INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Inspira Marketing Group 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Inspira Marketing Group 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule 1, as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INSPIRA MARKETING GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Inspira Marketing Group 401(k) Profit Sharing Plan (the "Plan") for employees of Inspira Marketing Group, LLC and Enthuse LLC (collectively, the "Company") is provided for general information purposes only. Participants should refer to the plan agreement for a more comprehensive description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan with salary reduction features which is commonly referred to as a 401(k) plan. It is subject to the provisions of ERISA. Full-time employees of the Company that are over the age of 21 are eligible to participate in the Plan upon their date of hire. Part-time employees over the age of 21 who have completed one year of service are also eligible to participate in the Plan. Participant account balances can be transferred between the Plan and the Enthuse Marketing Group, LLC 401(k) Profit Sharing Plan, depending on which plan sponsor employs the participant during the year. The Plan was amended, effective December 1, 2022, to allow nonresident aliens to contribute into the Plan.

During 2020, employee terminations in excess of 20% of the employee population by the Company triggered a partial plan termination. Accordingly, all affected participants became fully vested in their accounts at that time.

The Plan is in the process of operationally being amended to implement certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act and the Setting Every Community Up for Retirement Enhancement Act of 2019, which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

(b) Contributions

Participants may contribute up to 90% of their salary on a tax-deferred, or Roth basis, subject to limitations under the Internal Revenue Code (IRC). In addition, the Company makes matching contributions. The Company matches 50% of elective deferrals each pay period, up to 6% of elective deferrals.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, known as rollovers.

The Company may make what are referred to as qualified nonelective employer contributions (employer contributions), which are designed to help the Plan satisfy certain nondiscrimination requirements. The nonelective contribution will be allocated (or divided) among participants eligible to share in the contribution for the plan year, based on a formula of participant compensation divided by the total compensation of all participants eligible to share in the nonelective contribution. No such contributions were made during 2022.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(c) Participant Accounts

An individual participant's account is comprised of the participant's elective deferred contributions, employer contributions, applicable fund earnings, investment fees and administrative expenses, and unrealized fair value adjustments. Unrealized fair value adjustments are based on quoted market prices as of the last business day of each year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately 100% vested in their voluntary contributions and rollover contributions, plus actual earnings thereon.

The vested percentage in a participant's account attributable to the employer contribution portion of his or her account is determined, under the following schedule, and based on vesting years of service, as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years	100%

A participant will always be 100% vested if he or she is employed on or after his or her normal retirement age, which is 65. As discussed in (a) above, participants affected by the partial plan termination in 2020 became 100% vested at that time.

(e) Investment Options

The Plan's trustee determines and approves the investment options set up for the Plan. Upon enrollment in the Plan, a participant can direct contributions into various offered investment options. Reliance Trust Company is the custodian of the Plan (the "Custodian") for the years ended December 31, 2022 and 2021. The Custodian invests monies according to participant directions.

(f) Payment of Benefits

On termination of service due to death, disability, or retirement, a participant is eligible to receive a single lump-sum amount equal to the value of his or her vested account balance. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan permits for hardship withdrawals of the participant's vested account balance. Permissible circumstances for hardship withdrawals include education expenses, purchase of a principal residence, medical expenses, and to prevent foreclosure of a principal residence.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(g) Notes Receivable from Participants

Participants may borrow from their vested fund accounts. Loans must be for a minimum of \$1,000, up to a maximum amount which is equal to the lesser of \$50,000 or 50% of the participant's vested account balance. A participant is limited to having one loan outstanding at any time. The loans are secured by the balances in the participants' accounts and bear interest at the prime rate, plus 2%, at the beginning of the loan terms (rates on existing loans range from 4.25% to 7.25%, for the year ended December 31, 2022, rates on existing loans range from 4.25% to 7.50%, for the year ended December 31, 2021). Loans must be repaid by payroll deductions over a minimum period of one year, not to exceed five years.

(h) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(i) Forfeited Accounts

Forfeited amounts are used to reduce employer contributions or pay plan expenses. For the year ended December 31, 2022, \$25,506 in forfeitures were used to reduce employer contributions. There were \$39,742 and \$34,097 of unapplied forfeiture credits at December 31, 2022 and 2021, respectively.

