INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
AMVC 401(K) Profit Sharing Plan
Audubon, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AMVC 401(K) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors
AMVC 401(K) Profit Sharing Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year and reportable transactions as of or for the years ended December 31, 2022 and 2021 on pages 10 through 12 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Board of Directors
AMVC 401(K) Profit Sharing Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

NOTE A - DESCRIPTION OF PLAN

The following description of the AMVC 401(K) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all electing employees of AMVC Employee Services, LLC (AMVC) and its affiliates who work 1,000 hours or more each year. Benefit eligible employees can start deferring the first of the month following 60 days of hire. Part time employees can start deferring after they have worked 1,000 hours or more in a year. The employer starts to match after one year of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

2. Contributions

Contributions to the Plan are made bi-weekly by both the employer and the participant. Participants may contribute up to the elective deferral limitation as set forth in the Internal Revenue Code (\$20,500 in 2022 (\$19,500 in 2021), \$27,000 (\$26,000 in 2021) if participant is age 50 or older). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds through collective investment trust funds, pooled separate accounts and mutual funds as investment options for participants. AMVC makes a matching contribution of 50 percent of the participant's contribution to the Plan. The maximum employer matching contribution is 3 percent of the participant's annual compensation.

3. Participant Accounts

Each participant's account is credited with the participant's and AMVC's contributions and Plan earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment options at any time.

4. Vesting

Participants are immediately vested in the voluntary contributions and rollovers plus actual earnings thereon. Vesting in the remainder of their accounts is based on all years of employment with the employer, including those prior to the Plan's effective date. A participant is one hundred percent vested after five years of credited service.

5. Hardship Withdrawal

Hardship withdrawals are permitted from the Plan. The withdrawal is limited to the amount needed for a qualified reason.

NOTE A - DESCRIPTION OF PLAN - Continued

6. Payment of Benefits

On termination of service, participants may elect to leave their money in the Plan, or receive a lump sum amount equal to the vested value of their account.

7. Notes Receivable from Participants

The Plan does not allow participant loans.

8. Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$ - 0 - and \$ - 0 - respectively. These accounts will be used to reduce future employer contributions. Forfeitures in the amount of \$22,040 were used to reduce employer contributions during the year ended December 31, 2022 (\$26,688 in 2021).

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when credited to the investment account balances. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes to Financial Statements

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Operating Expenses

All expenses of maintaining the Plan, except administrative expenses, are paid by AMVC and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2023, the date the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the method used to measure fair value at December 31, 2022 and 2021.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements

The fair value of collective investment trust funds and pooled separate accounts are valued using a market approach which uses prices and other relevant information generated by market transactions involving identical or comparable assets.

AMVC 401(K) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2022 and 2021

NOTE C - FAIR VALUE MEASUREMENTS - Continued

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

		Fair Value Measurements at Reporting Date Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
<u>December 31, 2022</u>	<u>Fair Value</u>		
Collective investment trust funds	\$ 15,749,676	\$ --	\$ 15,749,676
Pooled separate accounts	673,298	--	673,298
Mutual funds	<u>1,968,142</u>	<u>1,968,142</u>	<u>--</u>
	<u>\$ 18,391,116</u>	<u>\$ 1,968,142</u>	<u>\$ 16,422,974</u>
		Fair Value Measurements at Reporting Date Using:	
		Significant Other Observable Inputs (Level 2)	
<u>December 31, 2021</u>	<u>Fair Value</u>		
Pooled separate accounts		\$ 22,370,967	\$ 22,370,967
		<u>\$ 22,370,967</u>	<u>\$ 22,370,967</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2022 and 2021, there were no significant transfers between Levels 1 and 2 and no significant transfers into or out of Level 3.

NOTE D - INFORMATION PREPARED AND CERTIFIED BY THE PLAN CUSTODIANS

The December 31, 2022 and 2021 Statements of Net Assets Available for Benefits, Statements of Changes in Net Assets Available for Benefits, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the custodians, Principal Life Insurance Company and John Hancock Life Insurance Company, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employees Retirement Income Security Act of 1974. The information certified at December 31 is as follows:

	<u>2022</u>	<u>2021</u>
Assets:		
Investments	\$ 18,391,116	\$ 22,370,967
Additions to Net Assets:		
Investment activity	(4,419,164)	3,116,276

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, AMVC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants and beneficiaries would become 100 percent vested in their accounts.

NOTE F - RELATED PARTIES AND PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are accounts managed by Principal Life Insurance Company and John Hancock Life Insurance Company, the custodians, and, therefore these transactions qualify as party in interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments. These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

Administrative fees include investment fees, third-party administrative fees, and other professional services, and are based on customary charges as shall be agreed to from time to time. Certain of these expenses are absorbed by the Plan sponsor. Certain administrative functions are performed by officers or employees of the Plan's sponsor. No such officer or employee receives compensation from the Plan.

NOTE G - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Net Assets Available for Benefits per the financial statements equaled total Net Assets Available for Benefits per Form 5500 as of December 31, 2022 and 2021. The additions, deductions, and change in net assets per the financial statements equaled the totals per the Form 5500 for the years ended December 31, 2022 and 2021.

AMVC 401(K) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2022 and 2021

NOTE H - TAX STATUS

The Internal Revenue Service has determined and informed the Plan custodian by a letter dated November 19, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
