INDEPENDENT AUDITOR'S REPORT

October 5, 2023

To the Retirement Plan Committee of the
Keuka College:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Keuka College Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 and the Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KEUKA COLLEGE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following brief description of the Keuka College Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan available to all employees of Keuka College (the College) who meet certain eligibility requirements. The Plan is administered by the Retirement Plan Committee of the College. Teachers Insurance and Annuity Association and College Retirement Equities Fund (TIAA and CREF) are the insurance companies and issuers of the annuity contracts of the Plan. TIAA, FSB is the directed custodian of certain assets of the Plan recordkept by TIAA. TIAA is the recordkeeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees of the College, except for student employees and employees normally working less than 20 hours per week, are eligible to immediately begin salary deferrals pursuant to a properly completed and valid salary reduction agreement. Employees are eligible for the College's match upon completing at least 1,000 hours within their first year of employment or within each calendar year thereafter.

Contributions

Active participants may make voluntary contributions in the form of salary reductions up to 4% of annual compensation and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the Internal Revenue Code (the Code) under Section 403(b). Eligible participants, who attain the age of 50 before the end of the Plan year and/or have 15 years of service, are eligible to make age and service catch-up contributions, subject to certain limitations of the Code. Investments are directed by participants.

The College matches the participant's voluntary contributions to the Plan as follows:

<u>Participant contribution</u>	<u>College match</u>
1%	1%
2%	2%
3%	3%
4%	4%

Participant Accounts

Each participant's account is credited with the participant's contribution, the College's contribution and Plan earnings/losses on all contributions. Allocations of earnings/losses and administrative expenses are based on participant account balances according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

1. DESCRIPTION OF PLAN (Continued)

Funding Vehicles

Plan contributions are invested in one or more of the funding vehicles offered by the Plan. The Plan does not permit plan-to-plan transfers or contract exchanges with any annuity contract or custodial account that is not a funding vehicle specifically approved by the Plan Administrator for use under the Plan.

Vesting

Participants are immediately vested in their account balance, which includes voluntary contributions, College contributions and actual earnings thereon.

Plan Loans

Plan loans are issued directly from the funds owned by TIAA and CREF and are not issued directly from a participant's account. Accordingly, these loans are not presented as part of the Plan assets on the accompanying statements of net assets available for benefits. An adequate portion of the participant's account is held in collateral to cover 110% of the outstanding loan in case of default. The collateral is held in the fully benefit-responsive fixed annuity contract investment option. Total plan loans outstanding at December 31, 2022 and 2021 were \$18,788 and \$73,861, respectively. There were no plan loans in default for the years ended December 31, 2022 and 2021.

Payment of Benefits

The Plan provides benefit payments to terminated participants at age 55 and in-service withdrawals upon attainment of age 59½. Benefits may be paid out in a single lump sum, partial payments, installment payments, in an annuity contract (if assets are held in a custodial account) or converted to an income option (if the assets are invested in an annuity contract).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investments

Investments, except for fully benefit responsive fixed annuity contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fully benefit responsive fixed annuity contracts are reported at contract value, which is the relevant measure for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

The Plan has fully benefit-responsive fixed annuity contracts. TIAA and CREF maintain Plan contributions in separate accounts. The accounts are credited with contributions and earnings on the underlying investments and are charged for Plan withdrawals. Earnings on the underlying investments are guaranteed by TIAA and CREF at a rate of 1% to 3%.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investments (Continued)

The Plan utilizes Retirement Annuity (RA) contracts, which are included in the non-benefit responsive fixed annuity contracts on the statements of net assets available for benefits. TIAA and CREF maintain Plan contributions in separate accounts. Under RA contracts, lump-sum withdrawals are not permitted. Participant initiated transfers or withdrawals may only be made in 10 annual installments over a period of approximately nine years.

The Plan utilizes Group Retirement Annuity (GRA) contracts, which are included in non-benefit responsive fixed annuity contracts on the statements of net assets available for benefits. Under GRA contracts, lump-sum withdrawals are available within 120 days of termination of employment and are subject to a 2.5% surrender charge. All other withdrawals and transfers from the account must be spread over 10 annual installments (over five years for withdrawals after termination of employment).

