Financial Statements

December 31, 2022 and 2021

Independent Auditors' Report

**To the Plan Administrator and Participants
Elkus/Manfredi Architects Ltd. 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Elkus/Manfredi Architects Ltd. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements ("Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the Financial Statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of Financial Statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the Financial Statements.

In preparing the Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the Financial Statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the Financial Statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the Financial Statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Financial Statements or to the Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Page 4

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Elkus/Manfredi Architects Ltd. 401(k) Plan

Notes to Financial Statements
December 31, 2022 and 2021

1. Description of the Plan

The following description of the Elkus/Manfredi Architects Ltd. 401(k) Plan (the “Plan”) provides only general information. More complete information regarding the Plan’s provisions may be found in the Plan document.

General

The Plan is a defined contribution plan established by Elkus/Manfredi Architects Ltd. (the “Employer”) on January 1, 1994. All employees are eligible to participate in the Plan after attaining 21 years of age and completing one month of service, except leased employees and interns are excluded effective July 22, 2022 (the “Participants”).

Newport Trust Company (the “Custodian”) provides asset custodian services for the Plan. Newport Group, Inc., an affiliate of the Custodian, provides recordkeeping services. The Plan is subject to the provisions of the Internal Revenue Code (the “IRC”) and the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant-directed.

Plan Administration

The Employer is the plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. An officer of the Employer serves as the Plan’s trustee. The Employer pays certain administration fees on behalf of the Plan. Accordingly, such expenses are not reflected in the accompanying Financial Statements. Individual Participant accounts may be charged with an allocation of administrative expenses, if not paid by the Employer.

Participant Deferral Contributions

Participants may defer up to a maximum of 100% of their eligible compensation for the Plan year, as defined, not to exceed a dollar limit established under the IRC. Participants may make pre-tax or Roth contributions to their accounts. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“Participant Rollovers”).

Employees, upon reaching eligibility to participate in the Plan, are automatically enrolled to defer 3% of their eligible compensation on a pre-tax basis, as defined. A Participant may choose not to defer or may choose a different percentage once enrolled. Automatic enrollment deferrals are invested in the applicable target date retirement fund, as defined, based upon the employee’s birth date. The automatic pre-tax deferral election and the default investment option remain in effect until the Participant changes them.

1. Description of the Plan (*continued*)

Employer Contributions

Discretionary Matching Contributions

The Employer, at its discretion, may elect to contribute a matching contribution equal to a percentage of a Participant's salary deferrals. A Participant is entitled to discretionary matching contributions once they are enrolled in the Plan and is making deferral contributions. For the year ended December 31, 2022, the Employer elected to make discretionary matching contributions in an amount equal to 25% of the elective participant deferral contributions, up to 6% of their eligible compensation. The total discretionary matching contributions were \$417,631 for the year ended December 31, 2022.

Discretionary Non-Elective Employer Contributions

The Employer, at its discretion, may make discretionary non-elective contributions to the Plan as determined by the Employer's Board of Directors. In order to receive an allocation of any discretionary non-elective Employer contributions to the Plan, Participants must be employed by the Employer on the last day of the Plan year and have completed a year of service, as defined. Non-elective Employer contributions made to the Plan are allocated to each Participant's account based on a percentage of eligible compensation, as defined. The Employer elected not to make a discretionary non-elective contribution to the Plan during the year ended December 31, 2022.

Participant Accounts

Each Participant's account is credited with the Participant's deferral contributions, their respective Employer contributions, an allocation of the Plan's investment earnings and losses, an allocation of certain administrative expenses, if applicable, and loan fees and/or withdrawal fees, if applicable. Allocations are based on Participant compensation or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account balance.

Vesting

Participant Contributions

Participants are immediately vested in their voluntary deferral and rollover contributions plus allocated earnings thereon.

Employer Contributions

Participants' vested interest in Employer contributions, other than qualified non-elective Employer contributions, is based on years of continuous service. Participants begin vesting after one year of service, in 25% increments and are 100% vested after four years of service for the discretionary matching contributions. Participants begin vesting after one year of service years in 20% increments and are 100% vested after five years of service for discretionary non-elective Employer contributions. If employment is terminated due to death, disability, or the Participant reaches normal retirement age, as defined, the participant becomes 100% vested.

