INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of
Miele, Inc. 401k Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Miele, Inc. 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Miele, Inc. 401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Miele, Inc. 401k Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Miele, Inc. 401k Plan's ability to continue as a going concern for one year from the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Miele, Inc. 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Miele, Inc. 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Miele, Inc. 401k Plan ("Plan") are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). Under this method of accounting, contributions and investment income are recorded when earned and expenses are recorded when incurred.

Estimates

The preparation of financial statements in accordance with US GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value and are held by Reliance Trust Company (the "Trustee"), which has been designated as both the Trustee and custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Investment transactions are recorded on a trade date basis. Gains and losses on sale of investments are based on the average cost method. The net depreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits includes unrealized gains (losses) of investments held at year-end plus realized gains (losses) on investments sold during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded when earned.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income from notes receivable from participants is recorded when earned. No allowance for losses is deemed necessary by the Plan's management as principal and interest are repaid through payroll deductions and the notes are collateralized by the participants' account balances.

Participants may borrow from their fund accounts, the lesser of a maximum of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate, generally prime plus one percent as determined by the Plan administrator.

Payment of Benefits

Benefits are recorded when paid.

2. DESCRIPTION OF PLAN

The following brief description of the Plan is provided for information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan was adopted effective January 1, 1988 and most recently restated on January 1, 2022. The Plan is a defined contribution plan covering substantially all employees of Miele, Inc. (the "Plan Sponsor" or "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Miele, Inc. 401k Plan
Notes to Financial Statements
December 31, 2022 and 2021

Eligibility Requirements

Employees are eligible to participate in the Plan immediately upon hiring for purposes of elective deferrals (including pre-tax, Roth and after-tax deferrals). On October 1, 2022, the Plan was amended to exclude from eligibility any individuals who are hired under a long-term assignment agreement. An employee becomes eligible for employer matching contributions on the first day of the month following that employee completing three months of service. Additionally, an employee becomes eligible for employer discretionary profit-sharing contributions on the first day of the month following that employee completing six months of service.

Contributions

Each year, participants may elect to contribute up to 90% of compensation toward pre-tax and Roth elective deferrals and up to 25% of eligible compensation toward after-tax eligible contributions, subject to Internal Revenue Service limitations. Participants direct the investment of their contributions into various investment options offered by the Plan. Plan provisions allow for the automatic enrollment of all eligible participants of the Plan, on the date on which the participant becomes eligible for employer matching contributions, of three percent of the participant's eligible compensation, which will be invested into a default investment option determined by the Plan Sponsor. The Plan also allows for automatic scheduled increases to such amounts of one percent per year, at the beginning of each calendar year, up to six percent of the participant's eligible compensation. The Company makes a matching contribution equal to 100% of the participant's elective deferrals up to three percent of a participant's compensation. The Company may also make a discretionary profit-sharing contribution of a percentage to be determined by the employer of the participants' elective deferral on a uniform basis to all participants. For the year ended December 31, 2022, the Company did not make any discretionary profit-sharing contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their pre-tax elective, Roth and after-tax contribution accounts. A participant has 100% vested benefits resulting from employer matching and discretionary profit-sharing contributions after 5 years of credited service. Vesting of employer matching and discretionary profit-sharing contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Regardless of the vesting schedule disclosed above, a participant will become fully vested upon death or total and permanent disability.

Miele, Inc. 401k Plan
Notes to Financial Statements
December 31, 2022 and 2021

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant (or beneficiary) may elect to have their vested benefit distributed to them in a lump-sum payment in cash or installments over a period of not more than the participant's assumed life expectancy. However, if the value of vested benefit (excluding amounts attributable to rollovers) is less than \$5,000, a lump sum distribution will be made within a reasonable amount of time after employment is terminated regardless of whether an election to receive it is made. A participant may withdraw any part of their vested account resulting from elective deferral contributions, matching contributions, additional contributions, and discretionary contributions in the event of undue financial hardship. Circumstances that qualify for immediate and heavy financial hardship include medical expenses not covered by insurance for the participant, spouse, or his/her dependents; the purchase of a principal residence for the participant; and post-secondary tuition costs, related educational fees and room and board expenses for the next 12 months for the participant, spouse, or dependents.

