### **Independent Auditors' Report**

To the Retirement Savings Plan Committee  
of the Sugar Cane Growers Cooperative  
of Florida Retirement Savings Plan:

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Sugar Cane Growers Cooperative of Florida Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SUGAR CANE GROWERS COOPERATIVE OF FLORIDA  
RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

December 31, 2022 and 2021

**(1) Description of Plan**

The following description of the Sugar Cane Growers Cooperative of Florida Retirement Savings Plan (the Plan) is provided for general informational purposes only. Plan documents should be referred to for a complete description of the Plan's provisions.

**(a) General Information**

The Plan is a defined contribution plan covering all eligible employees of Sugar Cane Growers Cooperative of Florida (Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trustee is Reliance Trust Company. Ingham Retirement Group serves as recordkeeper for the Plan.

During 2022, certain employees and their related individual participant accounts totaling \$988,845 were transferred to Tellus Products, LLC 401(K) Plan, a company affiliated with Sugar Cane Growers Cooperative of Florida.

**(b) Eligibility**

All employees age 20-1/2 and over with 6 months of service are eligible to participate in the Plan. Employees are eligible to enter the Plan on the first day of the quarter after meeting these requirements.

**(c) Contributions**

Employees may make pretax voluntary contributions, not to exceed \$20,500 for 2022 and \$19,500 for 2021. Participants age 50 and over may make additional catch-up contributions, subject to certain limitations pursuant to Section 414(v) of the Internal Revenue Code. Participants may also contribute amounts representing distributions for other qualified defined benefit or defined contribution plans (rollovers).

The Employer made Safe Harbor Non Elective contributions for all eligible participants equal to 3% of qualified compensation for 2022 and 2021.

In addition, the Employer may make discretionary contributions to the Plan. For 2022 and 2021, the Employer has matched 50% of the first 6% of such participant's contribution based on the annual qualified compensation, except the Employer set matching contributions for employees hired before January 1, 2006 and in the following age groups on December 31, 2005 as follows:

| <u>Age Group</u> | <u>Employer Matching</u>                       |
|------------------|------------------------------------------------|
| 50 – 54          | 66.75% of the first 6% of annual compensation  |
| Over 55          | 100.00% of the first 6% of annual compensation |

Notes to Financial Statements

**(d) Participant Accounts**

Each participant's account is credited with the employee's contributions, the Employer's contributions and the employee's pro rata share of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the plan. Participants elect to invest their contributions and the Employer's contributions in a variety of investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**(e) Vesting**

Participants are immediately vested in their voluntary contributions and the Employer Safe Harbor Non Elective contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested at the normal retirement age of 65, death, disability and after three years of credited service.

**(f) Payment of Benefits**

Upon termination of employment a participant is eligible to be paid a lump sum benefit equal to the vested portion of the participant's account. Participants may also withdraw certain amounts from the Plan under in-service withdrawal (upon attaining age 59 1/2), disability, and under hardship withdrawal provisions.

**(g) Forfeitures**

Forfeitures of nonvested employer contributions may be used to reduce the contributions by the Employer or other Plan administrative expenses. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$1,671 and \$9,132, respectively.

**(2) Summary of Significant Accounting Policies**

**(a) Basis of Accounting**

The Plan's financial statements are prepared using the accrual basis of accounting. Employee and employer contributions are recorded in the period in which contributions are withheld from salaries and wages by the Employer.

**(b) Investments**

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value.

Purchases and sales of securities are recorded on a trade date basis. Net appreciation includes realized gains and losses on investments bought and sold during the year as well as unrealized gains and losses on investments held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**(c) Payment of Benefits**

Benefits are recorded when paid.

**(d) Administrative Expense**

Certain expenses of Plan administration have been paid by the Employer and are not reflected on the accompanying financial statements.

**(e) Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**(3) Certified Investments (Unaudited)**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and interest and dividends, and net appreciation (depreciation) in fair value of investments for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company.

Investments, which are participant-directed, consist of mutual funds and amounted to \$33,585,828 and \$42,937,194 as of December 31, 2022 and 2021, respectively.

Notes to Financial Statements

**(4) *Fair Value of Investments***

The Plan adopted the provisions of the Fair Value Measurements and Disclosures Topic of the FASB ASC, which established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**(5) *Party-in-Interest Transactions***

Reliance Trust Company, as the Plan's trustee, uses the clearing firm, National Financial Services, a subsidiary of Fidelity Investments Institutional Group (Fidelity), to process all of its transactions. Fidelity provides custodian and brokerage services to the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The Ingham Group is the Plan's third party administrator and registered investment advisor. As such, they are a fiduciary of the Plan and all investment transactions are considered to be transactions with a party-in-interest.

RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

**(6) *Federal Income Tax Status***

The Plan has adopted a prototype plan provided by Ingham Retirement Group, which was established pursuant to provisions of the Internal Revenue Code (IRC) and ERISA. A favorable tax determination letter dated January 25, 2021 has been received from the Internal Revenue Service indicating the Plan qualifies under Section 401(a) of the IRC and the trust is exempt from income taxes under Section 501(a) of the IRC. Accordingly, no provision for income taxes has been recorded in the accompanying financial statements. The Plan administrator believes the Plan has operated under the terms of the Plan document and therefore the Plan remains qualified.

The Plan is subject to routine audits by various taxing jurisdictions. The Plan's open audit periods are 2019 through 2022.

**(7) *Plan Termination***

Although it has not expressed any intent to do so, the Employer has the right to discontinue contributions at any time and to terminate the Plan subject to provision set forth in ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

**(8) *Risks and Uncertainties***

The Plan invests in various investment funds that are subject to various risks that determine the value of the fund. Due to the level of risk associated with certain financial instruments and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

**(9) *Reconciliation of the Financial Statements to Form 5500***

Amounts allocated to withdrawing participants are recorded in Form 5500 for benefit claims that have been processed and approved for payment before year end, but not yet paid as of that date, while such amounts are recorded when paid in the accompanying financial statements. The difference in the accounting for these benefits payable between the financial statements and the Form 5500 are reconciled in the following tables.

**(10) Subsequent Events**

In preparing these financial statements, management has evaluated subsequent events and transactions for potential disclosure through October 6, 2023, the date the financial statements were available to be issued, and has determined that there are no such significant events or transactions.

The Plan was amended and restated effective August 1, 2023 using the Fidelity prototype plan No. 17, which was established pursuant to provisions of the Internal Revenue Code (IRC) and ERISA. Accordingly, the Plan entered into a service agreement with Fidelity Management Trust Company whereby Fidelity will provide certain trustee and recordkeeping services for the Plan. The Plan's provisions are substantially the same except that participants will be allowed to make Roth after-tax deferrals and have access to participant accounts through loans.
