Plan Administrator and Participants
Retirement Savings Plan of O.K. Foods, Inc.
Fort Smith, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Retirement Savings Plan of O.K. Foods, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audits"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audits opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audits does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022 and 2021

1. Summary of Significant Plan Provisions

The following description of the Retirement Savings Plan of O.K. Foods, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- a. **General** – The Plan is a defined contribution plan for the benefit of employees of O.K. Foods, Inc. (the “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.
- b. **Eligibility** – Each employee, who is not a nonresident alien or leased employee, is eligible to participate in the Plan upon the latter of obtaining age 21 or completion of one year of service. Plan entry dates are the first of the month following the date the eligibility requirements are met.
- c. **Contributions** – The Plan is funded by contributions from the Employer and participating employees. Participants contribute through payroll deductions and eligible rollovers. Employees who are eligible to participate in the Plan will automatically enter the Plan at a deferral rate of 6% of eligible compensation. An employee can elect to either increase this deferral percentage or decline to have any contributions withheld from their compensation. The Employer makes qualified automatic contribution arrangement (“QACA”) safe harbor matching contributions equal to 100% of a participant’s elective deferral contributions that do not exceed 1% of the participant’s compensation, plus 50% of the participant’s elective deferral contributions that exceed 1% of the participant’s compensation but do not exceed 6% of the participant’s compensation. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.
- d. **Participant accounts** – Each participant’s account is credited with the participant’s contributions and allocations of any Employer contributions and Plan earnings/losses, and is charged with applicable withdrawals and an allocation of any administrative expenses. Allocations are based on participant contributions, compensation, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- e. **Vesting** – Participants are, at all times, fully vested with respect to their own contributions, plus earnings/losses thereon. With respect to Employer contributions, the benefits attributable to a participant shall be fully vested and nonforfeitable upon attainment of age 65, death or disability. If a participant terminates employment for reasons other than death, retirement, or disability, they are entitled to the vested portion of contributions made by the Employer, plus earnings/losses thereon.

Notes to Financial Statements

December 31, 2022 and 2021

1. Summary of Significant Plan Provisions (cont.)

The vested portion of Employer discretionary contributions is calculated according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

The vested portion of Employer QACA safe harbor matching contributions is calculated according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 years	100%

- f. **Investment options** – Upon enrollment in the Plan, a participant may direct contributions in any of the accounts offered under the Plan. Participants may change their investment selections at any time.
- g. **Notes receivable from participants** – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the vested account balance or \$50,000 reduced in accordance with the Plan agreement. Note terms cannot exceed five years unless the note is for the purchase of a primary residence. The note is secured by the participant's vested account balance and bears interest at a rate commensurate with local prevailing borrowing rates. Principal and interest are paid through payroll deductions.
- h. **Forfeitures** – The portion of a participant's account to which they are not entitled as a result of being less than fully vested shall be forfeited by the participant. Forfeitures shall be used to offset Employer matching contributions or to pay Plan administrative expenses. Forfeitures of approximately \$76,000 and \$160,000 were used to reduce the Employer matching contributions for the years ended December 31, 2022 and 2021, respectively. Forfeitures of approximately \$5,000 were used to pay Plan administrative expenses for the year ended December 31, 2022. No forfeitures were used to pay Plan administrative expenses for the year ended December 31, 2021. There were no material forfeitures available for future use at December 31, 2022 or 2021.

Notes to Financial Statements**December 31, 2022 and 2021****1. Summary of Significant Plan Provisions (cont.)**

- i. **Payment of benefits** – Upon termination of service, a participant may elect to receive a lump sum payment, substantially equal installments, or partial withdrawals of their vested account balance. Participants may elect to defer payment of their account balance if it exceeds \$5,000. If a participant's account balance is equal to or less than \$5,000, the account will be automatically distributed and rolled over to an individual retirement plan designated by the Plan administrator. In-service withdrawals are allowed if the participant has attained age 59½ or qualifies for a hardship withdrawal.
- j. **Termination of the Plan** – Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer accounts.

