Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **RAIMONDO PETTIT GROUP**

(2) EIN: **33-0532641**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Independent Auditors' Report

To the Trustee and Administrator of the
Catalina Channel Express, Inc. 401(k) Plan and Trust
Long Beach, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Catalina Channel Express, Inc. 401(k) Plan (the "Plan"); an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from John Hancock Life Insurance Company, a qualified institution, as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Catalina Channel Express, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year at December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022

1. Description of Plan

General

The following description of the Catalina Channel Express, Inc. 401(k) Plan and Trust (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan was established effective January 1, 1988, for all eligible employees of Catalina Channel Express, Inc. (the “Company”) excluding independent contractors. The Plan is a defined contribution profit sharing and 401(k) plan. The Plan is voluntary and is available to all regular employees of the Company who are at least eighteen years of age, have completed six months of service, and have worked at least 1,000 hours. Entry dates are the first day of each calendar quarter. Effective January 1, 2022, the Plan was restated and amended to conform to recent laws and regulations. As part of the amendment, participants are allowed to make Roth contributions up to allowable IRS limits among other changes relating to eligibility for withdrawals as defined in the amended plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Setting Every Community Up for Retirement Enhancement Act (SECURE 2.0)

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law. The Act includes important provisions with potentially broad effect on retirement savings plans which are intended to build on the SECURE Act of 2019. These provisions, collectively referred to as SECURE 2.0, provide for new benefits and restrictions affecting both employers and employees. Plan management is in the process of assessing what changes may be relevant to this Plan, as certain provisions go into effect as early as plan year 2023 or as late as plan year 2027.

Plan Administration

The Company acts as the Plan Administrator. The Plan also has an Investment Committee comprised of the Company's President (and Plan Trustee), the Company's Vice President Finance, the Company's Human Resource Manager, and outside investment manager. John Hancock Life Insurance Company (“John Hancock” or “Custodian”) is the custodian and CBIZ Retirement Plan Services. (“CBiz”) is the Plan's third party administrator. The Trustee has nondiscretionary power to only invest Plan assets as directed by the Plan Administrator, an investment manager, or to the extent authorized under the Plan.

Contributions

Participants may contribute up to 75% of their eligible annual compensation, not to exceed the maximum allowed by the Internal Revenue Code (the “Code”) totaling \$20,500 in 2022. The Plan allows participants to make post-tax Roth contributions in addition to pre-tax deferral contributions. The Plan allows for “catch-up” contributions if a participant is age 50 or older, up to the annual limit of \$6,500 in 2022. Participants may also make rollover contributions of amounts received from other tax qualified retirement plans.

Notes to Financial Statements

December 31, 2022

1. Description of Plan (Continued)

The Company matches a fixed 100% of the first 2%, 3%, or 4% of annual compensation that a participant contributes to the Plan based on designated employee groups differentiated by years of service. In addition, the Company may make an additional discretionary matching and/or profit sharing contribution at the end of the plan year to those participants with a minimum of 1,000 hours of service, and who are employed as of the end of the year. The Company made a discretionary match of \$164,439 for the year ended December 31, 2022, which was recorded as a receivable, in the accompanying financial statements and deposited into the Plan subsequent to year-end.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, the Company's fixed matching contribution and allocations of (a) the Company's discretionary matching and/or profit sharing contributions, if any, and (b) Plan's investment income or losses, net of certain investment management fees. Daily allocations of Plan earnings are based on account balances, as defined.

Vesting

Participants are immediately vested in their voluntary contributions and any employer fixed and discretionary matching plus actual earnings thereon. Vesting in the Company's profit sharing contributions is at a rate of twenty percent after two years of continuous service and each year after that with full vesting after six years of continuous service. Full vesting may also occur if, as an employee, the participant becomes disabled or dies.

Forfeitures

A participant's non-vested balance is forfeited at the time of termination of employment. Forfeitures can be used to pay administrative expenses, reduce employer contributions, or be reallocated to participants as additional contributions during the plan year at the Company's discretion. At December 31, 2022 and 2021, there were no forfeited non-vested accounts, nor were any forfeitures used during the year ended December 31, 2022.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the investment options managed by John Hancock offered by the Plan.

Notes Receivable from Participants

In limited circumstances, the Plan allows for loans to participants. The loan cannot exceed the lesser of 50% of the participant's vested account or \$50,000. All loans are to be paid back over a period not to exceed five years, excluding loans to acquire the participant's principal residence, which may be paid back over a reasonable period of time not to exceed twenty years. Loans are secured by the balance in the participant's account and bear interest at a reasonable rate as

determined by the Plan administrator to be prime rate (7.50% at December 31, 2022) on the first day of each quarter plus two-percent. A participant may have no more than one loan outstanding at any time.

