## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
St. Ann's Home, Inc. Retirement Plan Trust  
Methuen, Massachusetts

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of St. Ann's Home, Inc. Retirement Plan Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT (continued)**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

## **INDEPENDENT AUDITOR'S REPORT (continued)**

### **Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**INDEPENDENT AUDITOR'S REPORT**  
**(continued)**

**Supplemental Schedule Required by ERISA (continued)**

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ST. ANN'S HOME, INC. RETIREMENT PLAN TRUST

---

Notes to Financial Statements  
December 31, 2022 and 2021

### 1 – DESCRIPTION OF THE PLAN

#### ***General***

St. Ann's Home, Inc. Retirement Plan Trust (the "Plan") is a defined contribution retirement plan that was established on January 1, 1984 for the benefit of employees of St. Ann's Home, Inc. (the "Organization"). The Plan is funded by contributions from its participants and the Organization and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The following description of the Plan provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### ***Administration of the Plan***

The Plan is administered by the Organization.

#### ***Eligibility for Participation***

Participants are eligible to make voluntary deferral contributions after completing one year of service that includes at least 650 hours and having attained the age of 18. Participants are eligible to receive employer profit sharing contributions after completing two years of service that includes at least 650 hours in each year and having attained the age of 18. Per diem and temporary employees are not eligible to participate in the Plan.

#### ***Employee Elective Deferred Contributions***

Participants may defer up to 90% of their annual earnings to the Plan as contributions, subject to the limitations outlined in Internal Revenue Code Section 401(k). Employee contributions in the form of rollovers and transfers from other qualified retirement plans are allowed as defined in the Plan document.

#### ***Employer Non-elective Contributions***

The Organization may make non-elective contributions on behalf of eligible participants. Through May 31, 2022, such contributions were allocated to eligible participants based upon the ratio each eligible participant's compensation bears to the total Plan compensation paid to all eligible participants for the Plan year. Effective June 1, 2022, such contributions are allocated based on new comparability groups in a manner determined by the Organization.

#### ***Vesting***

Participants are immediately vested in their voluntary contributions and employer contributions plus actual earnings thereon.

#### ***Participant Accounts***

Accounts are maintained for each participant. Accounts are increased for contributions and for an allocation of investment income based on the relationship of each participant's account within each investment fund to the total fund. Accounts are decreased for withdrawals made by participants, administrative expenses, and for an allocation of investment losses based upon the relationship of each participant's account within each investment fund to the total fund.

#### ***Investment Options***

The Plan was established with Ascensus Trust Company ("Ascensus") as its trustee. Upon enrollment into the Plan, a participant may direct employee and employer contributions in whole number percentages into a variety of Ascensus investment options.

Upon termination of employment, a participant may withdraw his or her account or transfer the account to another qualified plan.

Notes to Financial Statements

### **1 – DESCRIPTION OF THE PLAN (continued)**

#### ***Notes Receivable from Participants***

A participant may borrow from his/her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his vested account balance. A participant may not have more than two notes outstanding at any given time. Notes receivable from participants are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing lending interest rates. Principal and interest are paid ratably through payroll deductions.

#### ***In-service Withdrawals***

Participants may make withdrawals prior to termination of employment under the following circumstances:

- Hardship as defined by the Internal Revenue Code or in the Plan document
- Coronavirus-related distributions as defined in the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act")
- Attainment of age 55

#### ***Retirement Benefits***

The normal retirement age under the Plan is age 65. Certain participants may be eligible for early retirement at age 55 subject to the provisions in the Plan document.

#### ***Payment of Benefits***

Upon termination of service from the Organization, a participant may elect to receive the vested portion of his/her account in the form of a lump sum payment. A distribution on account of death may be made using extended payments. If a participant's account balance is less than \$5,000 at the time they become entitled to a distribution, such account may be paid in a lump sum to the participant.

#### ***Timing of Distributions***

Distributions described above shall be made as soon as reasonably practicable following the date the participant's application for distribution is received by the trustee. As of December 31, 2022 and 2021, there were no distributions payable to participants.

#### ***Administrative Expenses***

Certain administrative expenses incurred by the Plan are paid by the Organization. However, certain administrative expenses are paid by the Plan.

#### ***Participant-Directed Contributions, Withdrawals and Transfers***

The election to allocate contributions between the investment options, and any decision to change such allocation, is made by each participant as permitted by the trustee. Withdrawals and transfers are recorded at the time such transactions take place.