2. Summary of Significant Accounting Policies

- a. **Basis of accounting** – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- b. **Estimates** – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c. **Investment valuation and income recognition** – Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value as disclosed in Note 3. See Note 5 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Net change in value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

- d. **Notes receivable from participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan documents.
- e. **Payment of benefits** – Benefits are recorded when paid.
- f. **Administrative expenses** – Administrative expenses charged to the Plan are allocated to participants' accounts. Fees for loans and distributions are charged directly to the participants' account. Other plan expenses paid by the Employer are excluded from these financial statements.

Notes to Financial Statements**December 31, 2022 and 2021****3. Fully Benefit-Responsive Investment Contract**

The Plan has entered into a fully benefit-responsive guaranteed investment contract (“GIC”) with Minnesota Life Insurance Company (“MN Life”). MN Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MN Life is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MN Life, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion of, their investment at contract value.

There are no reserves against the contract value for credit risk of MN Life or otherwise. The contract guarantees a periodic minimum rate of interest not less frequently than annually. The interest rate is guaranteed to be not less than 1%. The crediting rate is determined monthly and is based on a formula agreed upon with the issuer.

There are no events that limit the ability of the Plan to transact at contract value with the issuer. In addition, there are no events that would permit issuers to terminate the contract and settle at amounts that differ from contract value.

The following represents the contract value of the GIC held by the Plan at December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Traditional investment contract	<u>\$ 2,426,772</u>	<u>\$ 1,848,746</u>

4. Investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by MN Life, the custodian of the Plan, and was not subjected to any audit procedures, except for comparing the information with the related information included in the financial statements and supplemental schedule:

- a. Total investments as shown on the accompanying statement of net assets available for benefits totaling \$32,737,546 and \$34,955,919 as of December 31, 2022 and 2021, respectively.
- b. Interest from investments as shown on the accompanying statement of changes in net assets available for benefits of \$30,941 and \$21,482 for the years ended December 31, 2022 and 2021, respectively.

Notes to Financial Statements

December 31, 2022 and 2021

4. **Investments (cont.)**

- c. Net change in value of investments as shown on the accompanying statement of changes in net assets available for benefits of \$(3,665,278) and \$3,260,552 for the years ended December 31, 2022 and 2021, respectively.
- d. All investment transactions that occurred during the years ended December 31, 2022 and 2021.
- e. All the information included in the supplemental schedule, excluding participant loans.

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

5. **Fair Value Measurements**

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 or 2021.

Pooled separate accounts: These investments are valued at the net asset value (“NAV”) of the pooled separate account multiplied by the number of shares held by the Plan at year-end. The NAV is determined based on the fair value of the underlying investments, adjusted for expenses. The NAV is used as a practical expedient to estimate fair value.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is based on the NAV practical expedient:

	Fair Value as of December 31,		Unfunded	Redemption	Redemption
	<u>2022</u>	<u>2021</u>	<u>Commitments</u>	<u>Frequency</u>	<u>Notice Period</u>
Pooled separate accounts	\$ 30,310,774	\$ 33,107,173	N/A	Daily	None

Notes to Financial Statements**December 31, 2022 and 2021****6. Tax Status**

The Plan is utilizing a volume submitter plan document (the “Plan Document”), which received an opinion letter dated March 31, 2014, in which the IRS stated the Plan Document is designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). As allowed by the IRS, the Plan is relying on the opinion letter of the Plan Document for its own qualification. Although the Plan Document has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

7. Parties-in-Interest Transactions

Securian Retirement is the third party administrator for the Plan. The Plan pays Securian Retirement for their services. The Plan has investments in pooled separate accounts and a GIC with MN Life. The Plan pays MN Life for their services. Securian Financial Group, Inc. owns both MN Life and Securian Retirement. MN Life and Securian Retirement are therefore, by definition, parties-in-interest and, as a result, the Plan’s investment transactions pertaining to these investments were with parties-in-interest. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with parties-in-interest. All of these transactions were exempt from being prohibited transactions under ERISA.

8. Subsequent Events Evaluation Date

Management of the Plan evaluated the events and transactions subsequent to its December 31, 2022 financial statement date and determined there were no significant events necessary for disclosure through October 2, 2023, which is the financial statement issuance date.