The Plan utilizes Retirement Choice Annuity (RC) contracts, which are included in non-benefit responsive fixed annuity contracts on the statements of net assets available for benefits. Under RC contracts, lump-sum withdrawals are available within 120 days of termination of employment and are subject to a 2.5% surrender charge. All other withdrawals and transfers from the account must be spread over 84 monthly installments (over seven years for withdrawals after termination of employment).

The fixed annuity contracts guaranteed minimum returns are supported by the TIAA-CREF General Account portfolio, which invests primarily in U.S. debt instruments and investment grade corporate bonds; however, is also permitted to invest in higher risk securities, including but not limited to, sub-investment grade corporate bonds, common stock and real estate. The assets and earnings from this portfolio are used to pay the guaranteed interest rate associated with the annuity contracts, as well as future annuity payments.

Fair Value Measurement

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fair Value Measurement (Continued)

The following is a description of the valuation methodology used for assets measured at fair value.

Registered investment companies: Registered investment companies include mutual funds and variable annuities, which are valued at the net asset value of shares held at year-end based on quoted market prices in active markets.

Pooled separate accounts: The value of pooled separate accounts is determined at the net asset value of shares held at year end based on quoted market prices in active markets.

Non-benefit responsive fixed annuity contracts: Value is calculated based on discounted cash flows using risk-adjusted discount rates.

There were no changes in the valuation methodologies used during 2022 or 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, political, currency and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administrative Expenses

Substantially all administrative expenses associated with the Plan are paid by participants. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as accurate and complete by TIAA and CREF and is included in the accompanying financial statements and supplemental schedule:

	<u>2022</u>	<u>2021</u>
Investments	\$ <u>40,842,050</u>	\$ <u>47,693,941</u>

	<u>\$ 34,943,625</u>	<u>\$ -</u>	<u>\$ 9,270,178</u>	<u>\$ 44,213,803</u>

4. FAIR VALUE OF FINANCIAL INSTRUMENTS (Continued)

The Plan's investments classified as Level 3 had purchases, sales and transfers as follows for the year December 31:

	<u>2022</u>	<u>2021</u>
Purchases	\$ <u>441,680</u>	\$ <u>395,565</u>
Sales	\$ <u>(342,196)</u>	\$ <u>(950,011)</u>
Transfers into Level 3 *	\$ <u>430,852</u>	\$ <u>581,873</u>
Transfers out of Level 3 *	\$ <u>(423,238)</u>	\$ <u>(609,785)</u>

* Transfers into and out of Level 3 are due to participants redirecting their investments.

The following table presents information about significant unobservable inputs related to the Plan's investment in assets categorized as Level 3 in the ASC 820 fair value hierarchy at December 31:

<u>Type</u>	<u>Fair value</u>	<u>Valuation technique</u>	<u>Significant unobservable inputs</u>	<u>Range</u>
TIAA Traditional non-benefit responsive fixed annuity contracts	2022:			
	\$ 9,377,276	Discounted cash flow	Risk-adjusted discount rate applied **	3.70%-6.50%
		Theoretical transfer (exit value)		
	2021:			
	\$ 9,270,178	Discounted cash flow	Risk-adjusted discount rate applied **	2.75%-3.90%
		Theoretical transfer (exit value)		

** Unobservable inputs include discount rate applied.

5. PARTY-IN-INTEREST TRANSACTIONS

TIAA and CREF are the insurance companies and issuers of annuity contracts of the Plan. TIAA is the recordkeeper of the Plan's assets. TIAA also serves as the authorized agent of TIAA, FSB, the directed custodian of certain assets of the Plan recordkept by TIAA. Therefore, transactions between TIAA, CREF, TIAA, FSB, and the Plan qualify as party-in-interest transactions.

6. TAX STATUS

The Plan is exempt from federal income tax under Section 403(b) of the Code. The Plan is required to operate in conformity with the Code to maintain its exempt status. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the College has the right, under the Plan document, to terminate the Plan subject to the provisions of ERISA.

8. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2022 and 2021.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 5, 2023, which is the date the financial statements were available to be issued.