Elkus/Manfredi Architects Ltd. 401(k) Plan

Notes to Financial Statements
December 31, 2022 and 2021

1. Description of the Plan (*continued*)

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made, or 50% of their vested account balance. Loan terms range from one to five years (or longer for the purchase of a primary residence). Loans are secured by the vested balance in the Participant's account and bear interest at a fixed rate defined as one percentage point over the prime interest rate. A Participant may only have one loan outstanding at a time. Principal and interest are paid ratably through payroll deductions or by check if the employee is prepaying the loan. If a Participant ceases to make loan repayments and the plan administrator deems the Participant loan to be in default, the Participant loan balance is reduced and a benefit payment is recorded as soon as a distributable event occurs. The interest rates for outstanding loans ranged from 4.25% to 8.00% at December 31, 2022 and 4.25% to 6.50% at December 31, 2021 and mature at various dates through May 2033.

Payment of Benefits

Upon termination of service due to death, disability, voluntary termination, or retirement, a Participant or beneficiary may elect to receive a lump-sum payment equal to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution subject to income tax withholdings or a tax-free rollover to an Individual Retirement Account ("IRA") or another qualified plan. If the vested account balance is \$5,000 or less and greater than \$1,000 the plan administrator, after notification, may distribute the benefit to the Participant or beneficiary in a lump-sum payment. If the vested balance is \$1,000 or less the plan administrator, after notification, may distribute the benefit to an individual retirement account.

In-service withdrawals from a Participant's account balance are permitted upon reaching age 59½. In-service withdrawals are also permitted due to financial hardship, as defined.

Forfeiture Account

A Participant who is no longer employed by the Employer forfeits any non-vested balance after the earliest of five consecutive one year breaks in service or upon distribution of the entire vested portion of the Participant's account. Non-vested forfeited account balances are retained in the Plan and are used to pay administrative expenses or reduce Employer contributions. Unallocated forfeitures amounted to \$798 and \$1,375 at December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, the Plan utilized forfeitures to pay for administrative expenses in the amount of \$13,256.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying Financial Statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of Financial Statements in conformity with GAAP requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Investments, Investment Valuation and Income Recognition

The Plan follows U.S. GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Mutual funds: As of December 31, 2022 and 2021, mutual funds amounted to \$40,064,963 and \$48,397,139, respectively, and are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 investments.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from Participants is recorded on the accrual basis of accounting. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Notes to Financial Statements
December 31, 2022 and 2021

2. Summary of Significant Accounting Policies *(continued)*

Payments of Benefits

Benefit payments to Participants are recorded during the period in which the Participants are paid.

3. Investments Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2022 and 2021, and dividend and interest income, interest income on notes receivable from participants, and net depreciation in fair value of investments for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian.

4. Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net asset available for benefits cannot be predicted.

5. Party-In-Interest Transactions

Notes receivable from Participants qualify as exempt party-in-interest transactions as defined by ERISA. During the year ended December 31, 2022, the Plan paid administrative expenses of \$60,915 to UBS Financial Services, the Plan's investment advisor, and \$70,299 to the Custodian or to Newport Group, Inc., an affiliate of the Custodian. These transactions qualify as exempt party-in-interest transactions as defined by ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, Participants will become fully vested in their accounts. Any unallocated assets of the Plan will be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

7. Tax Status

The underlying volume submitter profit sharing plan received an opinion letter from the Internal Revenue Service ("IRS"), dated June 30, 2020, stating that the form of the plan is qualified under Section 401(a) of the IRC, as then designed, and was in compliance with applicable requirements of the IRC. The prior plan received an opinion letter from the IRS dated September 12, 2014, stating the form of the plan was qualified under Section 401(a) of the IRC, as then designed, and was in compliance with applicable requirements of the IRC. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of the Plan is considered a tax position. No such uncertain tax positions have been recognized by the Plan as of December 31, 2022 or 2021.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Subsequent Events

The Plan administrator has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued, and determined that there have been no subsequent events that would require recognition in, or disclosure in the notes to, the financial statements.
