INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Van Hessen USA Inc. 401(k) Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Van Hessen USA Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Van Hessen USA Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Van Hessen USA Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Van Hessen USA Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Van Hessen USA Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Van Hessen USA Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess

whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i-Schedule of Assets (Held at End of Year) and line 4a - Schedule of Delinquent Participant Contributions as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VAN HESSEN USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Van Hessen USA Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the plan document.

General - The Plan is a defined contribution plan established by Van Hessen USA Inc. ("the Company") under the provision of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company. All employees of the Company who have completed ninety days of service, as defined, are eligible to participate, provided they are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Company serves as the administrator of the Plan. The assets of the Plan are maintained by the custodian, Empower Trust Company, LLC, and Empower Annuity Insurance Company of America. Empower Retirement, an affiliate of the custodian, provides recordkeeping services for the plan.

Contributions - Each year, participants may defer pretax annual compensation up to the maximum allowable per Internal Revenue Service ("IRS") regulations (\$20,500 and \$19,500 for the years ending December 31, 2022 and 2021, respectively, with a catch-up amount of \$6,500 for each of 2022 and 2021, for those eligible). Participants may also rollover amounts representing distributions from other plans. For the year ended December 31, 2022, the Company made a matching contribution of 100% of the participant's contribution, up to a maximum of \$1,000. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations. Members of collective bargaining units are not eligible for employer contributions.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in all contributions and earnings credited to their accounts.

Investment Options - Upon enrollment in the Plan, a participant may direct employee and employer contributions into any of the investment options available.

VAN HESSEN USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to 50% or \$50,000 of their account balance, whichever is less. Loan terms range from 1 - 5 years or up to 20 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1% (based on the day of the loan request). Principal and interest are paid ratably through payroll deductions. Participant loans are measured at unpaid principal balance plus accrued but unpaid interest.

Distributions - Upon termination of service, retirement, death, disability, attainment of age 59-1/2 or financial hardship as defined, a participant may elect to have his or her account balance distributed. A participant may elect to receive either a lump-sum or installment payments, or request a rollover to another qualified plan. Participant account balances of less than \$1,000 are automatically distributed in a single lump sum. In addition, participant accounts can be rolled over into an individual retirement account ("IRA") or another qualified defined contribution plan. Minimum distributions may not be deferred past April 1 of the calendar year following the year in which the participant attains age 70-1/2.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Accounting principles generally accepted in the United States of America ("U.S. GAAP") require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor ("DOL").

Operating Expenses - Certain expenses of maintaining the Plan have been paid by the Company.

Investment Valuation and Income Recognition - The Plan's investments in pooled separate accounts are valued at net asset value ("NAV") per unit held by the Plan at year-end as quoted by the funds. The NAV is used as the practical expedient. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions may occur daily.

The Plan is invested in the Guaranteed Portfolio Fund, which is considered a benefit-responsive single group annuity contract issued by Empower Annuity Insurance Company of

VAN HESSEN USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

America. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum crediting interest rate and prevailing market conditions.

Non-participant directed withdrawals (including employer-initiated events like layoff or a sale of a line of business) may require advance notice before the withdrawal could be made. The fixed income investments qualify as fully-benefit responsive investments and are reported at contract value. The concept of a value other than contract value does not apply to the Guaranteed Portfolio Fund, an insurance company issued general account backed evergreen (no maturity date) group annuity contract. Even upon discontinuance of the contract, contract value would be paid if the sponsor provides a 30-day advance notice. The plan administrator does not believe that any events that may limit the Plan's ability to transact at contract value are probable. The investments in the fully benefit-responsive investment contracts are stated at contract value which is equal to principal balance plus accrued interest. The contract is backed by the full faith and creditworthiness of the issuer.

3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

4. TAX STATUS

The Company adopted the Plan using a prototype document of the Plan's investment custodian, which was amended during 2021. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. INFORMATION CERTIFIED BY THE PLAN'S INVESTMENT CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the investment custodian, Empower Trust Company, LLC, and Empower Annuity Insurance Company of America, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

Interest income on notes receivable from participants	<u>\$ 9,048</u>	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

6. FAIR VALUE MEASUREMENTS

The Plan follows U.S. GAAP related to fair value measurement. Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

In accordance with Subtopic 820-10, certain investments that are measured at net asset value (or its equivalent) are not classified in the fair value hierarchy. Since all the investments are pooled separate accounts valued at net asset value, a table is not required.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

VAN HESSEN USA INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

8. RELATED PARTY TRANSACTIONS

The plan allows loans to participants. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited rules.

The Plan also invests in various investments issued by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodian. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules. In addition, Empower Retirement, an affiliate of the custodian, provides recordkeeping services for the plan

9. ADMINISTRATIVE EXPENSES

The Company pays all administrative expenses of the Plan except for certain contract administrative and trustee fees. Such charges not paid by the Company are applied directly to the accounts of the participants and are classified as administrative expenses in the statement of changes in net assets available for benefits. Certain investment advisory fees are paid by the Plan and included in net appreciation in fair value of investments of the related fund as they are paid through a revenue sharing agreement, rather than a direct payment. Administrative expenses paid by the Company are not included in the financial statements of the Plan.

10. RECONCILIATION OF FINANCIAL STATEMENTS OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	2022	2021
Net assets available for benefits per financial statements	\$ 2,493,858	\$ 3,030,259