Payment of Benefits

Upon death, disability, or termination of employment, a participant may elect to receive a lump-sum cash payment in an amount equal to the vested value of his or her account, to defer receiving their vested benefit, or to receive payment in other forms as may be available under the Plan. Mandatory rollover provisions will apply for account balances between \$1,000 and \$5,000, with the default form of distribution being automatic cash out in a lump sum for account balances less than \$1,000. As defined by the Plan, participants may take in-service disbursements from their account upon reaching age 59 ½ or normal retirement at age 65. In addition, a participant can withdraw all or any portion of his/her vested account balance for immediate and financial hardships as allowed in the Plan document.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared under the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting periods. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan's investments include registered investment company mutual funds that represent obligations by the counterparties to meet the terms of the financial instruments. Should one or more of the counterparties default, the Plan might lose amounts up to the recorded carrying value of the related instruments.

Risks and Uncertainties

All Plan investments are held by the Custodian. The Plan provides for various investment options in mutual funds and other securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets and the statement of changes in net assets available for benefits.

Valuation of Investments and Income Recognition

All Plan assets are part of a group annuity contract with John Hancock Life Insurance Company (U.S.A.). This group annuity contract includes a portfolio of mutual funds, which are referred to as sub-accounts or pooled separate accounts. The pooled separate account assets are reported at fair value based on the number of shares of the respective underlying fund multiplied by the closing net asset value per share quoted by that fund in an active market, as calculated by the Custodian. Net asset value is the fair market value of the securities on the last business day of the Plan year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses, and the unrealized appreciation (depreciation) on those investments.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal amount plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions in accordance with provisions of the Plan.

Contributions

Participant contributions are recorded in the year withheld from participant's earnings. Company contributions are recorded in the year they become obligations of the Company.

Benefit Payments

Benefits to participants are recorded when paid.

Investment Management Fees and Operating Expenses

Investment management fees and operating expenses charged to the Plan for investments in the various funds of the group annuity contract are deducted from the income earned and are reflected as a component of net appreciation/(depreciation) in the fair value of investments.

Administrative Expenses

The Company pays certain administrative expenses of the Plan (see Note 6), while recordkeeping charges (including loan and withdrawal related fees), advisory fees and third party administrator fees are paid from plan assets.

3. Information Certified by the Plan's Custodian

The following information included in the financial statements and supplemental schedule was certified to be complete and accurate by John Hancock, the Custodian, as of December 31, 2022 and 2021 within the meaning of CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

<u>December 31,</u>	<u>2022</u>	<u>2021</u>
Cash	\$ 101	\$ 101
Investments, at fair value:		
Pooled separate accounts	24,751,337	29,665,679
Notes receivable from participants	226,647	181,732
<u>Total</u>	<u>\$ 24,978,085</u>	<u>\$ 29,847,512</u>

For the year ended December 31, 2022:

<u>Interest on notes receivable from participants</u>	<u>\$ 11,796</u>
Investment income (loss):	
<u>Net depreciation in the fair value of investments</u>	<u>\$ (4,350,818)</u>
<u>Total investment loss</u>	<u>\$ (4,350,818)</u>

All amounts enumerated in the Supplemental Schedule of Assets (Held at End of Year) at December 31, 2022 were also certified by the Custodian.

4. Fair Value Measurements

Authoritative guidance establishes a framework for measuring fair value and defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The guidance also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Notes to Financial Statements

4. Fair Value Measurements (Continued)

Under the guidance, the three levels of inputs that may be used to measure fair value are:

Level 1: Quoted prices for identical assets or liabilities in active markets

Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3: Unobservable inputs that are supported by little or no market activity requiring significant judgment or estimation and that are significant to the fair value measurement

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Valued at the net asset value ("NAV") which is calculated based on the value of the underlying shares held by the Plan at year-end, net of investment management fees

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at net asset value as the practical expedient are not required to be classified within the fair value hierarchy. Since the Plan did not hold any investments other than pooled separate accounts at December 31, 2022 and 2021, no hierarchy table has been presented herein.

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and the net assets of the Plan will be allocated among the participants in accordance with the terms of the Plan and ERISA.

6. Party-in-Interest Transactions

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are pooled separate accounts managed by the Custodian. The Plan issues loans to participants, which are secured by the vested balances in the participant's accounts. The Company paid certain administrative costs on behalf of the Plan, primarily audit fees, which totaled approximately \$14,000 during the year ended December 31, 2022. Such transactions are party-in-interest transactions for which a statutory exemption exists.

7. Tax Status of the Plan

The volume submitter profit sharing 401(k) plan upon which the Plan is based was restated for regulatory updates and has received an opinion letter from the IRS dated June 30, 2020 stating that the written form of the prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (“Code”). The Plan has been amended since that date, and the Plan administrator believes the Plan continues to be designed and is being operated in compliance with the applicable requirements of the Code and is, therefore, exempt from income taxes. Accordingly, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

8. Subsequent Events

In providing the disclosures contained in this note, Plan management evaluated events occurring between the end of the plan year and October 9, 2023, the date the accompanying financial statements became available to be issued. There were no subsequent events to report which would require recognition or disclosure in the financial statements.
