsor.