The Plan adopted the provisions of the Bipartisan Budget Act of 2018 relating to hardship withdrawals. The provisions eliminated the requirement for participants to obtain participant loans prior to requesting and obtaining a hardship withdrawal and the six-month suspension of employee deferrals following a hardship withdrawal.

Administrative Expenses

Certain administrative expenses incurred by the Plan are absorbed by the Plan Sponsor. Participants are charged for loan and investment fees. Administrative expenses paid by the Plan amounted to \$72,641 for the year ended December 31, 2022. In addition, certain investment related expenses have been offset with net investment income (loss) and are not readily determinable.

Forfeited Accounts

Forfeitures are retained in the Plan and used to reduce future employer contributions. At December 31, 2022 and 2021, the Plan had \$11,761 and \$2,350, respectively, of forfeited non-vested accounts, which are held in the sweep account. During the year ended December 31, 2022, \$39,712 of previously forfeited amounts were used to reduce employer matching contributions as permitted by the Plan.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Reliance Trust Company (the "Trustee") has certified the completeness and accuracy of all investments and notes receivable from participants as of December 31, 2022 and 2021 in the accompanying statements of net assets available for benefits and the related investment activity and notes receivable from participants activity for the year ended December 31, 2022 in the accompanying statement of changes in net assets available for benefits, as well as the supplemental schedule of assets (held at end of year) as of December 31, 2022. No auditing procedures were performed by the independent auditors as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Trustee, except for comparing such information with the related information included in the financial statements and supplemental schedule. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021.

4. FAIR VALUE MEASUREMENT

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for periods presented in these financial statements.

Registered Investment Companies: Shares of registered investment companies are valued at quoted market prices which represent the fair value of shares held by the Plan at year-end.

Common/Collective Trust: The common/collective trust is valued at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities and then divided by the number of shares outstanding. Participant transactions (purchases and sales) may occur daily. There were no significant unfunded commitments or restrictions on redemption as of December 31, 2022 and 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Miele, Inc. 401k Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 36,514,509</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 36,514,509
Common/collective trust (a) (c)				4,254,610
Investments at fair value				<u>\$ 40,769,119</u>

(a): Common/collective trusts are primarily invested in traditional GICs, security-backed investment contracts and short-term investment funds.

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 45,753,128</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 45,753,128
Common/collective trust (b) (c)				3,931,791
Investments at fair value				<u>\$ 49,684,919</u>

(b): Common/collective trusts are primarily invested in traditional GICs, synthetic GICs, security-backed investment contracts and short-term investment funds.

(c): In accordance with Subtopic 820-10, certain investments that were measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan paid fees for record keeping and investment advisory services of \$72,641. These transactions qualify as party-in-interest transactions. Certain investment related fees are reflected as an offset of net investment income (loss) and are not readily determinable. Notes receivable from participants are transactions with participants; these loan transactions qualify as exempt party-in-interest transactions.

7. INCOME TAX STATUS

The Plan is qualified under provisions of the Internal Revenue Code ("IRC") and is exempt from federal income taxes.

Miele, Inc. 401k Plan
Notes to Financial Statements
December 31, 2022 and 2021

The IRS has issued an opinion letter dated October 6, 2020 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable taxing authorities.

The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for periods presented in these financial statements.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2023, the date the financial statements were available to be issued. Based on that evaluation, except for the item noted below, the Plan has determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.

Effective January 1, 2023, the Plan was amended to exclude from eligibility all part-time employees, who are defined as an employee whose regularly scheduled service is less than 1000 hours of service.
