- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dataminr, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dataminr, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures

include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dataminr, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dataminr, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all

material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **DATAMINR, INC. 401 (k) PLAN NOTES TO FINANCIAL STATEMENTS**

### **NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Dataminr, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### **General**

The Plan is a 401(k) Profit Sharing Plan which was established on January 1, 2014. The Plan has been amended and restated throughout the years, and was most recently amended and restated on July 27, 2022, to bring it into compliance with the legislative and regulatory changes set forth in the IRS Notice 2017–37.

On December 29, 2022, President Biden signed into law the Consolidated Appropriations Act of 2023, which includes the package of retirement provisions referred to as “SECURE 2.0”. These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system, finding ways for them to accumulate more assets, and then ensuring they get connected with those assets when retirement comes.

Many of the provisions of the SECURE 2.0 are effective on January 1, 2023, and beyond and will require significant changes to the Plan administration and recordkeeping.

The Plan provides retirement benefits for employees of Dataminr, Inc. (the “Company”) who have reached the age of 21 and 2 months of service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Contributions**

Participants may contribute between 1% and 90% of eligible earnings, as defined in the Plan. Roth elective deferrals are permitted under the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers).

The Plan includes an auto enrollment provision for all newly eligible employees to automatically enroll in the Plan, unless they elect not to participate, with a default rate set at 6% of eligible compensation each payroll period. The Plan allows for employer matching contributions equal to 50% of the first 6% of eligible compensation of deferring participants and one year of service requirement to be 100% vested in the employer matching contributions. The Company may make nonelective contributions to the Plan, although the Company is not required to do so. During 2022, the Company did not make nonelective contributions. All contributions are subject to certain limitations imposed by the Plan and the Internal Revenue Code (the Code).

#### **Participant Accounts**

Each participant’s account is credited with the participant’s contributions, Company’s contributions and allocations of the Plan’s earnings and charged with an allocation of administrative expenses. Allocations are based on the participant’s compensation or account balance, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**DATAMINR, INC. 401 (k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)**

**Investment Options**

Participants may direct their contributions into any of the funds offered by the Plan which are held at Reliance Trust Company. These funds include a variety of investment options with various objectives and degrees of financial risk.

**Vesting**

Participants are immediately vested in their elective deferral and rollover contributions, including the earnings on these amounts. Vesting in the Company's contributions portion of their accounts is based on years of continuous service. Effective January 1, 2019, participants are fully vested in matching contributions upon the completion of one year of service. Participants are fully vested in nonelective Company's contributions upon the completion of six or more years of service based upon a graded vesting schedule. Participants are also fully vested upon reaching their normal retirement date, death, or total disability.

**Forfeited Accounts**

If participants terminated their employment before, they became fully vested in Plan benefits, they would have been entitled to receive a distribution of their vested benefits. The non-vested benefits would be forfeited. The forfeited amounts are used to defray reasonable administrative expenses or to offset employer contributions under the Plan for the Plan Year in which the forfeiture occurs.

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$500 up to 50% of their vested account balance to a maximum of \$50,000. The participants may only have one loan outstanding at any given time. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a term of up to thirty years. The notes are secured by the balance in the participant's account and bear interest in effect in the month the loan is effective. The interest rate is the Prime Rate plus 2%. Principal and interest are paid ratably through payroll deductions. Participant notes receivable are measured at unpaid principal plus accrued interest. Delinquent participant loans are reclassified as distributions based on the terms of Plan document. At December 31, 2022 and 2021, Notes Receivable from Participants totaled \$241,101 and \$148,736, respectively, and bore an interest rate ranged from 5.25% to 9.00%.

**Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments, or partial withdrawals of at least \$500. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan also provides for in-service distributions by participants who have attained the age of 59½. Upon financial hardship, a participant is entitled to the value of his or her deferral as well as any vested matching contributions or nonelective contributions.

**DATAMINR, INC. 401 (k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with Accounting Principles Generally Accepted in the United States of America requires management of the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investment are recorded on the trade-date basis. Interest income is recorded on accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

**Payment of Benefits**

Benefits to participants are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses.

**NOTE 3 – CERTIFICATION BY THE INVESTMENT TRUSTEE**

The information related to investments and notes receivable from participants disclosed in the accompanying financial statements and schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied by the Plan Administrator and certified as complete and accurate by Reliance Trust Company, the trustee of the Plan, as permitted by the election made by the Plan Administrator under 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

Generally Accepted Accounting Principles ("GAAP") establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical

assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The Plan did not hold any level 2 and 3 investments at December 31, 2022 or December 31, 2021.

|---------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.                                                                                                                                                                                                                                                                                                                              |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"> <li>• Quoted prices for similar assets or liabilities in active markets;</li> <li>• Quoted prices for identical or similar assets or liabilities in inactive markets;</li> <li>• Inputs other than quoted prices that are observable for the asset or liability; and</li> <li>• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li> </ul> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                                                                                                                                          |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

**Mutual Funds**

Valued at fair value based on quoted net asset values of the shares as reported by the fund. Mutual funds held by the Plan are mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's financial assets at fair value as of December 31, 2022 and 2021:

|                            |    | 2022              |             |             |                      |

**NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)**

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2022, are reported in net depreciation in fair value of investments.

**NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

ADP Retirement Services is the record-keeper of the Plan. Fees paid during the year for the administrative services were based on reasonable rates for such services. The fees amounted to \$7,191 and are included in the total of Administrative Expenses of \$41,111 in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022. Certain employees of the Company who participate in the Plan perform administrative services to the Plan at no cost to the Plan.

**NOTE 6 – TAX STATUS**

The IRS has determined and informed the Plan sponsor by a letter dated July 8, 2014, that the Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

**NOTE 7 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. The current economic environment has increased the degree of uncertainty.

Three investment options accounted for more than 10% of the Plan's total net assets available for benefits as of December 31:
