Independent Auditors' Report

To The Plan Administrator
Players Edge Services Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Players Edge Services Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with the auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

PLAYERS EDGE SERVICES RETIREMENT PLAN
Page Four

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Players Edge Services Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established by Players Edge Services Retirement Plan (the Employer) effective January 1, 2021. Employees become eligible to participate in the Plan after attaining three months of service and a minimum age of 21 years old. Enrollment is effective the first day of each calendar month of the plan year coinciding with or following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100 percent of their pretax annual compensation as defined in the Plan, subject to certain limitations as prescribed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions or rollovers from other qualified defined benefit or defined contribution plans. Participants direct both the investment of their contributions and Employer matching contributions into various investment options offered by the Plan.

The Employer has a fixed matching contribution equal to 100 percent of participant's contribution up to 4 percent of eligible salary. To be eligible for the Employer's matching contributions, the participant must have satisfied the eligibility requirements mentioned above.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Employers contributions, (b) Plan earnings and (c) forfeitures. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 reduced by the highest outstanding loan balance in the participant's account during the prior 12-month period, or 50 percent of their vested account balance. Loan terms range from 1 to 5 years, with an exception for purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Withdrawals

The government places certain restrictions on withdrawals in order to retain the special tax-saving benefits associated with the Plan. The Plan allows withdrawals at retirement, disability, separation of service, upon death, or upon termination of the Plan by the Employers. Other withdrawals are available only in cases of immediate and heavy financial hardship, subject to Internal Revenue Service (IRS) regulations.

Vesting

Participants are immediately vested in their contributions and Employer contributions made under the Safe Harbor provision plus accumulated earnings thereon. A participant is also 100 percent vested upon reaching retirement age, death, permanent disability or termination of the Plan by the Employer.

Benefit Payments

Upon termination of service due to retirement or permanent disability, a participant may elect to receive cash in one lump-sum payment or in installments equal to the value of the participant's vested interest in his or her account. In the event of a participant's death, payment of the vested value of the participant's account is made to his or her beneficiary in one lump-sum payment or in installments.

Forfeited Amounts

There were no forfeitures for the Plan year ended December 31, 2022.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

**PLAYERS EDGE SERVICES RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments and Valuation Techniques

Investments, other than the insurance contract, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan invests in the Standard Stable Asset D, an insurance contract. The Plan's interest in the insurance contract is valued at contract value. Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. The Standard believes that, within a retirement plan, contract value is an appropriate measurement for the plan's Standard Stable Asset D for reporting and financial statement purposes, and that contract value approximates fair value. See Note 3, for discussion of fair value measurements.

The underlying securities in each pooled separate account are listed on national securities exchanges and valued on the basis of year-end closing prices. Securities traded in the over-the-counter market are valued at closing price on the last business day of the year. Net appreciation and depreciation in fair value of investments includes realized and unrealized gains and losses on investments sold or held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income from investments is recorded on the cash basis, which approximates the accrual method of accounting. Dividends are recorded on the ex-dividend date.

There has been no changes in methodologies used at December 31, 2022.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Expenses

Non-investment costs, primarily accounting and administrative expenses of the plan are paid for by the Employer, which is a party-in-interest. These expenses, which are not reflected in the accompanying financial statements, constitute exempt party-in-interest transactions. Investment advisory services and certain administrative fees are paid by the Plan or charged against Plan investment activities and are included in the statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active and inactive markets, inputs other than quoted prices that are observable for the asset or liability for substantially the full term of the financial instrument, and inputs that are derived from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of the plan year ended:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 3,950,630	\$ -	\$ -	\$ 3,950,630
Total investments at fair value	<u>\$ 3,950,630</u>	<u>\$ -</u>	<u>\$ -</u>	<u>3,950,630</u>
Insurance contracts measured at contract value ⁽¹⁾				<u>561,383</u>
				<u>\$ 4,512,013</u>

⁽¹⁾ Certain investments that are measured at fair value using contract values have not been categorized in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amount presented in the statement of net assets available for benefits.

NOTE 4 - INFORMATION CERTIFIED BY CUSTODIAN (unaudited)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting Disclosure under ERISA. Accordingly, Standard Retirement Services, Inc. (the Custodian), the Custodian of the Plan, has certified to the completeness and accuracy of the investments and notes receivable from participants reflected on the accompanying financial statements. The following is a summary of the information prepared and certified by the Custodian and furnished to the plan administrator as of December 31, 2022, and for the year ended December 31, 2022:

- Investments as indicated on the Statements of Net Assets in Liquidation Available for Benefits and Note 3;
- Investment activity and information as indicated on the Statement of Changes in Net Assets Available for Benefits; and
- Supplemental Schedule of Assets (Held at End of Year).

NOTE 5 - RELATED-PARTY TRANSACTIONS

Certain Plan investments are interests in mutual funds and an insurance company general account managed by the Custodian. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment management services approximated \$37,000 for the year ended December 31, 2022.

NOTE 6 - TAX STATUS

The Plan was formed using a pre-approved format by the IRS for qualification under Section 401(a). This format last received approval by the IRS on June 30, 2020. The Plan has been amended since its original formation. However, the Employer believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, qualifies under Section 401(a) and the related trust as tax-exempt as of December 31, 2022. Thus, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Schedule H of Form 5500:

Net assets available for benefits per the financial statements	\$ 4,880,453
Employer contribution receivable	<u>(257,068)</u>

Net assets available for benefits per Schedule H of Form 5500	<u>\$ 4,623,385</u>
---	---------------------

The following is a reconciliation of net decrease to the Plan per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for benefits per financial statement	\$ (20,616)
Employer contribution receivable – current year	<u>(257,068)</u>

Plan net decrease in net assets per Schedule H of Form 5500	<u>\$ (277,684)</u>
---	---------------------

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets in liquidation available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2022 have been evaluated for possible adjustment to the financial statements or disclosure is October 9, 2023, the date on which the financial statements were issued.