(j) Administrative Expenses

The Plan is administered by the Company. Administrative expenses are paid by the Plan as well as the Company. Personnel and facilities of the Company have provided services to the Plan at no charge.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accounting and reporting policies of the Plan conform to accounting principles generally accepted in the United States of America ("GAAP"). The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend rate. Net (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. See Note 6 for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(c) Payment of Benefits

Benefits are recorded when paid.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(e) Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of plan assets and liabilities and disclosure of contingencies, if any, at the date of the financial statements, and the reported amounts of additions to and reductions from net assets available for plan benefits during the reporting periods. Actual results could differ from those estimates.

(f) Contributions

Employee contributions and company matching contributions are recorded in the period the participant's salary is earned.

The Company's additional discretionary contributions, if any, are accrued annually at the end of each plan year and contributed in the first quarter of the next plan year. No discretionary contribution was made by the Company in 2022.

(g) Subsequent Events

The Plan has evaluated subsequent events after December 31, 2022 through October 9, 2023, the date that the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of annual reporting and compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian, Reliance Trust Company, has certified that the following data, included in the accompanying financial statements and supplementary information, is complete and accurate, to the best of their knowledge and belief for the years ended December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Investments - at fair value:		
Mutual funds	\$ 7,367,778	\$ 7,589,788
Common collective trust	<u>46,310</u>	<u>38,168</u>
Total investments - at fair value	<u>\$ 7,414,088</u>	<u>\$ 7,627,956</u>

(continued)

INSPIRA MARKETING GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN (Continued)

During the year ended December 31, 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held, during the year) (depreciated) in fair value by \$(1,610,788). During 2022, the Plan received interest and dividend income of \$164,936.

Notes receivable from participants was \$105,177 and \$122,573 as of December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, the Plan received interest income in the amount of \$4,231 from these notes receivable from participants.

NOTE 4 - INCOME TAX STATUS

The Plan adopted a volume submitter plan (VSP). The IRS had determined and informed ADP, LLC, by a letter dated October 6, 2020, that the VSP was designed in accordance with applicable sections of the IRC. The Plan has been amended since the determination letter was received and the plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset, or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

The record keeper of the plan is ADP. As record keeper of the Plan, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for services provided amounted to \$2,865 for the year ended December 31, 2022.

NOTE 6 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure value. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide the following information according to the fair value hierarchy. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1 - Valuation is based upon quoted prices for identical instruments traded in active markets.

(continued)

INSPIRA MARKETING GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

- Level 2 - Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3 - Unobservable inputs supported by little or no market activity for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determinant for fair value requires significant management judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

- Mutual funds - Valued at the closing price reported in the active market in which the individual security is traded.
- Common collective trust - Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the investments held by the common collective trusts less its liabilities. This practical expedient is not used when it is determined to be probable that the common collective trust will sell the investment for an amount different than the reported NAV. Included with the common collective trust is a stable value fund. The stable value fund is composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of the units of the trust. The NAV is used as a practical expedient to estimate fair value.

The following tables summarize the Plan's investments at fair value as of December 31, 2022 and 2021, based on the inputs used to value them:

Type of Security	Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>7,367,778</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>7,367,778</u>
Total assets in fair value hierarchy	\$ <u>7,367,778</u>	\$ <u>-</u>	\$ <u>-</u>	7,367,778
Investments measured at net asset value				<u>46,310</u>
				\$ <u>7,414,088</u>

(continued)

INSPIRA MARKETING GROUP 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

Type of Security	Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>7,589,788</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>7,589,788</u>
Total assets in fair value hierarchy	\$ <u>7,589,788</u>	\$ <u>-</u>	\$ <u>-</u>	7,589,788
Investments measured at net asset value				<u>38,168</u>
				\$ <u>7,627,956</u>

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments Measured Using the Net Asset Value Per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 46,310	N/A	Daily	12 Months

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 38,168	N/A	Daily	12 Months

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
