INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
PENINSULA COMPONENTS 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of PENINSULA COMPONENTS 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier ("qualified institution") in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PENINSULA COMPONENTS 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PENINSULA COMPONENTS 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PENINSULA COMPONENTS 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PENINSULA COMPONENTS 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

1. Description of Plan

The following description of the PENINSULA COMPONENTS 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was adopted by Peninsula Components dba Pencom (the "Company") on January 1, 2000, and was restated effective April 1, 2022. The Plan is defined as a contribution retirement plan of the profit-sharing type containing a cash or deferred arrangement described in Internal Revenue Code ("IRC") Section 401(k). All employees of the Company, excluding employees covered by a collective bargaining agreement in which retirement benefits were the subject of good faith bargaining, and employees who are non-resident aliens who do not receive earned income from the Company which constitutes income from sources within the United States, are eligible to participate in the Plan upon attaining the age of twenty-one, and completing 30 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and certain provisions of the IRC. The Plan Administrator is responsible for oversight of the Plan. The Administrative Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Administrator.

Plan Administration

The Company is the administrator of the Plan. As administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Reliance Trust Company was the appointed trustee for the Plan in 2022 and 2021, and acted at the direction of the Plan's administrator.

Contributions

The Plan includes automatic enrollment for all new employees. Deferral contributions for employees entered under the automatic enrollment will start at 5% and will be increased annually by 1% to a maximum of 16% of compensation. Employees who elect to participate in the Plan may contribute a portion of their salary up to 90% of their compensation or up to the limits imposed by Section 402(g) of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. The Company may make discretionary profit-sharing contribution based on participant compensation. Participants must have completed one year of service, defined as 1,000 hours of service, and be employed on the last day of the Plan year to be eligible for-profit sharing contributions. In 2022, the Company made a discretionary profit-sharing contribution of 2% of eligible compensation; such contributions were paid subsequent to year end. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's profit-sharing contributions, Plan earnings or losses, and rollovers from other qualified plans. Plan earnings or losses are allocated based upon each participant's account balance. Participants are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

1. Description of Plan, continued

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's profit-sharing contributions, if any, as well as all earnings on these contributions are based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	0%
2	30%
3	60%
4	100%

A year of service is defined as 1,000 hours credited during Plan year. Participants are fully vested upon retirement, death, disability, or plan termination.

Notes Receivable from Participants

Participants are allowed two notes receivable at any time and may borrow from their fund accounts a minimum of \$1,000 up to 50% of the value of their account balance, or \$50,000, whichever is less. Note receivable terms range from one to five years, except for notes receivable used to purchase a primary residence, which may exceed that time frame as approved by the plan administrator. The notes receivable are secured by no more than fifty percent of the balance in the participant's account and bear a reasonable interest rate based on the lending rate of a local bank for a loan of similar duration and security at the time the note receivable originates. Interest rates on notes receivable from participants as of December 31, 2022 ranged from 4.25% to 8.5% per annum. Principal and interest are paid in equal installments through payroll deductions, personal checks from employees on leave, or cashier's checks for the full payoff of notes receivable.

Payments of Benefits

When participants leave the Company or adopting employers, upon retirement or for any other reason, those participants (or their beneficiaries) may receive the full value of their salary deferrals, rollovers, vested portion of employer contributions and the net earnings thereon in a single lump-sum payment, in equal installments or partial withdrawals. The Plan also allows for in-service withdrawals upon participant attaining the age of 59½, or having a hardship. In-service withdrawals may be taken from all accounts.

Distributions under the Plan shall generally be made as soon as possible after the date of retirement, date of death, or termination of employment. Mandatory distributions of account balances under \$5,000 will be made as soon as administratively possible. In the event of a mandatory distribution greater than \$1,000 if the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, then the plan administrator will pay the distribution in a direct rollover to an Individual Retirement Account designated by the plan administrator.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

1. Description of Plan, continued

Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of mutual funds offered by the Plan. Participants may change their investment options at any time.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts may be used to reduce future employer's contributions. As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$18,235 and \$14,192, respectively. During the year ended December 31, 2022, no forfeitures were used.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities and changes in net assets available for benefits. Actual results may differ from those estimates.

Investment Valuation and Investment Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payments of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies, continued

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Information Certified by the Trustee

Reliance Trust Company has prepared and certified as complete and accurate the Plan's schedule of investment assets, transactions, and net realized and unrealized gains and losses on investments, and interest and dividend income, which was used to prepare the accompanying financial statements and supplemental schedule.

3. Fair Value Measurements

Accounting standards for fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these accounting standards are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. Fair Value Measurements, continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value of as December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,448,994	\$ -	\$ -	\$ 13,448,994
Total investments	<u>\$ 13,448,994</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,448,994</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,700,004	\$ -	\$ -	\$ 14,700,004
Total investments	<u>\$ 14,700,004</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,700,004</u>

4. Certified Information

5. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments in mutual funds can be managed by Reliance Trust Company, the trustee of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

6. Tax Status

The Plan uses a non-standardized pre-approved plan document sponsored ADP, LLC. ADP, LLC received an opinion letter from the Internal Revenue Service ("IRS") dated October 6, 2020, which states that the non-standardized pre-approved plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provisions for income tax have been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company does not believe the Plan has any uncertain tax positions. The Plan may be subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

The Company has established the Plan with the intention and expectation that the Plan will continue indefinitely. However, the Company reserves the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants become fully vested and distributions will be made to participants as described in the Plan agreement, and participants would become 100% vested in their Company contributions.

8. Risks and Uncertainties

The Plan provides for various investment options in mutual funds. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

As of December 31, 2022 and 2021, approximately 33% and 32%, respectively, of net assets are held in three funds.

Net assets available for benefits per the Form 5500	<u>\$ 13,791,772</u>	<u>\$ 15,008,261</u>

The following is a reconciliation of income received per the financial statements to the Form 5500 for the year ended December 31, 2022:

Net increase in net assets per the financial statements	\$ (1,180,162)
2021 Participants' salary deferral contributions accrued on financial statements in 2021, recorded in Form 5500 in 2022	101
2021 Company contributions accrued on financial statements in 2021, recorded in Form 5500 in 2022	224,893
2022 Company contributions accrued on financial statements, to be recorded in Form 5500 in 2023	(261,321)
Total net loss per the Form 5500	<u>\$ (1,216,489)</u>

10. Subsequent Events

In accordance with accounting standards affecting disclosures of subsequent events, the Plan evaluated subsequent events for recognition and disclosure through October 10, 2023, the date which these financial statements were available to be issued.

Management concluded that no material subsequent events have occurred since December 31, 2022 that requires recognition or disclosure in such financial statements.