### **2 – SUMMARY OF ACCOUNTING POLICIES**

#### ***Basis of Accounting***

The financial statements of the Plan are prepared utilizing the accrual method of accounting.

## **ST. ANN'S HOME, INC. RETIREMENT PLAN TRUST**

---

Notes to Financial Statements  
December 31, 2022 and 2021

### **2 – SUMMARY OF ACCOUNTING POLICIES (continued)**

#### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period, and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

#### ***Investments***

Investments are carried at fair value, as determined by quoted market prices. Security transactions are accounted for as of the date the securities are purchased or sold (trade date). Interest income is recorded as earned and may include amortization of discount and premium. Dividend income is recorded on the ex-dividend date or, for certain foreign securities, as soon as the investment funds are informed of the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on investments bought and sold as well as held during the year.

Each participant's assets are jointly invested and the return on assets is allocated among the participants and recorded as income or loss.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

#### ***Payment of Benefits***

Benefits are recorded when paid.

#### ***Risks and Uncertainties***

The Plan provides for various investment options in a variety of mutual funds that are investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

#### ***Subsequent Events***

The Plan Administrator evaluated events that occurred after December 31, 2022, the date of the Statement of Net Assets Available for Benefits, but before the date the financial statements were available to be issued, October 10, 2023, for potential recognition or disclosure in the financial statements. The Plan Administrator did not identify any subsequent events that had a material effect on the accompanying financial statements.

### **3 – INFORMATION CERTIFIED BY TRUSTEE**

Unaudited information included in the Plan's financial statements and supplemental Schedule of Assets (Held at End of Year) was prepared by the Plan's trustee and furnished to the Plan Administrator and includes all Plan assets (except for the effects of participant and employer contributions receivables, if any) and all investment transactions. The Plan Administrator has obtained certifications from the trustee that such information is complete and accurate.

#### **4 – FAIR VALUE MEASUREMENTS**

The Plan applies the provisions of GAAP regarding fair value measurements and related disclosures. The provisions establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), a lower priority to significant other observable inputs (Level 2 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

##### **Basis of Fair Value Measurement**

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Mutual funds and money market funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Level 2** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements  
December 31, 2022 and 2021

### 4 – FAIR VALUE MEASUREMENTS (continued)

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value, as of December 31, 2022 and 2021:

| Description        | Total 2022   | Level 1      | Level 2 | Level 3 |
|--------------------|--------------|--------------|---------|---------|
| Money market funds | \$ 1,658,840 | \$ 1,658,840 | \$ -    | \$ -    |
| Mutual funds       | 22,217,357   | 22,217,357   | -       | -       |
| Total              | \$23,876,197 | \$23,876,197 | \$ -    | \$ -    |

| Description        | Total 2021   | Level 1      | Level 2 | Level 3 |
|--------------------|--------------|--------------|---------|---------|
| Money market funds | \$ 1,892,836 | \$ 1,892,836 | \$ -    | \$ -    |
| Mutual funds       | 26,097,845   | 26,097,845   | -       | -       |
| Total              | \$27,990,681 | \$27,990,681 | \$ -    | \$ -    |

### 5 – NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants at December 31, 2022 and 2021 consisted of the following:

|      | Participants | Due Dates<br>Through | Interest Rate | Amount    |
|------|--------------|----------------------|---------------|-----------|
| 2022 | 52           | 3/09/2029            | 4.25%-9.50%   | \$662,435 |
| 2021 | 62           | 3/09/2029            | 4.25%-7.50%   | \$734,902 |

Loan repayments including principal and interest are made on a weekly basis. Each loan is secured by the borrower's interest in the Plan and bear interest at a rate commensurate with the local prevailing lending interest rate.

### 6 – PLAN TERMINATION

Although it has expressed no intent to do so, under the Plan, the Organization has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a termination of the Plan, each participant will be entitled to a lump-sum distribution.

### 7 – INCOME TAX STATUS

Ascensus obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that Ascensus's prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Organization has adopted Ascensus's prototype plan. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

### **8 – PARTY-IN-INTEREST TRANSACTIONS**

Plan investments consist of accounts held by Ascensus. Ascensus is the trustee of the Plan's assets and, therefore, these transactions qualify as party-in-interest. The Plan paid administrative fees to Ascensus during the years ended December 31, 2022 **and 2021**.

The Organization provides certain administrative and accounting services at no cost to the Plan. The Organization also pays for certain administrative costs of the Plan.
