Independent Auditors' Report

Plan Administrator and Participants **Lafrance Brothers, Inc. 401(k) Profit Sharing Plan**

Scope and Nature of the ERISA 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lafrance Brothers, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determine it is permissible in the circumstances, has elected to have the audits of Lafrance Brothers, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lafrance Brothers, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lafrance Brothers, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator and Participants
Lafrance Brothers, Inc. 401(k) Profit Sharing Plan
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lafrance Brothers, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lafrance Brothers, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Lafrance Brothers, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements
December 31, 2022

1. Description of Plan

The following description of the Lafrance Brothers, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was established by Lafrance Brothers, Inc. (“Plan Sponsor”) on March 31, 1983 as a defined contribution savings plan. The Plan Administrator is responsible for the general administration of the Plan.

The Plan covers all employees of Lafrance Brothers, Inc. d/b/a White’s of Westport and related entities (Lafrance Hospitality Corporation, Dover Hospitality, LLC, Lafrance Enterprises, Inc., Bittersweet Restaurant, Inc., Plymouth Hospitality, Inc., Maine Hotel Management, LLC, Great Whale Hospitality Corporation, Lafrance Bowden Hospitality II, LLC, Fortune Hospitality, LLC, Cranberry Hospitality, LLC, Hixbridge Hospitality, LLC, Point Hospitality, LLC, Great North Hospitality, LLC, Aquidneck Island Hospitality, LLC, Mayflower Hospitality, LLC, Homer’s Wharf, LLC, LH Fort Myers Hospitality, LLC, Westport Towne Hospitality, LLC, Reservoir Hotel Partners, LLC and HS Port Richey, LLC – collectively (the “Company”)) who elect to contribute to the Plan and meet the eligibility requirements of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

All eligible employees as defined in the Plan document who are 21 years of age and have completed one year of employment service are eligible to participate in the Plan on the first day of the month coinciding with or next following the date you satisfy the eligibility requirements. A year of service is defined as a twelve consecutive month period during which an employee is credited with at least 1,000 hours of service.

Contributions

Participants may make pre-tax and Roth after-tax contributions subject to certain limitations, as defined in the Plan agreement. The Company makes a safe harbor election for employer contributions. Under the safe harbor, the employer makes matching contributions equal to 100% of an employee’s contributions that do not exceed 3% of eligible compensation, plus 50% of the portion of the employee contribution between 3% and 5% of eligible compensation.

In addition, the Company may make a discretionary profit sharing contribution to eligible employees. For the 2022 plan year, the Company contributed \$201,233 in safe harbor matching contributions. The Company did not contribute any discretionary profit sharing contributions in 2022.

Upon enrollment in the Plan, a participant may direct their contributions in any of the funds offered by the Plan. Employer contributions follow the participants’ allocations.

1. Description of Plan (*continued*)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings and (losses) and (c) administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their pretax savings contributions and any amounts rolled over or transferred into the Plan. Participant's account attributable to safe harbor employer contributions are immediately 100% vested. Vesting for the Company profit sharing contribution, if any, and associated earnings is based on years of continuous service. A participant's account attributable to the profit sharing contributions vest in 20% increments starting upon completion of two years of credited service and become 100% vested upon completion of the sixth year of service.

Forfeitures

The Company's contributions in which participants are not fully vested are forfeited upon the participant's termination. The Company is entitled to use these forfeitures to pay administrative expenses or reduce future safe harbor employer contributions. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$14 and \$10. No forfeitures were used to pay administrative expenses or to reduce employer contributions for the year ended December 31, 2022.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are repayable over a period of up to five years, unless for the purchase of a primary residence. The loans bear interest at the prime rate plus 1%. Principal and interest are paid in level payments through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest, or monthly installments, or defer receiving payment until the required minimum distribution. For termination of service for other reasons, a participant may receive the value of the vested interest as a lump sum distribution or have the payment made as a "direct -rollover" to an Individual Retirement Account ("IRA") or to another employers' qualified plan.

Benefits can also be distributed in the event of a participant's immediate and heavy financial need. Such distributions, which are considered hardship withdrawals, cannot exceed the amount required to relieve the financial need.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

All investments of the Plan are reported at fair value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price. These funds are deemed to be actively traded. The common/collective trust is valued at the NAV of units held by the Plan, as provided by the trustee. The common/collective trust NAV is used as a practical expedient to fair value based on the fund's underlying investments. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (*continued*)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Certain other expenses are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 26, 2023.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held as of December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (a qualified institution).

4. Investments

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

2022			
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	\$ 5,928,815	\$ -	\$ 5,928,815
Common/collective trust	<u>-</u>	<u>443,808</u>	<u>443,808</u>
	<u>\$ 5,928,815</u>	<u>\$ 443,808</u>	<u>\$ 6,372,623</u>
2021			
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	\$ 7,991,394	\$ -	\$ 7,991,394
Common/collective trust	<u>-</u>	<u>100,040</u>	<u>100,040</u>
	<u>\$ 7,991,394</u>	<u>\$ 100,040</u>	<u>\$ 8,091,434</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trust

The MetLife Reliance Stable Value Series 25053 (the "Fund") is a common/collective trust that provides for the collective investment of assets of defined contribution plans qualified under Sections 401(a) and 501(a) of the Internal Revenue Code ("IRC"). The Fund allows participating plan sponsors to invest in the MetLife Group Annuity Contract 25053 and the MetLife Group Annuity Contract 37000 (collectively the "Contracts"), which are issued by Metropolitan Life Insurance Company ("MetLife") to Reliance Trust Company, the trustee of the Fund. The Contracts are administered by MetLife and are managed by MetLife and Reliance Trust Company.

Units of the Fund are valued each day and the NAV of the Fund is calculated as of the close of business each day. The NAV per unit is computed by dividing the total assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit value.

Notes to Financial Statements
December 31, 2022

5. Common/Collective Trust (*continued*)

The Fund sells new units and repurchases outstanding units on a daily basis. Unit purchases and redemptions are transacted at the NAV of the Fund as of the close of business each day. The Fund has no unfunded commitments due from the Plan at December 31, 2022 and 2021.

6. Party-in-Interest Transactions

Certain investments are managed by Reliance Trust Company. Reliance Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

7. Non-Exempt Party-in-Interest Transactions

During the 2021 plan year, the Plan Sponsor failed to transmit to the Plan certain participants' contributions within the period prescribed by Department of Labor Regulations. Delays in remitting these amounts to the Plan were due to administrative oversight. The Plan Sponsor is in the process of making the necessary corrections to satisfy both the DOL and IRS guidance for this matter.

8. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

9. Tax Status

The Plan's prototype plan document preparer has obtained an opinion letter dated October 6, 2020 from the IRC stating that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements.
